Such employers and organizations, and persons employed by either of them, shall not be subject to the Act of Congress approved March 3, 1917 (39 Stat. 1106, ch. 163, sec. 1).

(i) The Board may establish, maintain, and operate free employment offices, and may designate as free employment offices facilities maintained by (i) a railway labor organization which is duly authorized and designated to represent employees in accordance with the Railway Labor Act, or (ii) any other labor organization which has been or may be organized in accordance with the provisions of the Railway Labor Act, or (iii) one or more employers, or (iv) an organization of employers, or (v) a group of such employers and labor organizations, or (vi) a State, Territorial, foreign, or the Federal Government. Exclusiveness of provisions; transfers from State unemployment compensation accounts, etc.

SEC. 13. (a) Effective July 1, 1939, section 907 (c) of the Social Security Act is hereby amended by substituting a semicolon for the period at the end thereof, and by adding: "(8) service performed in the employ of an employer as defined in the Railroad Unemployment Insurance Act and service performed as an employee representative as defined in said Act."

(b) By enactment of this Act the Congress makes exclusive provision for the payment of unemployment benefits for unemployment occurring after June 30, 1939, based upon employment (as defined in this Act). No employee shall have or assert any right to unemployment benefits under an unemployment compensation law of any State with respect to unemployment occurring after June 30, 1939, based upon employment (as defined in this Act). The Congress finds and declares that by virtue of the enactment of this Act, the application of State unemployment compensation laws after June 30, 1939, to such employment, except pursuant to section 12 (g) of this Act, would constitute an undue burden upon, and an undue interference with the effective regulation of, interstate commerce. In furtherance of such determination, after June 30, 1939, the term "person" as used in section 906 of the Social Security Act shall not be construed to include any employer (as defined in this Act) or any

ployed employees; and to these ends to carry on and publish the results of investigations and research studies.

(1) In addition to the powers and duties expressly provided, the Board shall have and exercise all the powers and duties necessary to administer or incidental to administering this Act, and in connection therewith shall have such of the powers, duties, and remedies provided in section 10 (b) (4) of the Railroad Retirement Act of 1937, with respect to the administration of said Act, as are not inconsistent with the express provisions of this Act. A person in the employ of the Board under section 205 of the Act of Congress approved June 24, 1937 (50 Stat. 307), shall acquire a competitive classified civil-service status if, after recommendation by the Board to the Civil Service Commission, he shall pass such noncompetitive tests of fitness as the Civil Service Commission may prescribe.

The Board may employ such persons and provide for their remuneration and expenses, as may be necessary for the proper administration of this Act. Such persons shall be employed and their remuneration prescribed in accordance with the civil-service laws and the Classification Act of 1923, except that the Board may fix the salary of a Director of Unemployment Insurance at $10,000 per annum: Provided, That in the employment of such persons the Board shall give preference, as between applicants attaining the same grades, to persons who have had experience in railroad service, and notwithstanding any other provisions of law, rules, or regulations, no other preference shall be given or recognized; And provided further, That certification by the Civil Service Commission of persons for appointment to any positions at minimum salaries of $4,600 per annum, or less, shall, if the Board so requests, be upon the basis of competitive examinations, written, oral, or both, as the Board may request.

(m) The Board is authorized to delegate to any member, officer, or employee of the Board any of the powers conferred upon the Board by this Act, excluding only the power to prescribe rules and regulations.

(c) The Social Security Board is hereby directed to determine for each State, after agreement with the Railroad Retirement Board, and after consultation with such State; the total (hereinafter referred to as the "preliminary amount") of (i) the amount remaining as the balances of reserve accounts of employers as of June 30, 1939, if the unemployment compensation law of such State provides for a type of fund known as "Reserve Accounts", plus (ii) if the unemployment compensation law of such State provides for a type of fund known as "Pooled Fund" or "Pooled Account", that proportion of the balance of such fund or account of such State as of June 30, 1939, as the amount of taxes or contributions collected from employers and their employees prior to July 1, 1939, pursuant to its unemployment compensation law and credited to such fund or account bears to all such taxes or contributions theretofore collected from all persons subject to its unemployment compensation law and credited to such fund or account; and the additional amounts (hereinafter referred to as the "liquidating amount") of taxes or contributions collected from employers and their employees from July 1, 1939 to December 31, 1939, pursuant to its unemployment compensation law.

(d) The Social Security Board shall withhold from certification to the Secretary of the Treasury for payment the amounts determined by it pursuant to section 302 (a) of the Social Security Act to be necessary for the proper administration of each State's unemployment-compensation law, until an amount equal to its "preliminary amount" plus interest from July 1, 1939, at 2½ per centum per annum on such portion thereof as has not been used as the measure for withholding certification for payment, has been so withheld from certification pursuant to this paragraph: Provided, however, That if a State shall, prior to whichever is the later of (i) thirty days after the close of the first regular session of its legislature which begins after the approval of this Act, and (ii) July 1, 1939, authorize and direct the Secretary of the Treasury to transfer from its account in the unemployment trust fund to the railroad unemployment-compensation account in the unemployment trust fund an amount equal to its "preliminary amount", no amount shall be withheld from certification for payment to such State pursuant to this paragraph.

Provided, however, That if a State shall, prior to whichever is the later of (i) thirty days after the close of the first regular session of its legislature which begins after the approval of this Act, and (ii) January 1, 1940, authorize and direct the Secretary of the Treasury to transfer from its account in the unemployment trust fund to the railroad unemployment compensation account in the unemployment trust fund an amount equal to its "liquidating amount", no amount shall be withheld from certification for payment to such State pursuant to this paragraph.

The withholdings from certification directed in each of the foregoing paragraphs of this subsection shall begin with respect to each State when the Social Security Board finds that such State is unable to avail itself of the condition set forth in the proviso contained in such paragraph.

(e) The transfers described in the provisos contained in the several paragraphs of subsection (d) of this section shall not be deemed to constitute a breach of the conditions set forth in sections 303 (a) (5) and 903 (a) (4) of the Social Security Act; nor shall the withdrawal by a State from its account in the unemployment trust fund of amounts, but not to exceed the total amount the Social Security Board shall have withheld from certification with respect to such State pursuant to subsection (d) of this section, be deemed to constitute a breach of the conditions set forth in sections 303 (a) (5) and 903 (a) (4) of the Social Security Act, provided the moneys so withdrawn are expended solely for expenses which the Social Security Board determines to be necessary for the proper administration of such State's unemployment compensation law.

(f) The Social Security Board is authorized and directed to certify to the Secretary of the Treasury for payment, and the Secretary shall pay, into the railroad unemployment insurance account, such amounts as the Social Security Board withholds from certification pursuant to subsection (d) of this section and the appropriations authorized in section 301 of the Social Security Act shall be available for payments authorized by this subsection. The Secretary shall transfer from the account of a State in the unemployment trust fund to the railroad unemployment insurance account in the unemployment trust fund such amounts as the State authorizes and directs him so to transfer pursuant to subsection (d) of this section.

(g) Section 303 of the Social Security Act is hereby amended by adding thereto the following additional subsection:

"(c) The Board shall make no certification for payment to any State if it finds, after reasonable notice and opportunity for hearing to the State agency charged with the administration of the State law—

"(1) That such State does not make its records available to the Railroad Retirement Board, and furnish to the Railroad Retirement Board at the expense of the Railroad Retirement Board such copies thereof as the Railroad Retirement Board deems necessary for its purposes; or

"(2) That such State is failing to afford reasonable cooperation with every agency of the United States charged with the administration of any employment insurance law."

AN ACT

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That subdivision (14) of section 2 of the Longshoremen's and Harbor Workers’ Compensation Act be, and it is hereby, amended to read as follows:

“(14) ‘Child’ shall include a posthumous child, a child legally adopted prior to the injury of the employee, a child in relation to whom the deceased employee stood in loco parentis for at least one year prior to the time of injury, and a stepchild or acknowledged illegitimate child dependent upon the deceased, but does not include married children unless wholly dependent on him. ‘Grandchild’ means a child as above defined of a child as above defined. ‘Brother’ and ‘sister’ include stepbrothers and stepsisters, half brothers and half sisters, and brothers and sisters by adoption, but does not include married brothers nor married sisters unless wholly dependent on the employee. ‘Child’, ‘grandchild’, ‘brother’, and ‘sister’ include only persons who are under eighteen years of age, and also persons who, though eighteen years of age or over, are wholly dependent upon the deceased employee and incapable of self-support by reason of mental or physical disability.”

"(a) The employer shall furnish such medical, surgical, and other attendance or treatment, nurse and hospital service, medicine, crutches, and apparatus for such period as the nature of the injury or the process of recovery may require. If the employer fails to provide the same, after request by the injured employee, such injured employee may do so at the expense of the employer. The employee shall not be entitled to recover any amount expended by him for such treatment or services unless he shall have requested the employer to furnish the same and the employer shall have refused or neglected to do so, or unless the nature of the injury required such treatment and services and the employer or his superintendent or foreman having knowledge of such injury shall have neglected to provide the same; nor shall any claim for medical or surgical treatment be valid and enforceable, as against such employer, unless within twenty days following the first treatment the physician giving such treatment furnish to the employer and the deputy commissioner a report of such injury and treatment, on a form prescribed by the Commission. The deputy commissioner may, however, excuse the failure to furnish such report within twenty days when he finds it to be in the interest of justice to do so, and he may, upon application by a party in interest, make an award for the reasonable value of such medical or surgical treatment so obtained by the employee. If at any time during such period the employee unreasonably refuses to submit to medical or surgical treatment, the deputy commissioner may, by order, suspend the payment of further compensation during such time as such refusal continues, and no compensation shall be paid at any time during the period of such suspension, unless the circumstances justified the refusal."

Section 3. That section 7 of said Act, as amended, be, and it is hereby, further amended by adding thereto the following new subdivision:

"(d) The liability of an employer for medical treatment as herein provided shall not be affected by the fact that his employee was injured through the fault or negligence of a third party, not in the same employment, unless and until notice of election to sue has been given as required by section 33 (a) or suit has been brought against such third party without the giving of such notice. The employer shall, however, have a cause of action against such third party to recover any amounts paid by him for such medical treatment in like manner as provided in section 33 (b) of this Act."

