(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule making procedure,

and postpone the effective date of this section until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat. 237; 5 U. S. Shipments of lemons, grown in the State of California or in the State of Arizona, are currently subject to regulation pursuant to said amended marketing agreement and order; the recommendation and supporting information for regulation during the period specified herein was promptly submitted to the Department after an open meeting of the Lemon Administrative Committee on January 17, 1951, such meeting was held, after giving due notice thereof to consider recommendations for regulation, and interested persons were afforded an opportunity to submit their views at this meeting; the provisions of this section, including its effective time, are identical with the aforesaid recommendation of the committee, and information concerning such provisions and effective time has been disseminated among handlers of such lemons; it is necessary, in order to effectuate the declared policy of the act, to make this section effective during the period hereinafter specified; and compliance with this section will not require any special preparation on the part of persons subject thereto which cannot be completed by the effective time thereof.

R. 341), and made a part hereof by this reference.

Chapter II—Office of Alien Property, Department of Justice

PART 511—BLOCKED ASSETS: REGULATIONS ORIGINALLY ISSUED BY THE TREASURY DEPARTMENT

PROHIBITIONS WITH RESPECT TO FOREIGN AND DOMESTIC SCHEDULED SECURITIES

Part 511 is hereby amended by the amendment of § 511.187 (General License No. 87) to read as set forth below, by the amendment of § 511.205 (General Ruling No. 5) to read as set forth below, and by the addition of § 511.205b (General Ruling No. 5B) as set forth below.

§ 511.187 *General License No. 87.* A general license is hereby granted exempting all transactions from the provisions of section 2A (2) of the order, except transactions with respect to foreign scheduled securities as defined in § 511.205 (General Ruling No. 5) and domestic scheduled securities as defined in § 511.205b (General Ruling No. 5B).

§ 511.205 *General Ruling No. 5—(a) Prohibitions with respect to foreign scheduled securities.* Except as authorized by license or other authorization specifically referring to this section from the Director, Office of Alien Property, Department of Justice, or as required or authorized by paragraph (e) of this section, any transfer of, dealing in, or other transaction by a person within the United States or a person subject to the jurisdiction of the United States with respect to a foreign scheduled security or any obligation, interest, or claim of which such security is evidence, is prohibited.

(b) *Definition.* As used in this section, the term "foreign scheduled securities" shall include all securities wherever located which appear on the list in paragraph (g) of this section, entitled "Foreign Scheduled Securities," including coupons appertaining thereto.

PART 511—BLOCKED ASSETS: REGULATIONS  
ORIGINALLY ISSUED BY THE TREASURY  
DEPARTMENTEFFECT OF PROHIBITIONS WITH RESPECT TO  
DOMESTIC AND FOREIGN SCHEDULED SEC-  
URITIES

Part 511 is hereby amended by the  
 addition of § 511.340 (Public Circular No.  
 40) as set forth below:

§ 511.340 *Public Circular No. 40; Ef-  
 fect of prohibitions with respect to do-*

No. 14—3

*estic and foreign scheduled securities.*

(a) Reference is made to §§ 511.205 and  
 511.205b with respect to which an in-  
 quiry has been received as to whether a  
 contract which calls for delivery of a  
 security of a particular issue without  
 reference to any particular certificate  
 number is null and void if a domestic or  
 foreign scheduled security (as defined in  
 the aforementioned sections) is delivered  
 pursuant to it. It was pointed out that  
 ordinarily if delivery is made of a secu-  
 rity which is defective another security  
 of the same issue is required to be sub-  
 stituted. The question is directed to  
 whether §§ 511.205 and 511.205b alter any  
 of the obligations arising out of such a  
 contract.

(b) Unless such a contract creates an  
 obligation to deliver a domestic or for-  
 eign scheduled security, a contract for the  
 sale and purchase of securities is not  
 rendered null and void by §§ 511.205 and  
 511.205b by reason of the delivery of a  
 domestic or foreign scheduled security in  
 purported compliance with the contract.  
 Sections 511.205 and 511.205b do not in  
 any way invalidate any rights of the  
 parties to such a contract to enforce its  
 terms, such as requiring delivery of an-  
 other security of the same issue. Such a  
 contract does not, however, transfer title  
 to or create any interest in or claim to a  
 domestic or foreign scheduled security.

Any tax imposed by this chapter shall apply to any agency or instrumentality of the United States unless such agency or instrumentality is granted by statute a specific exemption from such tax.

