RE: West Kentucky Rural  
ID#62911 2022/2

Dear Ms. Taylor:

It appears that the above referenced cable system has overpaid its royalty fee by \$2,243.60. The overpayment is a result of the completion of the wrong form. Since the gross receipts were less than \$527,600.00, the short form should have been submitted. A \$50.00 amendment fee will be deducted from the amount of the refund due.

Next, New Licensing Division Fees Effective March 20, 2020.

The Copyright Office has adopted a new fee schedule, beginning March 20, 2020, that affects fees throughout the Office, including the Licensing Division (see the Federal Register, 85 FR 9374). The fee changes affect cable, satellite, and DART filers as well as those seeking section 112 and 114 licenses.

For amended statements of account filed by cable and satellite systems and digital audio recording device (DART) importers/manufacturers, the fee has been reduced to \$50; however, it is important to note that the Office intends to charge that amendment fee in a wider range of circumstances. For information on the new fees for Division services, see Circular 76. This fee is due for any material changes.

Please review and if you agree, complete the Library of Congress Vendor Information Request in its entirety and return along with a copy of this letter. You may send this to me by e-mail. A refund will be considered for authorization after receipt of this form.

You may contact me via email for any questions.

Sincerely,

Donna M. Loy