Section 5. That section 8 of said Act, as amended, be, and it is hereby, further amended by adding thereto the following new subdivisions:

missioner may, in the interest of justice, fix such wage-earning capacity as shall be reasonable, having due regard to the nature of his injury, the degree of physical impairment, his usual employment, and any other factors or circumstances in the case which may affect his capacity to earn wages in his disabled condition, including the effect of disability as it may naturally extend into the future.

“(i) In cases under subdivision (c) (21) and subdivision (e) of this section, whenever the deputy commissioner determines that it is for the best interests of an injured employee entitled to compensation, he may, with the approval of the Commission, approve agreed settlements of the interested parties, discharging the liability of the employer for such compensation, notwithstanding the provisions of section 15 (b) and section 16 of this Act: Provided, That the sum so agreed upon shall be payable in installments as provided in section 14 (b), which installments shall be subject to commutation under section 14 (j): And provided further, That if the employee should die from causes other than the injury after the Commission has approved an agreed settlement as provided for herein, the sum so approved shall be payable, in the manner prescribed in this subdivision, to and for the benefit of the persons enumerated in subdivision (d) of this section.”

The deputy commissioner having jurisdiction over the claim may, in his discretion, require the appointment of a guardian for the purpose of receiving the compensation of a minor child. In the absence of such a requirement the appointment of a guardian for such purposes shall not be necessary.

“(c) If there be a surviving child or children of the deceased, but no surviving wife or dependent husband, then for the support of each such child 15 per centum of the wages of the deceased: Provided, That the aggregate shall in no case exceed 66⅔ per centum of such wages.

“(d) If there be no surviving wife or dependent husband or child or if the amount payable to a surviving wife or dependent husband and to children shall be less in the aggregate than 66⅔ per centum of the average wages of the deceased; then for the support of grandchildren or brothers and sisters, if dependent upon the deceased at the time of the injury, 15 per centum of such wages for the support of each such person and for the support of each parent, or grandparent, of the deceased if dependent upon him at the time of the injury, 25 per centum of such wages during such dependency. But in no case shall the aggregate amount payable under this subdivision exceed the difference between 66⅔ per centum of such wages and the amount payable as hereinbefore provided to surviving wife or dependent husband and for the support of surviving child or children.”
Sec. 7. That subdivision (f) of section 14 of said Act be, and it is hereby, amended to read as follows:

"(f) If any compensation, payable under the terms of an award, is not paid within ten days after it becomes due, there shall be added to such unpaid compensation an amount equal to 20 per centum thereof, which shall be paid at the same time as, but in addition to, such compensation, unless review of the compensation order making such award is had as provided in section 21 and an interlocutory injunction staying payments is allowed by the court as provided therein."

Sec. 8. That section 17 of said Act be, and it is hereby, amended to read as follows:

"Sec. 17. Any person entitled to compensation under the provisions of this Act shall have a lien against the assets of the carrier or employer for such compensation without limit of amount, and shall, upon insolvency, bankruptcy, or reorganization in bankruptcy proceedings of the carrier or employer, or both, be entitled to preference and priority in the distribution of the assets of such carrier or employer, or both."

Sec. 202. For all purposes of this Act a complete enlistment during minority shall be counted as four years' service and any enlistment terminated within three months prior to the expiration of the term of such enlistment shall be counted as the full term of service for which enlisted: Provided, That all transfers from the Regular Navy to the Fleet Naval Reserve or to the Fleet Reserve, and all transfers of members of the Fleet Naval Reserve or the Fleet Reserve to the retired list of the Regular Navy, heretofore or hereafter made by the Secretary of the Navy, shall be conclusive for all purposes, and all members so transferred shall, from the date of transfer, be entitled to pay and allowances, in accordance with their ranks or ratings and length of service as determined by the Secretary of the Navy: Provided further, That the Secretary of the Navy, upon discovery of any error or omission in the service, rank, or rating for transfer or retirement, is authorized to correct the same and upon such correction the person so transferred or retired shall be entitled to pay and allowances, in accordance with his rank or rating and length of service as determined by the Secretary of the Navy.

each grade or rank, as may be prescribed from time to time by the Secretary of the Navy, and when so advanced they shall take precedence among themselves and with other officers of the Navy and Marine Corps, in accordance with date of such advancement or promotion: Provided, That no officer of the Naval Reserve or the Marine Corps Reserve shall be advanced to a higher rank until he has qualified therefor by such mental, moral, professional, and physical examinations as the Secretary of the Navy may prescribe: Provided further, That all officers of the Naval Reserve and the Marine Corps Reserve who may be advanced to a higher grade or rank under the provisions of this title shall be allowed the pay and allowances of the higher grade or rank from the dates of rank stated in their commissions: And provided further, That the provisions of this section shall not apply to officers who have been or may hereafter be retired from the Naval or Marine Corps Reserve Force or the Naval or Marine Corps Reserve.

Sec. 2. Notwithstanding the provisions of section 1 of this Act the Administrator of Veterans’ Affairs is hereby authorized as hereinafter in this Act provided and limited to dispose of the personal property of such decedent left or found upon such premises.

(a) If any veteran (admitted as a veteran), upon his last admission to, or during his last period of maintenance in, a Veterans’ Administration facility shall have designated in writing a person (natural or corporate) to whom he desires his personal property situated upon such facility to be delivered, upon the death of such veteran the Administrator of Veterans’ Affairs or employee of the Veterans’ Administration authorized by him so to act, may transfer possession of such personal property to the person so designated. If there exists no person so designated by the veteran or if the one so designated declines to receive such property, or if he has failed to request such property within ninety days after the Veterans’ Administration mails to such designate a notice of death and of the fact of such designation, a description of the property, and an estimate of transportation cost, which shall be paid by such designate if required under the regulations hereinafter mentioned, or if the Administrator declines to transfer possession to such designate, possession of such property may in the discretion of the Administrator of Veterans’ Affairs, or his designated subordinate, be transferred to the following persons in the order and manner herein specified unless the parties otherwise agree as in this Act provided, namely, executor or administrator, or, if no notice of appointment received, to the widow (or widower), child, grandchild, mother, father, grandmother, grandfather, brother, or sister of the veteran. In case two or more of those named above request the property, only one shall be entitled to possession thereof and in the order hereinbefore set forth, unless they otherwise agree in writing delivered to the Veterans’ Administration. If claim be made by two or more such relatives having equal priorities, as hereinabove prescribed, or if there be conflicting claims the Administrator of Veterans’ Affairs or his designated subordinate may in such case select the one to receive such possession, or may make delivery as may be agreed upon by those entitled, or may in his discretion withhold delivery from them and require the qualification of an administrator or executor of the veteran’s estate and thereupon make delivery to such.

(b) If the property of any decedent is not so delivered or claimed and accepted the Administrator of Veterans’ Affairs or the employee authorized by him may dispose of such property by public or private sale in accordance with the provisions of this Act and regulations to be prescribed by the Administrator of Veterans’ Affairs pursuant hereto.

(c) All sales authorized by this Act shall be for cash upon delivery at the premises where sold and without warranty, express or implied. The proceeds of such sales after payment of any expenses incident thereto as may be prescribed by regulations, together with any other moneys left or found on a facility, not disposed of in accordance with this Act, shall be credited to the general post fund, National Homes,
Veterans' Administration, a trust fund provided for in Public Law Numbered 473, Seventy-third Congress, section 20 (45), June 26, 1934 (U. S. C., title 31, sec. 725s). In addition to the purposes for which the said fund may be used under the existing law, disbursements may be made therefrom as authorized by the Administrator of Veterans' Affairs by regulation or otherwise for the purpose of satisfying any legal liability incurred by any employee in administering the provisions of this Act, including any expense incurred in connection therewith: Provided, That legal liability shall not exist when delivery or sale shall have been made in accordance with this Act.

(d) If, notwithstanding such sale, a claim is filed with the Administrator of Veterans' Affairs, within five years after notice of sale as herein required, by or on behalf of any person or persons who if known would have been entitled to the property under section 1 or to possession thereof under section 2 of this Act, the Administrator shall determine the person or persons entitled under the provisions of this Act and may pay to such person or persons so entitled the proceeds of sale of such property, less expenses. Such payment shall be made out of the said trust fund, and in accord with the provisions of section 1 or 2 of this Act: Provided, That persons under legal disability to sue in their own name may make claim for the proceeds of sale of such property at any time within five years after termination of such legal disability.

(e) Any such property, the sale of which is authorized under this Act and which remains unsold, may be used, destroyed, or otherwise disposed of in accordance with regulations to be promulgated by the Administrator of Veterans' Affairs.

Sec. 3. All persons having or bringing personal property on the premises of a Veterans' Administration facility shall be given reasonable notice of the provisions of this Act. In case of a mentally incompetent person, notice hereof shall be given the guardian or other person having custody or control of such person or, if none, to his nearest relative if known. The admission to or continued maintenance in such facility after reasonable notice of the provisions of this Act shall constitute consent to the provisions hereof. The death of any person on any such facility or the leaving of property thereon shall be prima facie evidence of a valid agreement for the disposition of such property in accordance with the provisions of this Act.

Sec. 4. Any other unclaimed property found on the premises under the control of the Veterans' Administration shall be stored by the officer in charge of such premises and may be sold, used, destroyed, or otherwise disposed of in accordance with regulations to be promulgated by the Administrator of Veterans' Affairs if the owner thereof fails to claim same within ninety days. If undisposed of the same may be reclaimed by the owner, his personal representative or next of kin, upon payment of reasonable storage charges to be prescribed by regulations. If sold, the net proceeds thereof shall be credited to said post fund to be expended as other assets of such fund: Provided, however, That the person who was entitled to such property, or his legal representative, or assignee, shall be paid the proceeds of sale thereof, less expenses if claim therefor be made within five years from the date of finding. If the owner shall have died intestate without creditors or next of kin surviving, such proceeds shall not be paid to his legal representative.

