The ~~gang~~ lady and her husband are wealthy people and wish their daughter to marry a count who is a veritable "boob". She, however, is in love, with a handsome young hero who is very poor.

A shooting party is made up in which both the count and the poor suitor take part. There are plenty of ducks and every one keeps firing away at them but no one is able to hit anything. They are all excited, especially the count, who manages to shoot up the irate father of the beautiful girl several times. He also upsets him in some cactus brush and nearly tears out his mustache while trying to pull out the cactus needles. He gets ~~1~~ ~~round~~ and his final coup in taking the party home is ~~to~~ into a river, giving them a good ducking.

While they are all venting their wrath on the count, the poor young suitor walks off with the girl.
