## American Refugee Committee

ARC/BKK. 92/196

July 2, 1992

Ms. Ellis Holstein  
Refugee Protection Assistance Officer  
U.S. Embassy  
Bangkok

Dear Ellie,

Enclosed are some pieces of bone wrapped in paper containing the names of two men, Pare, Vernon R and Lichtsey, Charles W. I was given these yesterday from one of our Cambodian medical staff working at the *DATA*. He in turn received this from another Cambodian who was returning to *DATA* from Cambodia about ten months ago. The Cambodian who gave this to our medical worker said that these might be related to some American MIAs. Our Cambodian medical staff never really put much belief in this and held onto this with the intention of giving it to someone to bring to the attention of the U.S. Embassy. He forgot about it until now.

I would like to pass this on to you so that it can be presented to the appropriate person in the Embassy with responsibility for investigating such matters as this. I realize that the Embassy probably gets hundreds of such samples as this, so I don't wish to make a big deal out of this matter. I would be happy to explain any details about this if it is so desired.

Thanks, Ellie.

Regards,

*SC*