Sec. 5. Any unclaimed personal property as described in section 2 of this Act of veterans who have heretofore died or who may hereafter die while maintained as such in a national home for disabled volunteer soldiers, or a United States Veterans' Bureau hospital, or a Veterans'
Administration facility, and also any unclaimed property heretofore or hereafter found or situated in such home, hospital, facility, or supply depot may be sold, used, destroyed, or otherwise disposed of in accordance with this Act, and subject to regulations promulgated by the Administrator of Veterans’ Affairs pursuant hereto; and the net proceeds of sale thereof shall be credited and be subject to disbursement as in this Act prescribed.

Sec. 6. At least ninety days prior to any sale pursuant to this Act, written or printed notice thereof describing the property to be sold shall be mailed to the owner of the property or, if deceased, to his executor or administrator, or to the nearest kin, if any such appear by the records of the Veterans’ Administration. If none such appears from said records, similar notice shall be posted at the facility where the death occurred or property shall have been found (if in existence) and at the place where such property is situated at the time of such notice, and also at the place where probate notices are posted in the county wherein the sale is to be had. The person posting such notice shall make an affidavit setting forth the time and place of such posting and attaching thereto a copy of such notice, and such affidavit shall be prima facie evidence of such posting and admissible in evidence as proof of the same.

Sec. 7. Upon receipt of a proper claim for such property under the provisions of this Act the Administrator of Veterans’ Affairs is hereby authorized, in his discretion and in accordance with regulations to be by him promulgated, to pay mailing or shipping charges not to exceed $10 in the case of each deceased veteran as hereinabove defined, such payments to be made from the appropriation for Salaries and Expenses, Veterans’ Administration.

Sec. 8. Subject to the provisions of this Act and to the extent necessary to effectuate the purposes of this Act, there is hereby relinquished to the respective State, Territory, insular possession, or dependency of the United States such jurisdiction pertaining to the administration of estates of decedents as may have been ceded to the United States by said State, Territory, insular possession, or dependency of the United States respecting the Federal reservation on which is situated any Veterans’ Administration facility while such facility is operated by the Veterans’ Administration; such jurisdiction with respect to any such property on any such reservation to be to the same extent as if such premises had not been ceded to the United States: Provided, however, That nothing in this section shall be construed to deprive any said State, Territory, insular possession, or dependency of the United States of any jurisdiction which it now has not to give any State, Territory, insular possession, or dependency of the United States authority over any Federal official as such on such premises or otherwise.

Sec. 9. The term “facility” or “Veterans’ Administration facility” as used in this Act shall mean those facilities over which the Veterans’ Administration has direct and exclusive administrative jurisdiction, including hospitals or other facilities on property owned or leased by the United States while operated by the Veterans’ Administration.

Sec. 10. The Administrator of Veterans’ Affairs is authorized to promulgate such regulations, not inconsistent with this Act, as may be appropriate to effectuate the provisions hereof. Decisions by the Administrator of Veterans’ Affairs, or any person acting for him pursuant to specific or general delegated authority, under the provisions of this Act, shall not be reviewable administratively by any other officer of the United States.

Sec. 11. If any provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of the
Act, and the application of such provision to other persons or circumstances, shall not be affected thereby.

Approved, June 25, 1938.

(b) Any such mortgages not purchased by Reconstruction Finance Corporation may be sold by the United States Housing Corporation pursuant to rules and regulations adopted under the provisions of section 13 (b) hereof.

(c) The funds received by the United States Housing Corporation from the sales provided for in sections 10 and 13 hereof, from any collections on mortgages executed and delivered pursuant to section 11 hereof, and from any sales of such mortgages authorized by said section 11, shall be used to clear any liens described in clause (c) of section 10, and to pay any special expenses incurred by the United States Housing Corporation in carrying out the provisions of this Act, including title expenses, recordation costs, and any expenses of the application to Federal Housing Administrator for insurance pursuant to section 11 hereof, and the remainder may, in the discretion of the Secretary of the Treasury and the Reconstruction Finance Corporation and pursuant to the rules and regulations promulgated under section 13 (b) hereof, be paid to the city of New Brunswick, New Jersey, for municipal and school service rendered to the Lincoln Gardens area and the residents thereof prior to the date of the sale of such property as provided in section 10.

"Sec. 13. (a) Anyone who fails or refuses to execute a release to the Corporation as provided in section 9 hereof, for any reasons whatsoever, within ninety days after the date such section takes effect, shall be ineligible to receive the benefits of sections 9 to 11, inclusive, of this Act, and the Corporation shall cause such proceedings to be instituted as may be appropriate to enforce the rights of the United States and if necessary, to divest anyone of any interest which may have been acquired in any property in the Lincoln Gardens project, and sell the property so recovered at public or private sale. The Corporation may, however, in its discretion, extend such time for a further period of not to exceed ninety days.

AN ACT

Relating to the levying and collecting of taxes and assessments, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That any property owner aggrieved by any special assessment levied by the District of Columbia for any public improvement, other than a special assessment levied by a jury in a condemnation proceeding, may, within sixty days after service of notice of such assessment as provided in section 3 hereof, file with the Commissioners of the District of Columbia a protest in writing against such assessment setting forth specifically the grounds of such protest and may request a hearing thereon. No ground of protest not specifically set forth need be considered by the Commissioners. If a hearing is requested the same shall be held, in the discretion of the Commissioners, either before them or before one or more agents designated by them. At such hearing, physical facts which may be ascertained by view may be considered whether proven or not. If the hearing is held before an agent or agents, such agent or agents shall report in writing to the Commissioners the substance
of the evidence taken and the arguments made at the hearing, together with the findings (which may include a statement of any physical facts not proven at the hearing but which may be ascertained by view) and the recommendations of such agent or agents. A copy of such report, findings, and recommendations shall be mailed to the protestant ten days before being presented to the Commissioners, and the protestant may, before such report, findings, and recommendations are presented to the Commissioners, file with such agent or agents exceptions to such report and findings, which exceptions shall be presented to the Commissioners with such report, findings, and recommendations. If the Commissioners find that the property of the owner so protesting is not benefited by the improvement for which said assessment is levied, or is benefited less than the amount of such assessment or is unequally or inequitably assessed with relation to other property abutting such improvement, said Commissioners shall abate, reduce, or adjust such assessment in accordance with such findings. In computing the time hereinafter provided in which a special assessment may be paid without interest there shall be excluded therefrom the time between the date of the filing of any such protest and the date of mailing notice of the action thereon by the Commissioners. This section shall be effective only as to assessments levied for work completed subsequent to the passage and approval of this Act.

Sec. 2. The Commissioners of the District of Columbia are authorized, but not directed, whenever in their judgment and discretion any property upon which a special assessment has been levied by the District of Columbia is not benefited by the improvement for which such special assessment was levied, or is benefited less than the amount of such assessment, or is unequally or inequitably assessed with relation to other property abutting such improvement, to abate, reduce, or adjust such assessment in accordance with such finding. This section shall not apply to any assessment levied by a jury in a condemnation proceeding, or to any assessment levied for work completed subsequent to the passage and approval of this Act, or to any assessment levied under the Act of Congress entitled "An Act to provide for special assessments for the paving of roadways and the laying of curbs and gutters", approved February 20, 1931: Provided, however, That nothing in this section shall be construed as affecting protests filed under the provisions of said Act of February 20, 1931, within the time prescribed in said Act.

Sec. 3. (a) When any special assessment for a public improvement, with the exception of assessments levied in condemnation proceedings, is levied by the District of Columbia upon any lot or parcel of land, notice of the levying of such assessment shall be served upon the record owner thereof in the manner herein provided and if there be more than one record owner of such lot or parcel of land notice served on one of the owners shall be sufficient. If the address of the owner be unknown or if the owner be a nonresident, such notice shall be served on his tenant or agent. The service of such notice shall be either personal or by leaving the same with some person of suitable age at the residence or place of business of such owner, agent, or tenant. If there be no tenant or agent known to the Commissioners, then they shall give notice of such assessment by advertisement once a week for two successive weeks in some daily newspaper of general circulation published in the District of Columbia. The cost of such publication shall be paid out of the general revenues of the District. The notice herein provided for shall be in lieu of any and all other notice now required by law.

This subsection shall apply to all assessments (other than assessments in condemnation proceedings) notice of which has not been served prior to the approval of this Act.
(b) All special assessments authorized to be levied by the District of Columbia for public improvements, with the exception of assessments levied in condemnation proceedings, may be paid without interest within sixty days from the date of service of notice or of the last publication of notice as the case may be. Interest of one-half of 1 per centum for each month or part thereof shall be charged on all unpaid amounts from the expiration of sixty days from the date of service or last publication as the case may be. Any such assessment may be paid in three equal installments with interest thereon. If any such assessment or any part thereof shall remain unpaid after the expiration of two years from date of service of notice or last publication of notice as the case may be, the property against which such assessment was levied may be sold for such assessment or unpaid portion thereof with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if said assessment with interest and penalties thereon shall not have been paid in full prior to said sale.

This subsection shall apply only to assessments for public improvements completed subsequent to the date of the approval of this Act, and assessments for public improvements completed on or before the date of the approval of this Act shall be levied and collected and bear interest as if this Act had not been passed, except that where service sewers or water mains, or both, have been laid prior to the approval of this Act, but assessments therefor have not been levied for the reason that the property abutting the street, avenue, road, or alley in which the service sewer or water main is laid has not been subdivided, assessments for such sewers or water mains, or both, levied after the approval of this Act because of the subdivision of the property or its connection with the sewer or water main, or both, shall be levied, collected, and bear interest as provided in this subsection.

