## Kodiak Basketball Crown At Stake

With three make-up games and a possible play-off for first place slated for Monday night, the Town League Cagers will enter into their traditional top-four-team, double-elimination play-off for the coveted town league trophy and Kodiak basketball supremacy.

This is a rotating trophy held last year by Curley's Clippers and in 1960 by the PNA Flyers. Both teams are still in the running this year.

Monday night's make-up game will include D&A against Curley's at 6:30, while the old rivals, PNA and Krafts collide at 8 p.m. Should Krafts upset PNA it will necessitate a play-off for second and third. If PNA wins, then the Coast Guard and PNA will be tied for 1st place and will play-off Tuesday at 8 p.m. The 6:30 game Tuesday will match D&A against the High School Independents.

The first round of the play-off will be held Thursday night matching the No. One team (PNA or Coast Guard) against Curley's at 6:30, while the No. Two Place team (PNA or Coast Guard) will meet the No. three place team at 8 p.m. Finally on Friday night the two losers meet at 6:30 and the winners at 8 p.m.

## Base Champs Bow To Town League

The Town League went into its final stages this week and saw plenty of fast and exciting action with one overtime game and the Town League co-leaders dethrone the Base Captain's Cup winners.

On Monday night the ACS cagers, after putting up a hard fight for 20 minutes, finally lost to Curley's Clippers by a score of 61-37. Young for ACS was high with 11 points while Ferris of Curley's had 22 markers.

In the 8 p.m. game the Town League Co-Leaders defeated the Base Champs by a score of 64-53. PNA moved into an early lead and were never threatened. Leading

at half time, the PNA hoopsters, led by Skinner and Jurling, matched the taller Marines basket for basket, while Ivor Malutin kept putting defensive pressure on the tall servicemen.

Batchelor was high for the Marines with 19 while Jurling had 17 and Skinner had 18 for PNA.

Tuesday night's action saw ACS give up a lead held through the game and finally lose in overtime by a score of 48-47. Strobe for D&A was high with 23 points while Young for ACS had 15.

In the 8 p.m. game, Curley's defeated a stubborn High School Independent five by a score of 58-48. The High Schoolers fought to a 24-24 half-time tie only to give up 19 points in the third quarter while the Independents could garner only 6 points. Met-rokin led the Independents with 13 and Selby had 19 for Curleys.

## 2 Wind-up Games Slated Tonight

Meeting for the third and final time tonight in the season's wind-up game, the Base 8th grade will meet the Town 8th grade at 7 p.m.

With the Base boys leading the series, 2 to 0, the Town 8th Graders will be out to avenge their earlier two losses.

And at 8 p.m. tonight the High School Girls Athletic Association All-Stars will again play the Coast Guard Wives team. This should be a hard-fought game as the high school lasses went down in defeat when matched against the Coast Guard gals earlier in the season.

## Bear Cubs Beat By Wolverines

The Base 8th really poured on the steam as they trounced the Town 8th in an exciting game held Friday afternoon. The boys from the base, led by Andrews, moved to an early lead and were never headed. The base boys led 19-9 at half, but the Town pulled

to within four points at the 3-quarter mark but couldn't find the range in the 4th.

The final score—Base 28, Town 17. High for the Wolverines was Andrews with 18 points while Lev-erette hit 7 for the Town Cubs.

## FRA-Legion Form Merger

The Fleet Reserve Association Branch No. 165 and American Legion Jack Allman Post No. 17 held a joint meeting February 26 at the CPO Club, Naval Station, for the purpose of merging.

At this meeting the FRA was represented by Ray Cobb, Pres.; Tommy Butler, Vice Pres.; Roy Roberts, Past Pres.; Joe Herrin, Secy.; Bill Poling, Treas.; and Board members Forrest Dawson and Jack Wright. Representing the American Legion were Carl Rodli, Post Commander; Henry White and Board members Reeves Read and Mr. Hann.

Following the official decision to merge the two organizations a building committee consisting of Roy Roberts, Reeves Read and Senior member Henry White were elected.

"It is believed by all members that this merger can lead to more efficient operations for both groups, and in turn better serve our Kodiak area," a spokesman for the organizations stated.

## B S Troop Cookout Features Moose

Good weather, good skating and a good turnout of Scouts and parents at the Island Lake Boy Scout Cook-out held Feb. 22, made this an eventful evening. Moose steaks were featured.

The event was sponsored by the Elks Boy Scout Committee and the Women's Boy Scout Auxiliary. Plans were laid by the Elks com-

mittee and Troop 625 to make more use of, and improve and maintain the Island Lake Recreation area, and the adjacent Public Service site.

Anyone interested in helping the youth or Public Service program are asked to contact Paul Stover, Institutional Representative or Wally Valen, Committee Chairman.

"We wish to thank the Alaska Department of Fish and Game, through Ovid McKinley, for the moose meat and the Pacific Northern Airlines, through its agent Ray Martin, and local merchants helping to make this cook-out a real send-off for our new Troop 625 charter," Paul Stover stated.

## CAPITOL

of the insurance agents in this city is—Kodiak Insurance. You won't be sorry you

## MOVED

over to this up-to-date agency where our only business is—insurance.

## TO

see the State Capitol moved to this area is great—then we could keep our eye on the legislators to make sure they didn't run off with
