

Colt Times.
The school election has come and gone. C. E. Vinson was there in a zillion for school director. Take your medicine, boys—it's a "long lane that never turns."

We succeeded getting enough appropriated towards our school building to erect a second-class barn on a second-class farm. However we shall keep pounding away for "faint heart never won fair lady." Let's buckle on our armor, boys, and beat the lion in his den. We must not let up until we see a two thousand-dollar school building in the town of Colt.

Forward along the lines! "To victory or to death," must be our battle cry. Wm. Stone is at present confined to his room with the same affliction that beset our ancient ancestor Job, and he seems to have inherited some of this good man's characteristics. We wish him a speedy recovery.

P. G. Morgan has been induced by his friends to apply for a pension. "Glee" is a worthy citizen and a good man, and we wish him success.

Uncle "Tom" Wiley was shaking hands with the boys last Saturday. It does one good to shake the hand of a great big hearted man like Uncle Tom.

M. E. Williams contemplates erecting a "soda fountain" in his store this summer. "Et" is an all-round mixer of cool drinks and knows how to pander to your every want.

Two first-class barbers are kept busy at Colt every Saturday now. Harry Mosley, Jack Allen and the "Squire of Tellico" were making things howl in the political arena last Saturday, and they "got there Eiy."

Capt. Jim Hobbs is still hunting that piece of land.

Land for sale around Colt is getting scarce.

The K. & L. of Honor intend to give a big ice cream supper in the near future. They want everybody to come and don't forget to bring along all the spare change.

Magisterial work in this part of the world is getting so scarce and dull that the other morning I met the Squire and asked him if he knew or could give me the name of the nearest magistrate, and he said that he could not, but after five or ten minutes serious reflection he said he believed he was it.

A Cure For Piles.
"I had a bad case of piles," says G. F. Carter, of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. Eczema and other skin diseases, also sores, cuts, burns and wounds of every kind are quickly cured by it. Sold by J. T. Sanders.

Democrat Times.
The general health of this community is very good.

Crops are looking very fine where they have been worked out.

A little rain would be most beneficial to the crops at present.

Old winter has got off the grass once more and we hope it will stay off.

P. Jackson made a business trip to Forrest City and Memphis the latter part of last week.

J. D. Stoddard, of the Stokes settlement, passed here en route to Memphis last Sunday.

Rev. W. M. Guest preached an eloquent sermon to a large audience last Sunday. His subject was "Bridle your tongue and keep yourself spotless from the world."

The Chronic Kicker and Miss Hattie Anderson visited Mrs. Lillie Wallace last Saturday and Sunday.

Master Press Jackson is having a tussle with the measles this week.

Mesdames Cochran, Moody, and Miss Sallie Hoge were guests of P. Jackson last Sunday.

J. M. Gunter and Mrs. Annie McCall were made one last Sunday. Squire Thomas officiating.

Sheriff J. M. Wallace was in this locality last Tuesday, collecting delinquent taxes.

J. W. and Chas. Landrum, of Blackfish Lake, were business visitors at this place last Wednesday.

Mr. J. M. Gunter and wife were very pleasant guests at P. Jackson's on last Sunday, returning home in the afternoon as happy as two larks.

We have just learned that we will have a bridge across fifteen-mile-bayou in the near future, not less than two stories high.

H. T. Mitchell and old Brother Dickens are bustling from who laid the chunk; they believe in the old rule "make hay while the sun shines."

SILVER BILL.
When the Sap Rises.
Weak lungs should be careful. Cough and colds are dangerous then. One Minute Cough Cure cures coughs and colds, and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I ran down in weight, from 145 to 92 lbs. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. T. Sanders.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Results of the County Sunday School Convention.

As a result of the County Sunday School Convention, the pastors of the city met on Wednesday afternoon and unanimously decided to take a religious census of the town. There are about eighteen hundred white people in the town, but about four hundred are regular church goers. Where are the other fourteen hundred on the Lord's day? There are about five hundred school children in the town, but only about two hundred and twenty-five go to Sunday School. Where are the other two hundred and seventy-five on the Lord's day? The town has been districted as follows and assigned to the several churches to be canvassed on Monday, June 6. The railroad divides the town into North and South sections. Washington street, with Rosser on the south and the street back of Mr. McDaniels on the north, divides the town into East and West sections. The Methodists are assigned the Northeast, the Episcopalians the Southeast, the Baptists the Southwest, and the Presbyterians the Northwest. A committee from each Sunday School will take the respective sections and call on every white person asking their church affiliation and preference. It is hoped that everybody will cordially co-operate in this matter, as it will help the pastors to do more systematic work in the betterment of the moral good of the town.

Exposure

TO BEAUTIFY YOUR COMPLEXION IN TEN DAYS, USE ...SATINOLA...

The Unequaled Beautifier.

Woodburn, Ky., Jan. 8, 1904. Gentlemen—I have tried almost every kind of cream, but have never found anything that comes up to Satinola. It is the finest preparation to clear and beautify the complexion I ever saw. And indeed does everything it claims to do. I feel like now after using it that I cannot do without it.

Mrs. F. M. WILKINSON, NATIONAL TOILET CO., PARIS, TENNESSEE.

Sold in Forrest City by J. E. Duvaunt and Leading Dealer.