Sec. 4. Special assessments authorized to be levied in condemnation proceedings instituted by the District of Columbia may be paid without interest within sixty days after the ratification or confirmation of the verdict of the jury. Interest of one-third of 1 per centum for each month or part thereof shall be charged on all unpaid amounts from the expiration of sixty days from the date of the ratification or confirmation of the verdict of the jury. Any such assessment may be paid in five equal installments with interest thereon. If any such assessment or any part thereof shall remain unpaid after the expiration of four years from the date of the ratification or confirmation of the verdict of the jury the property against which said assessment was levied may be sold for such assessment or unpaid portion thereof with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if said assessment with interest and penalties thereon shall not have been paid in full prior to said sale. This section shall apply only to assessments ratified or confirmed by the court after the date of the approval of this Act and assessments ratified or confirmed on or before the date of the approval of this Act shall be levied and collected and bear interest as if this Act had not been passed.

Sec. 5. All assessments authorized to be levied by the District of Columbia to reimburse it for money expended in the removal of nuisances shall bear interest at the rate of one-half of 1 per centum per month or part thereof from the date such assessment was levied. If any such assessment shall remain unpaid after the expiration of sixty days from the date such assessment was levied the
property against which such assessment was levied may be sold for such assessment with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if such assessment with interest and penalties thereon shall not have been paid in full prior to said sale.

Sec. 6. in the operation, maintenance, use, or by reason of the defective construction of such motor cabs or other vehicles. Any such bond or undertaking or policy of liability insurance shall be in such form and on such terms or conditions as the Commission may direct. Provided, That such bond or policy may limit the liability of the surety or insurer on any one judgment to $5,000 for bodily injuries or death and $1,000 for damage to or destruction of property, and all judgments recovered upon claims arising out of the same subject of action to $10,000 for bodily injuries or death and $1,000 for damages to or destruction of property, to be apportioned ratably among the judgment creditors according to the amount of their respective judgments. Any such policy of liability insurance shall be issued only by such insurance companies as may have been authorized to do business in the District of Columbia, and any such bond or undertaking shall be secured by a corporate surety approved by the Superintendent of Insurance of the District of Columbia. The Superintendent of Insurance of the District of Columbia shall be empowered to make all reasonable rules and regulations relating to the writing of taxicab insurance and shall be empowered to govern the maximum rates to be charged on such insurance. It shall be unlawful to operate any vehicle subject to the provisions of this paragraph unless such vehicle shall be covered by an approved bond or policy of liability insurance as provided herein. The Public Utilities Commission shall have the power to make all reasonable rules and regulations which, in its opinion, are necessary to make effective the purposes of this section.

Any owner of a public vehicle required hereby to file a bond or policy of insurance may, in lieu thereof:

(a) File with the Public Utilities Commission a blanket bond, or a blanket policy of liability insurance, in an amount to be approved by said Commission, but not to exceed $75,000, conditioned as required by this Act, and covering all vehicles lawfully displaying the trade name or identifying design of any individual, association, company or corporation.

(b) Create and maintain a sinking fund in such amount as the Public Utilities Commission may require, but not in excess of $75,000, and deposit the same, in trust, for the payment of any judgment recovered against such owner, as provided in this Act, with such person, official or corporation as said Commission shall designate.

Provided, That should any such owner elect to comply with the provisions of paragraphs (a) or (b) of this section, such owner shall first file with the Public Utilities Commission an admission of liability, in conformity with the principle of respondent superior for the tortious acts of the driver or drivers of such vehicle or vehicles aforesaid as shall be driven with the trade name or identifying design of such owner.

Any cash or collateral deposit and/or any sinking fund herein provided for shall be exempt from attachment or levy for any obligation or liability of the depositor thereof, save as herein provided.

Within the meaning of this paragraph, the word "owner" shall include any corporation, company, association, joint stock company or association, partnership or person, and the lessees, trustees or receivers appointed by any court whatsoever, permitting his, their or its trade name and/or identifying design to be displayed upon vehicles governed by this Act.
Any violation of this section or of the regulations lawfully promulgated thereunder shall be deemed a misdemeanor and upon conviction shall be punishable by a fine of not more than $300 or by imprisonment for not more than ninety days, and/or cancelation of license.

This Act shall become effective sixty days after final passage. Approved, June 29, 1938.

There is hereby authorized to be appropriated such sums as may be necessary to carry out the provisions of this Act. AN ACT

Authorizing the Port Authority of Duluth, Minnesota, and the Harbor Commission of Superior, Wisconsin, to construct a highway bridge across the Saint Louis River from Rice’s Point in Duluth, Minnesota, to Superior in Wisconsin.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to facilitate interstate commerce, improve the postal service, and provide for military and other purposes the Port Authority of Duluth, Minnesota, and the Harbor Commission of Superior, Wisconsin, their successors and assigns, are hereby authorized to construct, maintain, and operate a highway bridge and approaches thereto over and across the Saint Louis River from the lower end of Rice’s Point in Duluth, Minnesota, to the vicinity of the lower end of Banks Avenue extended to the shore line in Superior, Wisconsin, in accordance with the provisions of the Act entitled “An Act to regulate the construction of bridges over navigable waters”, approved March 23, 1906, and subject to the conditions and limitations contained in this Act.

Sec. 2. There is hereby conferred upon the Port Authority of Duluth, Minnesota, and the Harbor Commission of Superior, Wisconsin, all such rights and powers to enter upon lands and to acquire, condemn, occupy, possess, and use real estate and other property needed for the location, construction, operation, and maintenance of such bridge and its approaches as are possessed by railroad corporations for railroad purposes or by bridge corporations for bridge purposes in the State in which real estate or other property is situated, upon making a just compensation therefor, to be ascertained and paid according to the laws of such State, and the proceedings therefor shall be the same as in the condemnation or expropriation of property for public purposes in such State.

Sec. 3. Notwithstanding any restriction or limitation imposed by the Act entitled “An Act to provide that the United States shall aid the States in the construction of rural post roads, and for other purposes”, approved July 11, 1916, or by the Federal Highway Act, or by any Act amendatory of or supplemental to either thereof, the Secretary of Agriculture may extend Federal aid under such Acts, for the construction of said bridge, out of any moneys allocated to the State of Minnesota with the consent of the department of highways of said State, and out of any moneys allocated to the State of Wisconsin, with the consent of the department of highways of said State: Provided, That notwithstanding any of the provisions of this Act, the port authorities shall have full power and authority to negotiate and enter into a contract or contracts with the State Highway Commission of the State of Wisconsin and the State Highway Commission of the State of Minnesota, or with either of them, or with any other public body, whereby the port authorities may receive financial aid in the construction of the bridge and approaches thereto, and the
port authorities may make and enter into any contract or contracts which they deem expedient and proper with both the said State highway commissions or either of them whereby both said State highway departments or either of them may construct, operate, and maintain, or participate with the port authorities in the construction, operation, and maintenance of said bridge and approaches.

Sec. 4. It is hereby declared to be the purpose of Congress to facilitate the construction of a bridge and proper approaches across the Saint Louis River between Duluth, Minnesota, and Superior, Wisconsin, and to authorize the port authorities to promote said object and purposes for the greater safety of navigation, in accordance with this Act.

Sec. 5. The port authorities or their successors and assigns are hereby authorized to provide for the payment of the cost of the bridge and its approaches by an issue or issues of negotiable bonds or negotiable certificates of indebtedness of the port authorities bearing interest at not more than 6 per centum per annum, the principal and interest of which bonds or certificates of indebtedness and any premium to be paid for retirement thereof before maturity shall be payable solely from the sinking fund provided in accordance with the Act. Such bonds or certificates of indebtedness may be registrable as to principal alone or both principal and interest, shall be in such form not inconsistent with this Act, shall mature at such time or times not exceeding thirty years from their respective dates, shall be in such denominations, shall be executed in such manner, and shall be payable in such medium and at such place or places as the port authorities may determine. The port authorities may repurchase and may reserve the right to redeem all or any of said bonds or certificates of indebtedness before maturity in such manner and at such price or prices not exceeding 105 and accrued interest, as may be fixed by them prior to the issuance of the bonds or certificates of indebtedness. Nothing contained in this Act shall be construed as limiting the powers now possessed or hereafter conferred under any applicable law of the State of Minnesota or the State of Wisconsin authorizing and empowering the Port Authority of Duluth or the Harbor Commission of Superior to issue and sell negotiable bonds or negotiable certificates of indebtedness; and the provisions of this Act shall be deemed supplemental and in addition to all powers now possessed or hereafter conferred upon either of the said Port Authority of the city of Duluth and the said Harbor Commission of the city of Superior.

Sec. 6. Subject to and in accordance with the provisions of the General Bridge Act approved March 23, 1906, the Harbor Commission of Superior and the Port Authority of Duluth may jointly or severally make written application to the Secretary of War for the approval of the location and plans of said bridge. Upon the filing of said application, due notice to all interested parties of the filing of such application, and notice of hearing thereon shall be given. If such application be approved, the instrument of approval shall be issued to the Duluth Port Authority and the Harbor Commission of Superior, jointly, unless the said port authority or the said harbor commission shall file with the Secretary of War, within thirty days of the receipt of such notice of approval, its refusal to accept such instrument of approval. Upon any such refusal being filed with the Secretary of War, the instrument of approval shall forthwith be issued to the port authority or harbor commission, as the case may be, which shall file with the Secretary of War its written acceptance of such approval.
Sec. 7. The port authorities are hereby authorized to fix and charge tolls for transit over such bridge and the rates of toll so fixed shall be the legal rates until changed by the Secretary of War under the authority contained in the Act of March 23, 1906.

In fixing the rates of toll to be charged for the use of such bridge the same shall be so adjusted as to provide a fund sufficient to pay for the reasonable cost of maintenance, repairing, and operating the bridge and its approaches under efficient and economical management, and to provide a sinking fund sufficient to amortize the cost of such bridge and its approaches, including reasonable interest and financing cost, as soon as possible, under reasonable charges, but within a period of not to exceed thirty years from the completion thereof. After a sinking fund sufficient for such amortization and for the maintenance of said bridge and the approaches thereto shall have been so provided, such bridge shall thereafter be maintained and operated free of tolls. An accurate record of the cost of the bridge and its approaches, the expenditure for maintaining, repairing, and operating the same, and of the daily tolls collected shall be kept and shall be available for the information of all persons interested.

