little house-maid says educate your family to a nicely furnished home
2+2=4

MRS. HOMELOVER:
Can you teach your children a better lesson than to love a nice home?
Home does so much for us that we should do something for the home.
Just as sure as two and two make four, if you need things for the house you will buy them from us if you come to our store.

The Wrong Bottle

A mistake in bottles never happens with me. My system is too well perfected for such a bungling accident. Absolute accuracy and positive purity are the terms that fittingly express my prescriptions and drugs. The life of some neighbor may depend on the medicine and for this reason it is most important that the drugs should be perfect and the compounding accurate.

Percy Chamberlain
The QUALITY DRUGGIST