PAR. 3. Section 323.20, as amended by Treasury Decision 5203, approved December 22, 1942, is further amended by striking out so much of such section as precedes paragraph (b) and inserting in lieu thereof the following:

§ 323.20 *Effective dates of tax.* The effective dates of the rates of tax with respect to coin-operated amusement and gaming devices imposed by section 3267, added to the Internal Revenue Code by section 555 of the Revenue Act of 1941, including changes made in such rates by section 617 of the Revenue Act of 1942 and section 603 of the Revenue Act of 1950, are as follows:

(a) Except as indicated by paragraph (c) of this section, the rates of tax applicable with respect to gaming devices operated by means of the insertion of a coin, token, or similar object are:

(1) October 1, 1941, through June 30, 1943, \$50 per annum;

(2) July 1, 1943, through October 31, 1950, \$100 per annum;

(3) On and after November 1, 1950, \$150 per annum.

PAR. 4. Immediately preceding § 323.30 there is inserted the following:

SEC. 604. FEDERAL AGENCIES OR INSTRUMENTALITIES [REVENUE ACT OF 1950 (PUB. LAW 814, 81ST CONG., 2D SESS.), APPROVED SEPTEMBER 23, 1950].

Subchapter B of chapter 27 (relating to occupational taxes) is hereby amended by adding at the end thereof the following new section:

SEC. 3283. FEDERAL AGENCIES OR INSTRUMENTALITIES.

Any tax imposed by this chapter shall apply to any agency or instrumentality of the United States unless such agency or instrumentality is granted by statute a specific exemption from such tax.

PAR. 5. Section 323.21 is amended, and § 323.31, as amended by Treasury Decision 5344, approved March 14, 1944, is further amended, by adding at the end of each the following: "Any agency or instrumentality of the United States, such as an Army exchange, Navy exchange, etc., is liable to such special tax unless granted by statute a specific exemption therefrom."

PAR. 6. Section 323.22, as amended by Treasury Decision 5203, is further amended—

(A) By striking out so much of the paragraph designated (d) as precedes "in the case of" and inserting in lieu thereof the following:

(d) Effective October 1, 1941, through June 30, 1943, \$50, effective July 1, 1943, through October 31, 1950, \$100, and effective on and after November 1, 1950, \$150, per year

(B) By adding after the third paragraph beginning with "As the tax became effective on October 1, 1941," the following:

Those persons who prior to November 1, 1950, paid or incurred the special tax liability at the rate of \$100 per year for gaming devices and continued to maintain for use such devices on November 1, 1950, are liable for additional tax for the period November 1, 1950, through June 30, 1951, at the increased rate of \$50 per annum. The additional tax liability for the 8-month period from November 1, 1950, through June 30, 1951, shall be computed on the basis of 8/12ths of \$50, or \$33.34, for each device.

Because this Treasury decision makes technical amendments to the regulations, it is found that it is unnecessary to issue this Treasury decision with notice and public procedure thereon under section 4 (a) of the Administrative Procedure Act, approved June 11, 1946, or subject to the effective date limitation of section 4 (c) of said act.

**TITLE 32A—NATIONAL DEFENSE,  
APPENDIX**

**Chapter I—National Production Authority, Department of Commerce**

[NPA Order M-1, Supp. 1, as Amended Jan. 17, 1951]

**PART 20—STEEL,**

**U. S. FREIGHT CAR PROGRAM**

This amendment is found necessary and appropriate to promote the National Defense, and is issued pursuant to authority granted by section 101 of the Defense Production Act of 1950. In the formulation of this amendment, there has been consultation with industry representatives, including trade association representatives, and consideration has been given to their recommendations.

This amendment affects Supplement 1 to NPA Order M-1, as follows: It amends § 20.101 and § 20.102. In addition, the letters U. S. are inserted throughout in all references to the Freight Car Program.

Supp. 1 to M-1, as amended, now reads as follows:

- Sec.
- 20.100 Directives to be issued.
- 20.101 Certified orders and authorizations therefor.
- 20.102 Form of certifications.
- 20.103 Use of steel to be obtained.
- 20.104 Rejection of certified orders.
- 20.105 Effect of directives.
- 20.106 NPA assistance in placing orders under §§ 20.100 to 20.105.

**AUTHORITY:** §§ 20.100 to 20.106 issued under sec. 704, Pub. Law 774, 81st Cong. Interpret or apply sec. 101, Pub. Law 774, 81st Cong.; sec. 101, E. O. 10161, Sept. 9, 1950, 16 F. R. 6105.

§ 20.100 *Directives to be issued.* Directives will be issued by NPA to direct certain steel producers to accept certified orders for the production and delivery of steel for the construction and repair of freight cars, as a part of the U. S. Freight Car Program. The directives will specify the tonnage of each steel product to be shipped in the months referred to therein. "The U. S. Freight Car Program" means the construction of domestic railroad freight cars and the repair of railroad freight cars used on common carrier railroads within the United States.