Sec. 8. The right to alter, amend, or repeal this Act is hereby expressly reserved.

AN ACT
For the relief of Mary Louise Chambers, a minor.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury be, and he is hereby, authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to the legal guardian of Mary Louise Chambers, a minor, of Sweetwater, Texas, the sum of $2,000, in full satisfaction of all claims against the United States for injuries sustained by her through the negligence of Works Progress Administration employees when they left lumber piled and strewn about the yard of the home of A. B. Chambers, her father, in Sweetwater, Texas, and from which cause Mary Louise Chambers fell and sustained a broken leg on December 27, 1935: Provided, That no part of the amount appropriated in this Act in excess of 10 per centum thereof shall be paid or delivered to or received by any agent or agents, attorney or attorneys, on account of services rendered in connection with said claim. It shall be unlawful for any agent or agents, attorney or attorneys, to exact, collect, withhold, or receive any sum of the amount appropriated in this Act in excess of 10 per centum thereof on account of services rendered in connection with said claim, any contract to the contrary notwithstanding. Any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding $1,000.

Approved, January 10, 1938.
Whereas Isador Katz came to the United States from Bremen, Germany, in 1926 and arrived at New York on the steamship President Roosevelt on October 29 of that year; and

Whereas prior to coming to this country he had exercised every effort of which he knew to procure an authoritative visa to his passport and had applied at the police station in Hamburg, Germany, to get information in this regard and had followed the advice and suggestions given; and

Whereas he believed that the visa he had procured was legal and authentic and had no reason to believe otherwise; and

Whereas after he had been in this country about one month he applied for a declaration of intention to become a citizen and recited in his application a request for a certificate of arrival; and

Whereas at the expiration of the necessary five years he submitted his application for final citizenship papers; and

Whereas he was later advised that the authorities were unable to locate his certificate of arrival and he was subsequently indicted for fraudulent entry on the basis of papers voluntarily submitted by him and was tried on this charge in the United States District Court for the Northern District of Texas sitting at Dallas in February 1934; and

Whereas he was acquitted at said trial of any knowledge of fraud or intention to deceive in the matter of his entry into the United States; and

Whereas he has relatives in this country who have long lived here and enjoyed excellent reputation; and

Whereas he was married in this country ten years or more ago and he has three children of such marriage; and

Whereas he has been entirely self-supporting and has conducted a store in the city of Waxahachie, Texas, for several years and has given and is now giving employment to others; and

Whereas his life and conduct while in the United States have been above reproach; and

Whereas as a matter of justice the facts of his entry and his acquittal of charges of fraud in a Federal court attest the good faith of his entry and the rectitude of his life in this country; and

Whereas the facts of this case are such that no general law applies to afford the relief to which Isador Katz is entitled under the circumstances of his entry and efforts in good faith to become a citizen; and

Whereas the deportation of the said Isador Katz to Germany would under existing conditions impose hazards to which he should not be subjected in the light of his evident good faith: Therefore

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in the administration of the immigration and naturalization laws the Secretary of Labor is hereby authorized and directed to cancel the warrant of arrest and the order of deportation against Isador Katz heretofore issued on the ground that on October 29, 1926, admission to the United States had been fraudulently gained pursuant to the commission of a passport or visa offense which, subsequent to such admission, has heretofore been held by the Attorney General of the United States to be within the purview of "crimes involving moral turpitude", and thereupon Isador Katz shall hereafter be deemed to have
been lawfully admitted to the United States for permanent residence at New York, New York, on October 29, 1926. Any declaration of intention to become a citizen or any petition for citizenship here-fore filed by or any admission to citizenship ordered and certificate of naturalization here-fore issued to Isador Katz which were predicated upon the claim of lawful admission to the United States for permanent residence on October 29, 1926, shall hereafter be deemed valid.

The payment of such sum shall be in full settlement of all claims of Judd and Detweiler, Incorporated, against the United States for printing services rendered to the Federal Housing Administration, Washington, District of Columbia, under unnumbered contract, consisting of proposal of Judd and Detweiler, Incorporated, dated November 17, 1934, and acceptance dated November 27, 1934. In the event of such extension it shall remain in force until the contracting Governments agree to modify it, provided that any contracting Government may, at any time after the 30th day of June, 1938, by giving notice on or before the 1st day of January in any year to the Government of the United Kingdom (who on receipt of such notice shall at once communicate it to the other contracting Governments) withdraw from the Agreement, so that it shall cease to be in force in respect of
that Government after the 30th day of June following, and that any other contracting Government may, by giving notice in the like manner within one month of the receipt of such communication, withdraw also from the Agreement, so that it shall cease to be in force respecting it after the same date.

**Article 22.**

Any Government which has not signed the present Agreement may accede thereto at any time after it has come into force. Accession shall be effected by means of a notification in writing addressed to the Government of the United Kingdom and shall take effect immediately after the date of its receipt.

The Government of the United Kingdom will inform all the Governments which have signed or acceded to the present Agreement of all accessions received and the date of their receipt.

In faith whereof the Undersigned, being duly authorised, have signed the present Agreement.

FRANKLIN D ROOSEVELT

By the President:
Cordell Hull
Secretary of State.

¹On February 8, 1938, notification of adherence to the agreement for the regulation of whaling was given by Mexico to the Government of the United Kingdom of Great Britain and Northern Ireland.
THE Conference, having this day signed an Agreement for the Regulation of Whaling, to take immediate effect, desires to add, for the consideration of the Governments represented at the Conference, the following observations:—

2. The Agreement is valid for one year and will, it is hoped, continue in force for future years, unless the Governments, or any of them, decide to the contrary. It is likely, in the opinion of the Conference, to go far towards maintaining the stock of whales, upon which the prosperity of the whaling industry depends.

3. Experience may prove, however, that further measures of conservation are necessary or desirable. The Conference desires, therefore, to suggest that certain further methods of conservation and of preventing wastage of whales should be examined by the Governments concerned without delay, and that the Governments should take the necessary measures by legislation to place themselves in a position to impose such further regulations of whaling as experience may dictate.

4. The Agreement prescribes regulations mainly of general application to whaling from factory ships and land stations alike. The most important of these regulations are those requiring the observance of close seasons, prohibiting the taking of whales of certain species already threatened with extinction, prohibiting the taking of female whales with calves or suckling whales and of whales of different species below size limits prescribed for each species, requiring full commercial use to be made of every part of every whale taken, and limiting the time within which, from the time of catching, whales must be treated in a factory ship or land station as the case may be. The purpose of these regulations is to limit the number of whales killed and to prevent the waste of whale material.

5. Certain provisions of the Agreement, however, affect only pelagic whaling, in particular those provisions which absolutely prohibit pelagic whaling for baleen whales in certain large areas of the sea. This differentiation between whaling prosecuted by means of factory ships and by means of land stations needs explanation. It has been urged that whaling as hitherto prosecuted from some land stations, especially near the equatorial zone, has been wasteful and harmful because the physiological condition of the whales taken was such that their oil yield was low and because whales were taken at these stations when they were about to throw their calves. Against this it may be argued that the raising of the size limits for various species under the Agreement will greatly restrict the catch brought to the land stations, that the land stations, not enjoying the mobility of the factory ships, are already handicapped in the pursuit of whales, and that whatever catch they take is a comparatively insignificant fraction of the total catch. The Conference recommends that the
catch of the land stations should be carefully studied and that the Governments should consider, in the light of such study, what further regulations, if any, should be attached to whaling from land stations, either generally or in particular geographical areas. In the view of the Conference, there is a certain risk that the restrictions imposed on pelagic whaling may lead to a development of whaling from land stations, and the Governments should accordingly place themselves in a position to check or regulate such development should it occur.

6. The Conference further recommends that the Governments should put themselves in a position to limit, if it is thought fit, the number of whale catchers that may be employed in connection with any factory ship or land station with a view to further limitation of the destruction of whales.

7. The Governments are also recommended to take powers, if they do not already possess them, to prohibit whaling entirely in any area of the sea either permanently or for a limited period. It is felt that it may be desirable, in the light of experience gained, to close permanently areas which may be proved to be calving areas, or to close from year to year selected areas of the Antarctic Ocean or elsewhere for the purpose of giving to the whales a sanctuary in which they may escape molestation.

8. The Conference also recommends that the Governments should place themselves in a position to regulate the methods of killing whales. Under existing methods of whaling, whales may be fatally injured, but lost owing to defects in the guns or harpoons in use, including the propelling and bursting charges. This involves waste of whales. It is suggested that it may prove desirable so to regulate the methods of taking whales as to ensure that, by the use of suitable explosive charges, or by the use of a harpoon electrically charged, the whale when hit may be speedily killed and wastage thus avoided. Moreover, a regulation of this character may be expected to abate something of the undoubted cruelty of present methods of whaling.

9. The Conference further recommends that the contracting Governments should take steps to prevent this Agreement and any regulations made thereunder from being defeated by the transfer of ships registered in their territories to the Flag of another Government not a party to this Agreement, and suggests that for this purpose it might be provided that the transfer of a factory ship or whale catcher from its national Flag to the Flag of any other country should be permitted only under licence of the Government.

10. The Conference believes that the regulations upon which it has agreed will certainly contribute to the maintenance of the stock of whales and to the prosperity of the whaling industry. Not all the representatives of Governments present at the Conference have been able to sign the Agreement, some of them not being authorised by their Governments in that behalf. It is hoped that all Governments represented will eventually accede to the Agreement. The Conference desires to urge upon the contracting Governments that they should use their utmost endeavours to secure the adhesion of
such Powers as are interested in the whaling industry but were not represented at the present Conference. The Conference recognises that the purpose of the present Agreement may be defeated by the development of unregulated whaling by other countries, in which case it would be a matter for consideration whether the present Agreement should be continued in force, or whether the contracting Governments should not agree to modify their regulations to meet the situation thus created, or even to permit their nationals to pursue whaling without regulation, so that they may derive from its pursuit such benefit as may be had before the stock of whales has been reduced to a level at which whaling ceases to be remunerative. For the Conference is convinced that, unless whaling is now strictly regulated, that eventuality cannot be regarded as remote.

