Good afternoon Ms. Riley,

Thank-you for your response. The revised form that you submitted will be placed in the file to document the change.

Once I have completed my part of the refund process you will receive an e-mail from me confirming that the refund was approved. Also, please keep in mind that our Fiscal Section authorize refunds once a month, so it may take a few weeks after you receive my e-mail before you receive the actual refund.

Sincerely,

Tymica

Re: TCT West, Inc.-Basin, WY (ID 61722) 2018/2

Dear Ms. Riley:

Based on the amount of gross receipts reported (\$465,155) in Space K of the Statement of Account an incorrect form has been used. The SA-3 form completed is for cable systems with gross receipts more than \$527,600. The correct form appears to be the SA-1-2. Please complete and return the correct form, which can be obtained at www.copyright.gov/licensing.

Due to filing the wrong form, there appears to be a \$2,318.69 overpayment of the royalty fee. The correct royalty fee is \$3,332.55 plus the \$20 filing fee, but the amount submitted was \$5,674.25. An amount of \$3.01 was subtracted from the overpayment for interest, since the royalty payment was received on April 3, 2019. If you agree that there's an overpayment, complete the attached EFT form and return it along with your response.

Please contact me with any questions pertaining to this matter.

Sincerely,

Tymica Carroll

The submission of a Statement of Account lacking the required information or fees may jeopardize the validity of your statutory license, and your secondary transmission activity may be subject to full liability under the copyright act. Without a statutory license, a cable system could be sued by copyright owners for the full range of civil remedies for copyright infringement, including injunctions, actual damages and profits, or statutory damages (of up to \$150,000 in cases of willful infringement). The statute also provides for criminal penalties in cases of willful infringement for commercial purposes.