§ 20.101 *Certified orders and authorizations therefor.* Persons engaged in the repair or construction of freight cars or of their component parts may place certified orders pursuant to this program, for specific tonnages, of specific steel products, for shipment in specific periods, only if authorized by the National Production Authority by the issuance by it of DTA Form 3 to evidence such authority. *Provided,* That the total amounts of any steel products covered by such certified orders must not exceed:

- (a) The amounts indicated by NPA on Form DTA 3; and
- (b) The amount required for the manufacture of product or products covered by firm purchase orders or contracts accepted prior to the time such order or orders for steel are certified.

§ 20.102 *Form of certifications.* In order to place a certified order under the U. S. Freight Car Program a manufacturer or repairer of freight cars or components therefor shall place either of the following certifications, whichever is appropriate, on his purchase orders or on a separate piece of paper attached thereto:

(a) Certified that the material called for in this order conforms with an authorization received from NPA, and is to be used only in connection with the manufacture of new freight cars or components therefor in the U. S. Freight Car Program under NPA Supplement 1, as amended, of Order M-1, as amended.

(b) Certified that the material called for in this order conforms with an authorization received from NPA and is to be used only in connection with the repair of freight cars in the U. S. Freight Car Program under NPA Supplement 1, as amended, of Order M-1, as amended.

Such certifications shall be signed by an authorized representative of the purchaser,

§ 20.103 *Use of steel so obtained.* Steel obtained under the U. S. Freight Car Program pursuant to the certifications provided for in §§ 20.100 to 20.106 shall be used only for the repair or construction of such railroad freight cars or of their component parts. Nothing contained in §§ 20.100 to 20.106 shall prevent railroads, private car companies or common carriers from making their own repairs or construction of freight cars. All materials or components obtained, pursuant to §§ 20.100 to 20.106 shall be subject to the inventory control provisions of Part 10 of this chapter (NPA Reg. 1).

§ 20.104 *Rejection of certified orders.* A producer of steel need not accept a certified order under the U. S. Freight Car Program which is received less than 45 days prior to the first day of the month in which shipment is requested, unless specifically directed to accept the order by NPA.

§ 20.105 *Effect of directives.* When steel production has been scheduled pursuant to directives issued under §§ 20.100 to 20.106, such schedules shall be maintained by the steel producers unless otherwise directed by NPA. Steel delivered under directives issued pursuant to §§ 20.100 to 20.106 shall not be considered produced under rated orders for the purpose of determining producers' obligations under §§ 20.5 and 20.6.

§ 20.106 *NPA assistance in placing orders under §§ 20.100 to 20.106.* Any person who is unable to place a certified order for steel pursuant to §§ 20.100 to 20.106 should apply to the NPA, Iron and Steel Division, Ref: Supp. 1 to order M-1, specifying the producers who refused to accept this order. The NPA will arrange to assist him in locating sources of supply.

This amendment to Supp. 1 of Order M-1 as amended, shall apply to all orders calling for shipment under this Program certified and accepted after January 17, 1951. It may also apply to certain orders calling for shipment under this Program in the months of February and March 1951, when specifically directed by NPA.

35.8	Adjustments and exceptions.
35.9	Communications.
35.10	Records, audit, inspection and reports.

**AUTHORITY:** §§ 35.1 to 35.11 issued under sec. 704, Pub. Law 774, 81st Cong. Interpret or apply sec. 101, Pub. Law 774, 81st Cong., sec. 101, E. O. 10161, Sept. 9, 1950, 15 F. R. 6105.

§ 35.1 *What this part does.* This part applies particularly to producers of leather of certain types and provides rules for placing, accepting, and scheduling rated orders for leather. Its purpose is to provide equitable distribution of rated orders among all producers of leather in order to make possible maximum production of leather and to reduce to a minimum disruption of its normal distribution. This part supplements Part 11 of this Chapter (NPA Reg. 2) but only those provisions of NPA Reg. 2 which are inconsistent with this part are superseded and all other provisions of Reg. 2 continue to apply to the leather industry.

§ 35.2 *Definitions.* As used in this part:

(a) "Person" means any individual, corporation, partnership, association or any other organized group of persons and includes agencies of the United States or any other government.

(b) "Producer" means any person engaged in the business of tanning, currying or finishing leather for his own account, for sale or for fabrication into leather products, or engaged in the business of cutting sole leather for sale, whether any such processes are performed by him or for him under contract with another person.

(c) "NPA" means National Production Authority in the Department of Commerce.

§ 35.3 *Leather to which this part applies.* This part applies only to the types of leather listed in § 35.6.

§ 35.4 *Required shipment dates.* A rated order for leather of the types described in § 35.6 must specify shipment on a particular date or in a particular month which in no case may be earlier than required by the person placing the order. The producer must schedule the order for shipment within the requested month as close to the requested delivery date as is practicable considering the need for maximum production.

