#### TRANSFER OF FUNCTIONS

Bureau of Fisheries was consolidated with Bureau of Biological Survey into Fish and Wildlife Service in Department of Interior by Reorganization Plan No. III, § 3, effective June 30, 1940, set out in note under section 1337 of Title 5, Executive Departments and Government Officers and Employees.

#### CHANGE IN NAME

The Office of Education was created and placed in the Department of the Interior by the act of July 20, 1868, ch. 176, 15 Stat. 196, which abolished the Department of Education. In the appropriation act of July 12, 1870, ch. 251, 16 Stat. 242, the Office was designated the Bureau of Education. This designation was retained until the act of May 14, 1930, ch. 273, 46 Stat. 281, 319, which made appropriations for the "Office of Education." Since that time, all appropriations have been made to the "Office of Education."

#### § 92. Admissions to marine biological station for pursuit of investigations.

The professors, instructors, and students of the several land-grant, agricultural, and mechanical colleges of the United States shall be admitted to the marine biological station on the Gulf of Mexico on the coast of Florida, to pursue such investigation in fish culture and biology as may be practicable, without cost to the Government, under such rules and regulations as may be from time to time prescribed by the Secretary of Commerce.
