RE: RCN Telecom Services Lehigh LLC – 2022/1
Alburtis, PA (ID #8024)

Dear Cable Operator:

It appears as if an underpayment in interest has occurred on the above referenced statement of account. The royalty payment of \$191,504.25 was received on August 30, 2022, which was 1 day after the due date.

If you agree that an underpayment has occurred, please submit the additional interest in the form of an EFT to this office. Interest at the rate of 1.000% began to accrue on August 30, 2022, and ends on the date of your remittance. Please see Space Q for your interest calculations. Please email (jema@copyright.gov and licfiscal@copyright.gov) the enclosed remittance advice form to this office when making your payment so we can properly allocate it to the correct statement. For more information, please visit www.copyright.gov/licensing.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

If you have any questions, I can be reached via email at jema@copyright.gov.

Sincerely,

Jessica Martin