§ 35.5 *Rejection of rated orders.* A producer need not accept a rated order which is received less than 30 days prior to the first day of the month in which shipment is requested unless specifically directed to accept the order by NPA.

§ 35.6 *Limitations for acceptance of rated orders.* Unless specifically directed by NPA, no producer shall be required to accept rated orders for the types of leather listed below for shipment in any one month in excess of the following respective percentages of his average monthly production of such types dur-

ing the period from January 1, 1950, through October 31, 1950:

<i>Types of leather</i>	<i>Percent</i>
Calf, including whole kip.....	20
Goat and kid.....	10
Bag, case, strap, and harness.....	20
Sheep and lamb, excluding shearlings..	15
Shearlings.....	25
Cabretta, other than shoe.....	20

§ 35.7 *NPA assistance in placing rated orders.* Any person who is unable to place a rated order for leather due to the limitations imposed by § 35.6 should apply to NPA, Washington 25, D. C., Ref. Order M-28, specifying the producers who refused to accept the order. NPA will arrange to assist him in locating sources of supply.

§ 35.8 *Adjustments and exceptions.* Any person affected by any provision of this part may file with NPA a request for adjustment or exception upon the ground that such provision works an undue or exceptional hardship upon him not suffered generally by others in the same trade or industry or that its enforcement against him would not be in the interest of the national defense or in the public interest. In considering requests for adjustment claiming that the public interest is prejudiced by the application of any provision of this part, consideration will be given to the requirements of public health and safety, civilian defense, and dislocation of labor and resulting unemployment that would impair the defense program. Each such request shall be in writing and shall set forth all pertinent facts, and the nature of the relief sought and the justification therefor.

§ 35.9 *Communications.* All communications concerning this part shall be addressed to National Production Authority, Washington 25, D. C., Ref. M-28.

§ 35.10 *Records, audit, inspection and reports.* (a) Each person participating in any transaction covered by this part shall retain in his possession for at least two years records of receipts, deliveries, inventories and use, in sufficient detail to permit an audit that determines for each transaction whether the provisions of this part have been met. This does not specify any particular accounting method and does not require alteration of the system of records customarily maintained, provided such records supply an adequate basis for audit. Records may be retained in the form of microfilm or other photographic copies instead of the originals.

(b) All records required by this part shall be made available at the usual place of business where maintained for inspection and audit by duly authorized representatives of NPA.

(c) Persons subject to this part shall make such records and submit such reports to NPA as it shall require, subject to the terms of the Federal Reports Act (Pub. Law 831, 77th Cong., 5 U. S. C. 139-139F)

§ 35.11 *Violations.* Any person who willfully violates any provision of this part or any other order or regulation of NPA or willfully conceals a material fact or furnishes false information in the course of operation under this part is

guilty of a crime and upon conviction may be punished by fine or imprisonment or both. In addition, administrative action may be taken against any such person to suspend his privilege of making or receiving further deliveries of materials or using facilities under priority or allocation control and to deprive him of further priorities assistance.

**NOTE:** All reporting and record-keeping requirements of this part have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

This part shall take effect on January 17, 1951.

PART 76—HORSEHIDE FRONTS AND  
DEERSKINS

This order is found necessary and appropriate to promote the national defense and is issued pursuant to the authority granted by Section 101 of the Defense Production Act of 1950. In the formulation of this order, there has been consultation with industry representatives, including trade association representatives, and consideration has been given to their recommendations.

Sec.	
76.1	What this part does.
76.2	Definitions.
76.3	Restrictions on tanning of horsehide fronts.
76.4	Restrictions on tanning or dressing of deerskins.
76.5	Restrictions on sale and use of horsehide front leather and deerskin leather.
76.6	Exception.
76.7	Adjustments and exceptions.
76.8	Records, audit, inspection and reports.
76.9	Communications.
76.10	Violations.

**AUTHORITY:** §§ 76.1 to 76.10 issued under sec. 704, Pub. Law 774, 81st Cong. Interpret or apply sec. 101, Pub. Law 774, 81st Cong., sec. 101, E. O. 10161, Sept. 9, 1950, 15 F. R. 6105.

§ 76.1 *What this part does.* This part applies to tanners of horsehide fronts, to tanners and dressers of deerskins, and to persons who sell and commercially use leather made from these hides and skins. In view of the fact that horsehide fronts and deerskins are in extremely short supply, it is essential that the leather produced therefrom be limited in so far as possible to DO rated orders. This part prohibits the tanning of horsehide fronts and the dressing or tanning of deerskins except for the purpose of producing military leather if such skins are suitable for the production of military leather. It also forbids any person to sell, deliver, accept delivery of, or use commercially leather made from horsehide fronts or deerskins for other than DO rated orders if such leather is capable of being used to fill such orders.