11. In conclusion, the Conference desires to urge that a further Conference should be held at a convenient time next year, at which the results of the forthcoming season may be studied and the question of the modification or extension of the present Agreement be considered.

Done in London, the 8th day of June, 1937, in a single copy, which shall remain deposited in the archives of the Government of the United Kingdom of Great Britain and Northern Ireland, by whom certified copies will be transmitted to the other Governments which have signed the Agreement for the Regulation of Whaling.

Reciprocal arrangement between the United States of America and Canada relative to admission to practice before patent offices. Effected by exchange of notes, signed December 3 and 28, 1937, and January 24, 1938; effective January 1, 1938.

The Canadian Minister (Marler) to the Secretary of State (Hull)

No. 241

CANADIAN LEGATION
Washington, December 3, 1937.

Sir:

I have the honour to advise you that as a result of an amendment to the Rules of practice of the Patent Office of Canada—which was adopted in 1933—attorneys who had previously been listed on the Canadian Patent Office Register were no longer permitted to practice before that Office. Subsequently there have been informal negotiations between the Commissioner of Patents of the United States and the Under-Secretary of State of Canada with a view to the conclusion of a reciprocal arrangement.

The negotiations have culminated in the decision of the Government of Canada to substitute for existing Rule 14 under the Patent Act a new Rule to become effective on January 1, 1938, which will read as follows:

14. (1) The names of the following persons shall on request and payment of the prescribed fee of $5.00 be entered on the Register of Attorneys who are permitted, subject to the qualifications and conditions prescribed by these Rules and Regulations, to practice before the Patent Office:

(a) Any barrister, solicitor or advocate on the roll of barristers, solicitors or advocates under the Laws of any of the Provinces of Canada;

(b) Notaries entitled to practise their profession under the Laws of the Province of Quebec;

(c) Any barrister, solicitor or attorney resident in any part of the British Commonwealth of Nations, who files proof to the satisfaction of the Commissioner that he is registered and in good standing before the Patent Office of his place of residence and possesses the qualifications required to practice before the said office;

(d) Any attorney resident in the United States of America, who files proof to the satisfaction of the Commissioner that he is registered and in good standing before the Patent Office of the United States of America and possesses the qualifications required to practise before the said office;

(e) The names of Canadian nationals residing in Canada entered on the Register of attorneys on the date of approval of these rules shall be continued thereon. Any Canadian National resident in Canada and who is not a member of the bar of one of the Provinces or a Notary Public of the Province of Quebec, but who has had three years experience in patent work under the personal direction and
supervision of a duly registered patent attorney, or who has served for three years in the examining corps of the Canadian Patent Office, and who shall file proof that he is of good moral character and of good repute and possessed of the necessary technical qualifications to enable him competently to prosecute applications before the Patent Office, may be entered on the register of Patent Attorneys with the approval of the Minister; provided however that attorneys who are not Canadian Nationals may continue to practice with respect to pending applications.

(2) Each person residing outside Canada whose name is entered on the Register of Attorneys, shall state, in respect of each application or other proceeding filed by him in the Patent Office, the name and address of an attorney resident in Canada, who is associated with him in the carriage of the application or other proceeding, and no applications or other proceedings by an attorney resident outside Canada shall be filed, entered or examined until an associate resident in Canada has been so named. The associate so named shall be a person qualified under (a), (b) or (e) of subsection (1) of this section and whose name is entered in the Register of Attorneys in the Patent Office. Notices, letters and other communications relating to the application or other proceeding shall be forwarded by the Office to the Canadian associate and shall be deemed, for the purposes of the Patent Act and of the Rules and Regulations, to have been communicated by the Office to the Attorney filing the application or other proceeding.

(3) The Commissioner of Patents, with the approval of the Minister, after giving notice and opportunity for a hearing, may suspend or exclude, either generally or in any particular case, from further practice before this Office any person, agent or attorney shown to be incompetent or disreputable, or guilty of gross misconduct, or who refuses to comply with the rules and regulations, or who shall, with intent to defraud in any manner, deceive, or mislead any applicant or prospective applicant, or other person having immediate or prospective business before the Patent Office by word, circular, letter, or by advertising, or who shall guarantee the successful prosecution of any application for patent or the procurement of any patent, or by word, circular, letter, or advertisement shall make any false promise or misleading representation. The reasons for any such suspension or exclusion shall be duly recorded, and the action of the Commissioner may be reviewed by the Minister. If the name of an attorney registered under (c) or (d) of subsection (1) of this section shall be removed from the list of those registered as entitled to practise before the Patent Office of the Dominion, colony, state or country in which he resides, his name shall be removed by the Commissioner from the Register of Attorneys permitted to practise before the Canadian Patent Office.

(4) All advertising matter of registered patent attorneys or other agents interested in the procuring or developing of patents used for the promotion of their business shall be submitted to the Commissioner before being issued, but such advertising matter shall not contain any matter from which, due to its arrangement or text, it may be inferred that the Commissioner vouches for the statements made therein or the ability or integrity of the advertiser. Any violation of this rule shall incur a penalty of suspension of practice before the Patent Office for one month or for such longer period as the Commissioner may determine.
It is the understanding of the Canadian Government that, in return for the adoption of this Rule, the Government of the United States will undertake that residents of Canada whose names are entered on the Register of Attorneys permitted to practise before the Patent Office of Canada will be accorded the right of registering in the Register of Attorneys permitted to practice before the United States Patent Office on a reciprocal basis; and that any amendment to the United States Patent Rules which may be necessary to give effect to this arrangement will be adopted. I should be grateful for your confirmation of this understanding.

I have the honour to be, with the highest consideration, Sir,

Your most obedient, humble servant,

Herbert M Marler

Tengo el honor de confirmar a V. S. los siguientes términos del Convenio Provisional de Comercio que nuestros respectivos Gobiernos
han acordado establecer mientras se concluyen las negociaciones de un Acuerdo Comercial más comprensivo o de un Tratado de Amistad, Comercio y Navegación.

1°.—Las Partes Contratantes acuerdan concederse recíprocamente el tratamiento incondicional e ilimitado de la nación más favorecida en todo lo que concierne a derechos aduaneros y demás gravámenes accesorios, a la manera de aplicar los derechos como, asimismo, a las reglas y formalidades a que puedan ser sometidas las operaciones de aduana.

2°.—En caso de que el Gobierno de los Estados Unidos de América o el de la República de Chile establezcan o mantengan cualquier forma de restricción cuantitativa o control de la importación o venta de cualquier artículo en el cual el otro país tenga interés, o impongan a la importación o venta de una cantidad determinada de cualquiera de tales artículos un derecho o gravamen menores que los derechos o gravámenes impuestos a las importaciones que excedan de tal cantidad, se concederá al otro país, durante cualquier período de cuota, una participación en la cantidad total de cualquiera de dichos artículos que se permita importar o vender, o que se permita importar o vender con tales derechos o gravámenes menores, equivalentes a la proporción de la importación total de tal artículo que dicho país abasteció durante un periodo representativo anterior, a menos que se convenga mutuamente desentenderse de tal concesión.

No. 632

Embassy of the United States of America,

Santiago, February 1, 1938.

Excellency:

I have the honor to inform Your Excellency that my understanding of our recent conversations on behalf of the Government of the United States of America and the Government of the Republic of Chile is that the provisional commercial agreement between our two Governments, effected by exchange of notes, signed January 6, 1938, shall come into force definitively thirty days after the date on which it is ratified by the Chilean Congress. Pending ratification by the Chilean Congress, the agreement shall come into force provisionally on February 1, 1938, and unless terminated in accordance with the provisions of numbered Paragraph 7 thereof shall remain in provisional effect until after the expiration of one year, whichever date occurs first. If the agreement has not come into force definitively after the expiration of one year from February 1, 1938, it may within the discretion of both Governments be signed again and by this means be continued in provisional effect.

SEÑOR MINISTRO:
Tengo el honor de referirme a las recientes conversaciones sostenidas en orden al deseo del Gobierno de Nicaragua de que sea modificado en ciertos respectos el Tratado Comercial entre la República de Nicaragua y los Estados Unidos de América, suscrito en Managua el 11 de Marzo de 1936, a causa de las graves condiciones financieras de emergencia que se ve obligado a afrontar en la actualidad.

Cámbese ahora el honor de confirmar y dejar contancia por medio de la presente nota, del acuerdo a que se ha llegado, como resultado de las conversaciones referidas, entre el Gobierno de Nicaragua y el Gobierno de los Estados Unidos, acerca de que las estipulaciones del Artículo I, las del primer párrafo del Artículo II y las del Artículo III (excepto en cuanto se refiere a la nota primera de la lista I agregada al Tratado) y las del Artículo V del mencionado Tratado de 11 de marzo de 1936, cesarán de estar en vigor y tener efecto a partir del día 10 de marzo del corriente año inclusive, en adelante.

Así mismo, tengo el honor de confirmar que si bien el tipo de cambio entre el córdoba de papel y el córdoba de oro va a ser aumentado para fines de recaudación de derechos aduaneros, el Gobierno de Nicaragua no contempla en realidad un aumento de los derechos básicos especificados en la Lista I del mismo Tratado Comercial.

Tengo la satisfacción de agregar que el Gobierno de Nicaragua tendrá a bien reabrir negociaciones con el Gobierno de los Estados
Unidos, tan pronto como le sea posible, para la renovación o reposición de las estipulaciones de los mencionados Artículos del Tratado Comercial de 11 de marzo de 1936.

Aprovecho la oportunidad para reiterar a Vuestra Excelencia el testimonio de mi consideración alta y distinguida.

MINISTRY FOR
FOREIGN AFFAIRS
DIPLOMATIC SECTION
No. 8-38 sk
MANAGUA, D. N.,
February 8, 1938.

