HI SCHOOL AND CITY CAGERS PLAY TONITE

For two reasons a special basketball game will be played off tonight; first, to furnish entertainment to the visiting Elks' and other travelers; second, to raise a few dollars to make up the deficit from the Cordova-Seward series.

The High School and City teams are billed to appear in the main event, with the High School girls and the Second String boys team supplying the action in the first canto, or prelim.

An admission charge of 50c for adults and 25c for children and students, will be made.

The first game will start promptly at 8 o'clock. The champ referee in Alaska, F. Groth, is billed to handle the big game.