§ 76.2 *Definitions.* As used in this part:

(a) "Person" means any individual, corporation, partnership, association or any other organized group of persons and includes any agency of the United States or any other government.

(b) "Tanner" or "dresser" means a person engaged in the business of tanning, dressing, or similarly processing hides or skins.

(c) "Converter" means a person engaged in the business of causing hides or skins to be tanned or dressed for his account in any tannery not owned or controlled by him.

(d) "Horsehide front" means the forepart of the hide or skin of a horse, colt, mule, ass, donkey, or pony, commercially known in the trade as a "front" whether or not still attached to other parts of the hide or skin.

(e) "Deerskin" means the skin of any domestic or foreign deer, and includes the skin of the elk, moose, and caribou.

(f) "Military leather" means leather meeting any military specifications in force at the time.

(g) "DO rated order" means an order for leather bearing a DO rating issued pursuant to Part 11 of this chapter. (NPA Reg. 2)

(h) "NPA" means National Production Authority in the Department of Commerce.

§ 76.3 *Restrictions on tanning of horsehide fronts.* Unless specifically directed by NPA, no tanner shall put into process or continue to process, and no converter shall cause to be put into process, any horsehide front except for the purpose of processing it into military leather: *Provided, however* That this restriction shall not apply to any horsehide front which is not capable of being processed into military leather.

§ 76.4 *Restrictions on tanning or dressing of deerskins.* Unless specifically directed by NPA, no tanner or dresser shall put into process, or continue to process, and no converter shall cause to be put into process, any deerskin except for the purpose of processing it into military leather: *Provided, however* That this restriction shall not apply to any deerskin which is not capable of being processed into military leather.

§ 76.5 *Restrictions on sale and use of horsehide front leather and deerskin leather.* Unless specifically directed by NPA, no person shall sell, deliver, accept delivery of or incorporate into any product for commercial purpose, except for DO rated orders, any horsehide front leather or deerskin leather suitable for military leather.

§ 76.6 *Exception.* This part shall not prohibit the completion of the production and delivery of materials or products containing horsehide front leather or deerskin leather in any form previously ordered and accepted, which by reason of the condition or nature of the materials or products cannot without excessive loss of yield be used in connection with DO rated orders.

§ 76.7 *Adjustments and exceptions.* Any person affected by any provision of this part may file with NPA a request

for adjustment or exception upon the ground that such provision works an exceptional hardship upon him not suffered generally by others in the same trade or industry or that its enforcement against him would not be in the interest of national defense or in the public interest. In considering requests for adjustment which claim that the public interest is prejudiced by the application of any provision of this part, consideration will be given to the requirements of public health and safety, civilian defense, and dislocation of labor and resulting unemployment that would impair the defense program. Each such request shall be in writing and shall set forth all pertinent facts, the nature of the relief sought, and the justification therefor.

§ 76.8 *Records, audit, inspection and reports.* (a) Each person participating in any transaction covered by this part shall retain in his possession for at least two years records of receipts, deliveries, inventories, and use, in sufficient detail to permit an audit that determines for each transaction that the provisions of this part have been met. This does not specify any particular accounting method and does not require alteration of the system of records customarily maintained, provided such records supply an adequate basis for audit. Records may be retained in the form of microfilm or other photographic copies instead of the originals.

(b) All records required by this part shall be made available at the usual place of business where maintained for inspection and audit by duly authorized representatives of NPA.

(c) Persons subject to this part shall make such records and submit such reports to NPA as it shall require, subject to the terms of the Federal Reports Act. (Pub. Law 831, 77th Cong., 5 U. S. C. 139-139F).

§ 76.9 *Communications.* All communications concerning this part shall be addressed to National Production Authority, Washington 25, D. C., Ref. M-29.

§ 76.10 *Violations.* Any person who willfully violates any provision of this part or any other order or regulation of NPA or willfully conceals a material fact or furnishes false information in the course of operation under this part is guilty of a crime and upon conviction may be punished by fine or imprisonment or both. In addition, administrative action may be taken against such person to suspend his privileges of making or receiving further deliveries of materials or using facilities under priority or allocation control and deprive him of further priorities assistance.

NOTE: All reporting and record-keeping requirements of this part have been approved by the Bureau of Budget in accordance with the Federal Reports Act of 1942.

## TITLE 46—SHIPPING

### Chapter II—Federal Maritime Board, Maritime Administration, Department of Commerce

#### Subchapter F—Merchant Ship Sales Act of 1946

##### [Gen. Order 60, Amdt. 1 to Supp. 21]

#### PART 299—RULES AND REGULATIONS, FORMS, AND CITIZENSHIP REQUIREMENTS

##### SUBPART C—CHARTER OF WAR-BUILT VESSELS TO CITIZENS

###### NET VOYAGE PROFIT

Procedure to be followed by charterers in the rendition to the Commission (now Maritime Administration, Department of Commerce) of final accountings under WARSHIPDEMISEOUT 203 and SHIP-SALESEMISE 303 bare-boat charter agreements.

