Re: Mediacom Southeast, LLC - 2022/2
Burkesville, KY (ID #416)

Dear Mr. Kohrs:

Space O of the above referenced statement of account does not possess the required signature. Please certify the statement and return to this office.

As of March 20, 2020, a \$50 amendment fee will apply to any changes or alterations made to a previously submitted statement of account, regardless of content, or effect on royalties or refunds.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

Please return your corrected statement along with a copy of this letter. If you have any questions, please feel free to contact me by email at jema@copyright.gov.

Sincerely,

Jessica Martin