Mr. Minister:

I have the honor to refer to the recent conversations had with regard to the desire of the Government of Nicaragua that the trade agreement between the Republic of Nicaragua and the United States of America signed at Managua on March 11, 1936, be modified in certain respects on account of the grave emergency financial conditions which it is obliged to face at the present time.

I now have the honor to confirm and make of record by means of the present note, the agreement which, as a result of the conversations referred to, has been reached between the Government of Nicaragua and the Government of the United States, that the provisions of article I, those of the first paragraph of article II and those of article III (except insofar as relates to note 1 to schedule I appended to the agreement) and those of article V of the said agreement of March 11, 1936, shall cease to be in force and to have effect from the tenth day of March of the current year, inclusive, forward.

Furthermore, I have the honor to confirm that while the rate of exchange between the paper cordoba and the gold cordoba will be increased for purposes of collection of customs duties, the Government of Nicaragua does not in reality contemplate an increase in the basic duties specified in schedule I of the said trade agreement.

I have the satisfaction of adding that the Government of Nicaragua will be pleased to reopen negotiations with the Government of the United States, as soon as it is possible, for the renewal or replacement of the above-mentioned articles of the trade agreement of March 11, 1936.

I avail myself of the opportunity to renew to Your Excellency the assurance of my highest esteem and distinguished consideration.

No. 235.  Legation of the United States of America,  
Managua, D. N., Nicaragua, February 8, 1938.

Excellency:

Reference is made to recent conversations which have taken place with regard to the desire of the Government of Nicaragua, in view of the emergency financial conditions with which it finds itself confronted, that the Agreement between the United States of America and the Republic of Nicaragua signed at Managua on March 11, 1936, be modified in certain respects.

I have now the honor to confirm and make of record by this note the agreement which as a result of the conversations referred to has been reached between the Government of the United States and the Government of Nicaragua that the provisions of Article I, the First Paragraph of Article Two, Article Three (except insofar as it relates to Note One to Schedule I appended to the Agreement) and Article Five of the Agreement of March 11, 1936, shall cease to have force and effect on and after March 10, 1938.

The Government of the United States has noted that, while the conversion rate between the paper cordoba and gold cordoba will be increased for customs collection purposes, the Government of Nicaragua does not contemplate an increase in the basic rates of duty now specified in Schedule I of the Trade Agreement.

The Government of the United States has noted with pleasure the willingness of the Government of Nicaragua to enter into negotiations, at the earliest practicable date, for the renewal or replacement of the provisions of the above-mentioned articles of the Trade Agreement of March 11, 1936.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest esteem and most distinguished consideration.

Arrangement between the United States of America and Sweden for relief from double income tax on shipping profits. Effected by exchange of notes, signed March 31, 1938.

The Secretary of State (Hull) to the Swedish Minister (Boström)

DEPARTMENT OF STATE,
Washington, March 31, 1938.

SIR:

In order to insure that American shipping will continue to enjoy the benefits of tax exemption which have been in effect in Sweden pursuant to the exchange of notes commencing with the Swedish Legation's notes of January 27, 1922, and February 24, 1922,¹ I have the honor to inform you that, on condition of reciprocity, corporations, including maritime shipping companies, organized in Sweden, the vessels of which, documented under the laws of Sweden, call at ports in the United States of America either to load or to unload cargo, or to embark or to land passengers, shall be exempted by the Government of the United States of America from the payment of taxes on income or profits derived exclusively from the operation of such vessels.

In consequence thereof, Sweden is held to have satisfied the equivalent exemption provisions of Sections 212 (b) and 231 (e) of the Revenue Act of 1936 and the provisions for taxation of the income of corporations contained in said Act shall in no case be applied to corporations, including maritime shipping companies, organized in Sweden.

This exemption shall apply even though a Swedish corporation or company has an agency or a branch office in the United States, provided that the activities of the agency or branch office are limited to the direct operation of vessels.

By "maritime shipping companies", shall be understood companies which are managed by an "owner" of vessels, the term "owner" including charterers.

Income or profits derived from the operation of vessels shall also include income or profits derived from the sale in the United States of steamship tickets issued by a Swedish corporation or company.

The same exemption from taxation shall, on condition of reciprocity, likewise be enjoyed by subjects of Sweden, not residents in the United States of America, for income which consists exclusively of earnings derived from the operation of a vessel, or vessels, documented under the laws of Sweden.

¹ Notes not printed.
This exemption may be terminated at any time by either Government on six months' notice given to the other Government.

Accept, Sir, the renewed assurances of my highest consideration.

CORDELL HULL

The Honorable
W. Boström,
Minister of Sweden.

The Swedish Minister (Boström) to the Secretary of State (Hull)

LEGATION OF SWEDEN

Sir:

In order to insure that Swedish shipping will continue to enjoy the benefits of tax exemption which have been in effect in the United States of America pursuant to the exchange of notes commencing with the Swedish Legation's notes of January 27, 1922, and February 24, 1922, I have the honour to inform you that, on condition of reciprocity, corporations, including maritime shipping companies, organized in the United States of America, the vessels of which, documented under the laws of the United States, call at Swedish ports either to load or to unload cargo, or to embark or to land passengers, shall be exempted by the Government of Sweden from the payment of taxes on income or profits derived exclusively from the operation of such vessels.

In consequence thereof, the Royal Ordinance of September 28, 1928, concerning Income and Property Taxation, and The Swedish Communal Taxation Law of the same date shall in no case be applied to American shipping corporations, including maritime shipping companies, organized in the United States of America.

This exemption shall apply even though an American corporation or company has an agency or a branch office in Sweden, provided that the activities of the agency or branch office be limited to the direct operation of vessels.

By "maritime shipping companies", shall be understood companies which are managed by an "owner" of vessels, the term "owner" including charterers.

Income or profits derived from the operation of vessels shall also include income or profits derived from the sale in Sweden of steamship tickets issued by an American corporation or company.

The same exemption from taxation shall, on condition of reciprocity, likewise be enjoyed by citizens of the United States of America, not residents in Sweden, for income which consists exclusively of earnings derived from the operation of a vessel, or vessels, documented under the laws of the United States of America.

1 Notes not printed.
This exemption may be terminated at any time by either Government on six months' notice given to the other Government.

SOFIA, LE 5 JANVIER 1938.

NOTE VERBALE

Le Ministère Royal des Affaires Etrangères a l'honneur de porter à la connaissance de la Légation des États-Unis d'Amérique, qu'il est prêt, sur la base de la réciprocité, à supprimer la formalité de la légalisation des certificats d'origine, accompagnant des marchandises de part et d'autre. Dans ces conditions, les certificats d'origine délivrés par les autorités compétentes aux États-Unis seront acceptés où de droit en Bulgarie sans leur exiger de légalisation ou de traduction. De même les certificats d'origine bulgares, délivrés par les Chambres de Commerce et d'Industrie bulgares à Sofia, Plovdiv, Bourgas, Varna et Rousse devront être également acceptés où de droit aux États-Unis d'Amérique sans leur exiger la légalisation ou la traduction. Les certificats d'origine bulgares seront établis en langue française.

En portant ce qui précède à la connaissance de la Légation des États-Unis, le Ministère Royal des Affaires Etrangères a l'honneur de la prière de vouloir bien lui communiquer son accord avec ce qui précède, ainsi que de l'aviser quelles sont les autorités compétentes aux États-Unis qui auront à délivrer les certificats d'origine américains.

Le Ministère Royal des Affaires Etrangères profite de l'occasion pour remercier à l'Honorable Légation les assurances de sa haute considération.

No. 4212-19-II

SOFIA, JANUARY 5, 1938.

NOTE VERBALE

The Royal Ministry of Foreign Affairs has the honor to inform the Legation of the United States of America that it is prepared to waive, on the basis of reciprocity, the formality of legalization on certificates of origin accompanying merchandise from either country. Under the circumstances the certificates of origin issued by the com-
petent authorities in the United States shall be accepted where required in Bulgaria without legalization or translation. Likewise, Bulgarian certificates of origin issued by the Bulgarian Chambers of Commerce and Industry in Sofia, Plovdiv, Bourgas, Varna, and Roussé shall be accepted also in the United States of America where required without legalization or translation. The Bulgarian certificates of origin shall be in the French language.

In bringing the foregoing to the attention of the Legation of the United States, the Royal Ministry of Foreign Affairs has the honor to request the Legation to be good enough to inform the Ministry of its assent to the foregoing as well as to inform it as to which authorities in the United States shall be competent to issue American certificates of origin.

The Royal Ministry of Foreign Affairs avails itself of the opportunity to renew to the honorable Legation the assurances of its high consideration.

The American Legation at Sofia to the Royal Bulgarian Ministry of Foreign Affairs

Legation of the United States of America

The Legation of the United States of America presents its compliments to the Royal Bulgarian Ministry of Foreign Affairs and has the honor to acknowledge the receipt of the Ministry's note verbale No. 4212-19-II, of January 5, 1938, to the effect that the Bulgarian Government agrees to waive all requirements of legalization on certificates of origin relating to merchandise issued by competent authorities in the United States or by organizations such as Chambers of Commerce.

In view of the assurances set forth in the Ministry's note under acknowledgment, the Legation has been instructed to inform the Ministry that the American Government will not require the legalization or authentication of certificates of origin issued by competent authorities in Bulgaria, such as the Chambers of Commerce and Industry at Sofia, Plovdiv, Bourgas, Varna and Roussé, which are mentioned in the Ministry's note referred to above.

With reference to the penultimate paragraph of the Ministry's note, the Legation has no list on file of the authorities and organizations in the United States which would be competent to issue certificates of origin, but suggests that such organizations would be the Merchants' Association of New York and the Chambers of Commerce in the important centers of the United States.

The Legation avails itself of this opportunity to renew to the Ministry the assurance of its highest consideration.

Note Verbale

En réponse à la note verbale No. 14 en date du 11 janvier courant, le Ministère Royal des Affaires Étrangères a l'honneur de porter à la connaissance de la Légation des États-Unis d'Amérique que le Gouvernement Bulgare est d'accord avec la Légation de considérer que l'échange des notes du 5 janvier a. c. concernant la non légalisation des certificats d'origine ne s'applique pas aux certificats sanitaires accompagnant des envois d'origine animale ou végétale.