*It is ordered,* That § 299.37-4 *Net voyage profit* in subpart C of this chapter (General Order 60, Supplement 21) published in the FEDERAL REGISTER issue of March 30, 1950 (15 F. R. 1792) is hereby amended by adding at the end thereof two additional paragraphs which read as follows:

(d) *Adjustments in absence of physical inventories.* Except in instances where physical inventories satisfactory to the Owner were taken at the end of each accounting period with respect to which a separate determination of additional charter hire is required to be made,

(1) The value of the inventory of subsistence stores, consumable stores,

fuel, water, and slop chest items on board at the time of delivery of the vessel to the Charterer shall be charged in Account 060—Stores, Supplies and Equipment Aboard Vessels—and the value of the inventory of subsistence stores, consumable stores, fuel, water, and slop chest items on board at the time of redelivery of the vessel to the Owner shall be credited in the same account, and

(2) The difference between the value of such delivery inventory and the value of such redelivery inventory shall be distributed proportionately on a daily basis over the entire period commencing with the date of delivery of the vessel to the Charterer and ending with the date of its redelivery to the Owner,

*Provided*, That, if in any instance the application of this procedure produces a disproportionate result with respect to expenses chargeable to the first voyage following delivery of a vessel to the Charterer or the last voyage preceding its redelivery to the Owner, the Maritime Administration will determine in each

such instance the fair and reasonable basis for the allocation of the difference between the delivery and redelivery inventory.

For the purpose of this section, (i) the value of the delivery inventory shall be the price at which such inventory was purchased by the Charterer with the Owner, on delivery, and (ii) the value of the redelivery inventory shall be computed at the market price current at the port and the time of redelivery, unless the vessel is redelivered at a port other than the port of original redelivery pursuant to the terms of the addendum permitting the Owner, at its option, to require redelivery at a port other than the port of delivery, in which case the redelivery inventory shall be priced on the basis of the market price current at the original port of redelivery as at the time redelivery at such port would have been effected if the Owner had not exercised its option to change the port of redelivery. If, prior to redelivery, the Charterer notifies the Owner of its intention

to dispose thereof, the value of the redelivery inventory shall be deemed to be the net proceeds realized from the disposition of such inventory in accordance with Operations Regulation No. 127.

## ECONOMIC STABILIZATION AGENCY

### IRON AND STEEL MILL INDUSTRY

#### REQUEST FOR STABILIZATION OF PRICES

Pursuant to sections 402 and 708 of the Defense Production Act of 1950 (Pub. Law 774, 81st Congress) and sections 401 and 701 of Executive Order 10161 (15 F. Accordingly, the following request for the establishment of such program is hereby issued and published:

The Economic Stabilization Administrator and the Director of Price Stabilization hereby request that, until further notice from the Economic Stabilization Agency and while the Defense Production Act of 1950 is in effect, the members of the iron and steel mill industry make no increase in the price of the following materials over the price in effect on January 15, 1951, without first giving notice to the Economic Stabilization Agency twenty days in advance of the effective date of such increase:

1. The following carbon, stainless and other alloy steel products:

In determining the price in effect, the selling mill is requested not to change its customary business practices (such as price differentials for different classes of purchasers, customary allowances, terms and conditions of sale, and other settled business practices) in such a way as to increase the net return to the selling mill.

## ORDER PERMITTING DECLARATION TO BECOME EFFECTIVE

Southern Natural Gas Company ("Southern") a registered holding company, having filed a declaration and amendments thereto pursuant to section 7 of the Public Utility Holding Company Act of 1935 and Rules U-42 and U-50 promulgated thereunder, with respect to the following proposed transactions:

Southern proposes to issue and sell at competitive bidding, pursuant to Rule U-50, \$17,500,000 principal amount of its First Mortgage Pipe Line Sinking Fund Bonds -- percent Series due 1970 ("New Bonds") The coupon rate per annum for the New Bonds (to be a multiple of  $\frac{1}{8}$  of 1 percent) and the price, exclusive of accrued interest, to be received by Southern for the New Bonds (to be not less than 100 percent nor more than 102 $\frac{3}{4}$  percent of the principal amount of such New Bonds) are to be determined by the competitive bidding. It is proposed to issue the New Bonds under Southern's Indenture of Mortgage dated as of June 1, 1948, as modified by supplemental indentures including a proposed Supplemental Indenture to be dated as of December 1, 1950.

