(f) Cover letter requirement—Where the office which has prepared a notice on behalf of a corporate family differs from the one executing the notice, that office shall be identified in a cover letter attached to the tendered notice.

(g) Miscellaneous—The filing of a CIH notice does not initiate a proceeding before the Commission nor is any right of protest created by publication of a notice in the FEDERAL REGISTER; publication is a ministerial function and does not indicate Commission investigation or affirmation of the rep-

resentations appearing in the notice concerning corporate affiliation.

Such actions include, but are not limited to: Absorption of a subsidiary into a parent resulting in extinction of its separate, corporate status. However, name changes by a parent or subsidiary require an updated notice under § 1167.4. Appropriate changes to indicate such occurrences shall appear in any updated notices required by subsections (a) and (b) of this section.