Dans ces conditions la légalisation des dits certificats sanitaires, qu'exigent les autorités Américaines quand ces certificats seront délivrés par les autorités bulgares, comporterait à titre de réciprocité la légalisation des certificats sanitaires délivrés par les autorités Américaines. Cette légalisation devra s'effectuer selon les formes prescrites par la Loi bulgare pour les documents officiels.

Le Ministère Royal saisit cette occasion pour renouveler à la Légation des États-Unis d'Amérique les assurances de sa très haute considération.

NOTE VERBALE

SOFIA, January 13, 1938.

In reply to the note verbale No. 14 dated January 11 of this month, the Royal Ministry of Foreign Affairs has the honor to inform the Legation of the United States of America that the Bulgarian Government agrees to consider the exchange of notes of January 5 instant concerning the waiving of legalization of certificates of origin as non-applicable to health certificates accompanying shipments of animal or plant origin.

Under the circumstances the legalization of such health certificates, which the American authorities require when issued by the Bulgarian authorities, will necessitate the legalization, on the basis of reciprocity, of health certificates issued by the American authorities. Such legalization shall be performed in accordance with the regulations prescribed by the Bulgarian law concerning official documents.

The Royal Ministry avails itself of this opportunity to renew to the Legation of the United States of America the assurance of its high consideration.

Excellency:

I have the honor to confirm to Your Excellency in the following terms the tentative agreement reached as a result of informal discussions between the competent bureau of the Ministry of Foreign Affairs and this Embassy for a reciprocal increase of the tariff for passport visas charged by the Governments of France and the United States:

(a)—Passport visas issued to American citizens by French Consuls will be valid for two years, unless the passport is valid for a lesser period, in which case the visa will be valid only during the period of validity of the passport. The passport visa applied for will be granted and the length of sojourn determined in accordance with existing regulations. A second visa, subject to the same conditions, and provided the passport remains valid, will be issued gratis if applied for by the date of expiration of the original visa or within one year thereafter, provided that the validity of such visa shall not exceed one year nor extend beyond two years from the date on which the original visa was issued.

(c)—The fee for transit visas issued to American citizens by French Consuls, to be valid fifteen days, will be ten francs.

(d)—The fee for transit visas to be granted to bearers of French passports by American Consuls will be fifty cents United States currency, or approximate equivalent in francs.

REPUblIQUE FRANCAISE
Paris, le 14 janvier 1938

Monsieur l’Ambassadeur,

J’ai l’honneur d’accuser réception de votre lettre du 12 janvier 1938 relative à l’augmentation réciproque du tarif des visas de passeports applicable entre nos deux pays et qui stipule:

(a)—Les visas de passeports délivrés par les Consuls français aux citoyens américains seront valables deux ans à moins que le passeport n’ait une validité inférieure, auquel cas le visa ne sera valable que pour la période de validité du passeport. Le visa donnera droit au porteur d’entrer en France aussi souvent qu’il le désirera pendant la période de validité. Le coût sera de 75 francs.

(b)—Le coût du visa de passeport de non-immigrant, valable pour un nombre quelconque d’entrées aux Etats-Unis effectuées par le porteur d’un passeport français pendant une période de douze mois à compter de la date de la délivrance du visa, sera de deux dollars soixante quinze cents de la monnaie des Etats-Unis ou son équivalent approximatif en francs, sous réserve que le passeport reste valable pendant cette période et que le statut de non immigrant du porteur du passeport demeure. Le visa de passeport demandé sera accordé et la durée du séjour sera fixée conformément aux règlements en vigueur.

Un second visa, soumis aux mêmes conditions sera, sous réserve que le passeport demeure valable, délivré gratuitement s’il a été demandé au plus tard à la date d’expiration du visa original ou dans l’année qui suivra, à condition que la validité de ce visa n’excède pas un an ou ne s’étende pas au delà de deux ans à compter de la date à laquelle le visa original a été délivré.
(c)—Le coût des visas de transit valables quinze jours délivrés aux ressortissants américains par les consuls français sera de dix francs.

(d)—Le coût des visas de transit délivrés par les Consuls américains aux porteurs de passeports français sera de cinquante cents de la monnaie des États-Unis ou l'équivalent approximatif en francs.

(e)—Il ne sera pas perçu de droit de visa sur les membres français ou américains des délégations représentant des associations d'anciens combattants de la guerre visitant temporairement les États-Unis ou la France.

(f)—L'arrangement ci-dessus entrera en vigueur le 15 janvier 1938.

Je suis heureux de vous faire connaître l'accord du Gouvernement français sur les termes de l'arrangement qui précède et je donne les instructions nécessaires pour qu'il puisse entrer en vigueur le 15 janvier 1938.

Agreement between the United States of America and Czechoslovakia with respect to motion picture films. Effected by exchange of notes, signed May 18, 1938; effective June 1, 1938. And related notes.

The American Minister (Carr) to the Czechoslovak Minister of Foreign Affairs (Krofta)

No. 45

Legation of the United States of America

Praha, May 18, 1938.

Excellency:

I have the honor to refer to the recent conversations between officials of the Czechoslovak Republic and of the Government of the United States of America, pursuant to the understanding reached in connection with the negotiation of the trade agreement recently concluded by the two countries, with regard to questions in respect of exposed motion picture films originating in Czechoslovakia and in the United States of America, and to confirm by this note the following agreement which has been reached between our respective countries:

I.

Exposed motion picture films, Tariff number 361 ex c of the Czechoslovak Customs Tariff, originating in the United States of America shall, on their importation into the Czechoslovak Republic, be exempt from ordinary customs duties, charges, taxes, fees, or exactions in excess of those provided for in the following numbered paragraphs:

d) Newsreel films—

Note: In addition to the import permit fees set forth under 2) above, there will be a charge for feature films of 500 crowns and a charge for short films of 120 crowns, payable to the Ministry of Commerce. These charges shall cover the costs of importing films in bond, screening films before the consultative committee (Film Advisory Committee) of the Ministry of Commerce, and all other fees incidental to the issuance of the import permit.

II.

The provisions of Paragraph I of this agreement shall not prevent either country from imposing at any time on or in connection with the importation of exposed motion picture films a charge equivalent to an internal tax imposed in respect of a like domestic product.

III.

The Czechoslovak Republic shall accord to exposed motion picture films of American origin imported into the Czechoslovak Republic treatment in respect of distribution and exhibition no less favorable than may be accorded to films of any other foreign origin or except for the compulsory showing of films of Czechoslovak origin in Czechoslovak theaters, than may be accorded to films of Czechoslovak origin. The Government of the United States of America shall accord to exposed motion picture films of Czechoslovak origin imported into the United States, treatment in respect of distribution and exhibition no less favorable than that accorded films of United States origin or any other foreign origin.

IV.

No import or customs quota, or any other form of limitation of the number of exposed motion picture films which may be imported shall be imposed by the Czechoslovak Republic on the importation of exposed motion picture films of United States of America origin, or by the Government of the United States of America on the importation of exposed motion picture films of Czechoslovak origin. This provision shall not be construed as a limitation on the operation of normal censorship laws and regulations.

V.

Importers of exposed motion picture films of United States of America origin may submit such films for screening and censorship without the necessity of having previously super-imposed Czechoslovak titles thereon. It will however be necessary for such import-
ers to submit, in writing, the titles proposed to be used and, after the film has been approved, again present it with the titles super-imposed thereon.

VI.

Exposed motion picture films produced in the United States of America may be dubbed into the Czechoslovak language either in the United States or in Czechoslovakia. There shall, however, be no obligation to dub into the Czechoslovak language.

VII.

VIII.

Import permits for advertising material for American or Czechoslovak exposed motion picture films shall not be required.

IX.

Motion picture companies of the United States of America may establish and maintain branch firms in Czechoslovakia and reciprocally motion picture companies of Czechoslovakia may establish and maintain branch firms in the United States of America in conformity with the laws, regulations and ordinances of the respective country.

X.

There shall be no prohibition or quantitative restriction upon the importation, distribution or exhibition in Czechoslovakia, of exposed motion picture film prints originating in the United States of America. Such prints shall not be subject to any fees, charges or exactions in excess of those provided for in this agreement.

XI.

The present agreement shall become operative the first day of June, 1938, and shall continue in force until denounced by either country by advance notice of not less than six months.

Accept, Excellency, the assurances of my highest consideration.

Wilbur J. Carr,
Envoy Extraordinary and Minister Plenipotentiary
of the United States of America.

His Excellency

NATIONAL WILD LIFE WEEK—1938

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS one of the most important phases of the conservation of our natural resources is the protection and preservation of our wild life; and

WHEREAS this is a work in which virtually our entire citizenship can participate wholeheartedly and enthusiastically, whether resident in the large metropolitan centers, with limited access to the great outdoors, or permitted to enjoy at first hand the wonders of nature; and
WHEREAS the carrying into effect of any program for the conservation of our hereditary wild life—in the past seriously diminished and depleted by destructive exploitation and lack of proper understanding and sympathy—must enlist the support of all of our citizens if the mistakes of the past are to be avoided in the future in dealing with this important resource of incalculable social, economic, esthetic, and recreational value:

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do hereby proclaim and designate the week beginning March 20, 1938, as National Wild Life Week and do earnestly appeal to all of our citizens first to recognize the importance of the problem of conservation of these assets in wild life, and then to work with one accord for their proper protection and preservation. To this end I call upon all citizens in every community to give thought during this period to the needs of the denizens of field, forest, and water and intelligent consideration of the best means for translating good intentions into practical action in behalf of these invaluable but inarticulate friends. Only through the full cooperation of all can wild life be restored for the present generation and perpetuated for posterity.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

DONE at the City of Washington this 14” day of February, in the year of our Lord nineteen hundred and thirty-eight, and of the Independence of the United States of America the one hundred and sixty-second.
