RE: Union Information Systems, LLC  
Almond, WI (ID #63390)

Dear Ms. Kumferman:

The Licensing Division has received your payment of \$557.79 for the 2022/1 account period. However, we have not received the statement of account associated with this payment. We have also received payments for the 2019/1, 2019/2, 2020/1, 2020/2, 2021/1, and 2021/2 accounting periods, but have not received the statements.

Please submit the statements for the 7 missing accounting periods so your payments can be allocated and processed. Information regarding filing statements of accounts can be found at: [Section 111 - Statutory License for Secondary Transmissions by Cable Systems | U.S. Copyright Office](#). Please let me know when your statements have been submitted.

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.

Please contact the office if you have any questions. I can be reached at (202) 707-8129, or via email at [jema@copyright.gov](mailto:jema@copyright.gov).

Sincerely,

*Jessica Martin*

Licensing Examiner

Notice: Please be aware that any email correspondence associated with the examination of licensing documents may be considered part of the office's public record and may be subject to disclosure to other parties upon request.

As of March 20, 2020, a \$50 amendment fee will apply to any changes or alterations made to a previously submitted statement of account, regardless of content, or effect on royalties or refunds.

Note: On July 1, 2022, the United States Copyright Office will move to a single EFT payment method (Pay.gov) for current, past, and future royalty and filing fee payments. The Office strongly encourages you to begin using the Pay.gov method to make your electronic royalty and filing fee payments for the current filing year and period (2021/2). For more information on how to make statutory license royalty payments, please read Circular 74 and view the tutorial.