Southern further proposes to issue and sell without underwriting 155,346 additional shares of its common stock with a par value of \$7.50 per share ("New Stock") upon the exercise of transferable subscription warrants to be issued pro rata to Southern's stockholders in the ratio of one share of New Stock for each ten shares of present common stock held of record on January 30, 1951, at a price to be fixed by the Board of Directors of Southern. Such warrants will expire on February 16, 1951. Each warrant will also give the holder the additional privilege of subscribing, at the same price, for additional shares of New Stock, subject to allotment, out of the shares, if any, not taken for subscription on the basis described above.

Southern proposes to use the proceeds from the sale of the New Bonds and New Stock to prepay, at the principal amount plus accrued interest, its 2 percent notes due July 1, 1951, presently outstanding in the principal amount of \$20,000,000 (the previous sale of said notes having constituted temporary financing of Southern's construction program) and to provide additional construction funds.

plicable provisions of the act and the rules promulgated thereunder are satisfied and that no adverse findings are necessary, and deeming it appropriate in the public interest and in the interest of investors and consumers that said declaration, as amended, be permitted to become effective, subject to the terms and conditions specified below; and the Commission further deeming it appropriate to grant the request of the declarant that the Commission shorten the period provided by Rule U-50 for invitation of bids for the New Bonds so that bids may be opened on January 23, 1951, and that the order herein become effective forthwith;

*It is ordered*, Pursuant to Rule U-23 and the applicable provisions of the act, that the declaration, as amended, be, and the same hereby is, permitted to become effective forthwith, subject to the terms and conditions prescribed by Rule U-24 and to the further condition that the proposed issue and sale of New Bonds by Southern shall not be consummated until the results of competitive bidding, pursuant to Rule U-50, have been made a matter of record in these proceedings and a further order shall have been entered by the Commission in the light of the record so completed, which order shall contain such further terms and conditions as may then be deemed appropriate, jurisdiction being reserved for such purpose.

*It is further ordered*, That the ten-day notice period provided by Rule U-50, for invitation of bids, be, and the same hereby is, shortened to a period of not less than six days.

MALDEN AND MELROSE GAS LIGHT CO. ET AL.

NOTICE OF FILING

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 18th day of January A. D. 1951.

In the matter of Malden and Melrose Gas Light Company, New England Power Company, Southern Berkshire Power & Electric Company, File No. 70-2547.

Notice is hereby given that Malden and Melrose Gas Light Company ("Malden and Melrose") New England Power Company ("NEPCO") and Southern Berkshire Power & Electric Company ("Southern Berkshire") all subsidiaries of New England Electric System ("NEES") a registered holding company, have filed with this Commission separate declarations under section 7 of the Public Utility Holding Company Act of 1935.

Notice is further given that any interested person may, not later than January 29, 1951, at 12:30 p. m., e. s. t., request the Commission in writing that a hearing be held on such matter, stating the nature of his interest, the reasons for such request and the issues, if any, of fact or law raised by said declarations proposed to be controverted, or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after 12:30 p. m., e. s. t., January 29, 1951, said declarations, as filed or as amended, may be granted as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions as provided in Rules U-20 (a) and U-100 thereof.

All interested persons are referred to said declarations which are on file in the office of this Commission for a statement

of the transactions therein proposed, which are summarized as follows:

The three declarant companies propose during the three months ending March 31, 1951, to issue to certain banks, pursuant to bank letter agreements, notes in the aggregate amounts shown in

the following table. The table also shows, among other things, the maximum amounts of notes which may be outstanding at any one time under the bank letter agreements and the amounts of such notes outstanding at January 1, 1951.

	Amounts proposed to be issued up to Mar. 31, 1951	Outstanding Jan. 1, 1951	Maximum amounts which may be outstanding at any one time	Estimated amounts	
				To be retired by Mar. 31, 1951	To be outstanding Mar. 31, 1951
NEPCO.....	\$8,500,000	\$7,500,000	\$10,500,000	\$10,500,000	\$2,500,000
Malden and Melrose.....	100,000	800,000	1,000,000		200,000
Southern Berkshire.....	50,000	300,000	500,000		400,000

<sup>1</sup> NEPCO states that borrowings by that company would be reduced by \$1,500,000 in the event of a bond issue of \$12,000,000 principal amount, and the balance at Mar. 31, 1951, of notes payable would thereby be reduced to \$1,000,000.

Under the bank letter agreements (see Holding Company Act Releases Nos. 8253, 9527 and 10182) the notes proposed to be issued by NEPCO, like its notes presently outstanding, would bear interest at a rate of 2½ percent and mature May 31, 1951, and the notes proposed to be issued by Malden and Melrose and by Southern Berkshire, like the notes of these two companies presently outstanding, would bear interest at a rate of 2½ percent and mature May 31, 1951. NEPCO states that it has entered into a supplemental agreement extending its prior bank letter agreement from December 31, 1950, to March 31, 1951. The existing agreements of Malden and Melrose and of Southern Berkshire extend to May 31, 1951. Under each of the three agreements the commitment fee is ½ of 1 percent per annum of the average daily unborrowed balance of the commitment.

