✓ "WHITE EAGLE" Episode #7 ✓ "The Mysterious Voyage" ✓

The chapter opens with the rescue of Ruth by Phil and the consent of the two Indian tribes, - permitting the girl to seek the solution of the Sacred Wampum on the island of Siburo. Loomis and Gray Wolf decide to detain Phil Stanton and prevent him from going with the party, but the young man succeeds in escaping from his imprisonment and reaches the ship just as it is leaving the harbor.

On board, Julia Wells plots with Gray Wolf, telling him that she will double-cross Loomis if Gray Wolf will ally himself with her. They decide that Ruth must be put out of the way in order to make their expedition a success. Julia feigns friendliness with Ruth, and, luring her to her stateroom, she locks the girl in. A few moments later the alarm goes around that ^{the} ship is sinking, and Ruth tries in vain to escape from the cabin.

Phil, meanwhile, rushes through the passageways frantically looking for the girl. Not finding her in her own stateroom, he encounters Gray Wolf, who tells him that Ruth has left in the first life boat. Phil decides that the girl is safe and he abandons ship with the rest of the party and crew, leaving Ruth to her fate in the locked cabin.
