FROM LITTLE ROCK.

LITTLE ROCK, August 15.—On Saturday morning, August 10th, federal forces under Gen. Lyon and Siegel attacked Confederates under McCulloch and Pearce at six in the morning, eight miles south of Springfield.—The Confederate loss from 200 to 300 killed, and between 400 and 500 wounded. Federal loss 400 to 500 killed and 600 to 700 wounded. The attack was made by surprise, our outer picket guards were taken prisoners and the enemy was enabled to get in on main forces before they were ready for them, which no doubt is the cause of the great loss of life on our part. The running among our troops was done by five regiments of Missourians. Gen. Price we learn attempted twice to bring them to a charge, but it could not be done, they flew the field. The Louisiana regiment did gallantly and suffered much. To them is attributed in a great measure our