Each of the declarant companies proposes that if any permanent financing is done before the maturity of the notes issued under bank letter agreements, exclusive of permanent financing which replaces indebtedness to NEES, it will apply the proceeds therefrom in reduction of, or in total payment of, notes then outstanding, and the balance of such notes then unissued, if any, pursuant to the declarations herein, or to any order of this Commission with reference thereto, will be reduced by the amount, if any, by which such permanent financing exceeds the notes at the time outstanding. NEPCO states that it plans to issue \$12,000,000 of bonds, the proceeds of which it assumes will be realized early in March 1951, and it estimates that \$10,500,000 of such proceeds will be used to pay off its total bank debt then outstanding. NEPCO states that the balance of the proceeds, \$1,500,000 will be used to pay construction costs in March 1951 but, as it is estimated that a total of \$2,500,000 will be needed in that month, it will be necessary to borrow the balance of \$1,000,000.

The three declarant companies state that the proposed transactions have as their purpose the temporary financing of construction through March 31, 1951, or until such earlier time as permanent financing is arranged, and to replenish any depletion of working capital occasioned by construction of property already in progress. In connection with

the system program for financing the construction requirements of the subsidiaries of NEES, including, among other things, the maintenance by NEES of a reasonable equity base for the required senior financing, the declaration contains the same statement quoted in the order of this Commission dated October 27, 1950, in Beverly Gas and Electric Company et al., Holding Company Act Release No. 10182.

Expenses in connection with the proposed transactions, consisting of payments to be made to New England Power Service Company, an affiliated service company, for services to be performed at cost, are estimated by declarants as \$600 for NEPCO and \$200 each for Malden and Melrose and for Southern Berkshire. In addition NEPCO proposes to reimburse The First National Bank of Boston, as agent under the bank letter agreement for out-of-pocket expenses, including counsel fees, incurred in connection with the supplemental agreement, estimated to be \$200 and miscellaneous expenses, including printing, estimated to be \$100.

Declarants request that the Commission's orders herein become effective upon issuance.

By the Commission.

Secretary.

WEYMOUTH LIGHT AND POWER Co.

NOTICE OF FILING

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C., on the 18th day of January A. D. 1951.

Notice is hereby given that Weymouth Light and Power Company ("Weymouth") a subsidiary of New England Electric System ("NEES") a registered holding company, has filed with this Commission a declaration under section 7 of the Public Utility Holding Company Act of 1935.

Notice is further given that any interested person may, not later than January 29, 1951, at 5:30 p. m., e. s. t., request the Commission in writing that a hearing be held on such matter, stat-

ing the nature of his interest, the reasons for such request and the issues, if any, of fact or law raised by said declaration proposed to be controverted, or may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after January 29, 1951, said declaration as filed or as amended, may be permitted to become effective as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions as provided in Rules U-20 (a) and U-100 thereof.

All interested persons are referred to said declaration which is on file in the office of this Commission for a statement of the transactions therein proposed, which are summarized as follows:

Weymouth proposes to issue, up to and including March 31, 1951, notes due six months after the date of issue, as follows:

Granite Trust Co., Quincy, Mass.....	\$75,000
The First National Bank of Boston, Mass.....	75,000
	150,000

It is proposed that the notes bear interest at the rate of 2½ percent per annum and that, should the interest rate on any of the notes exceed such amount, Weymouth will file an amendment, stating the name of the bank, the amount of the note and the rate of interest, at least five days prior to the execution of said note, and unless the Commission notifies Weymouth to the contrary within said five days, the amendment will become effective at the end of such period.

Weymouth proposes to use such borrowings to reimburse its treasury for past construction expenditures and to pay for additional estimated construction to March 31, 1951. The declaration states that Weymouth contemplates the proposed borrowings as temporary in character pending the issuance of permanent securities to finance such expenditures. It is further stated that the notes proposed to be issued will constitute Weymouth's only indebtedness other than current indebtedness incurred in the ordinary course of business. In connection with the system program for financing the construction requirements of the subsidiaries of NEES, including, among other things, the maintenance by NEES of a reasonable equity base for the required senior financing, the declaration contains the same statement quoted in the order of this Commission dated October 27, 1950, in Beverly Gas and Electric Company et al., Holding Company Act Release No. 10182.

Expenses in connection with the proposed transactions, consisting of payments to be made to New England Power Service Company, an affiliated service company, for services to be performed at cost, are estimated by Weymouth not to exceed \$600.

The declaration states that no state commission has jurisdiction over the proposed transactions.

Weymouth requests that the Commission's order herein become effective upon its issuance.

By the Commission.

Secretary.
