

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THE DORF'S

BLACK-DRAUGHT

recommended very highly, so began to use it. It cured me. I keep it in the house all the time. It is the best liver medicine made. I do not have sick headache or stomach trouble any more." Black-Draught acts on the jaded liver and helps it to do its important work of throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

ONE CENT A DOSE

NEW MILLING PLANT.

We are installing in the Clark Building, which is on the corner and across the street from Dr. Rice Drug Store, a first class milling plant.

All this machinery is new and the very latest patterns.

We have a Grist Mill that takes out all the silks, hairs, chaff, rotten grains, filth, parts of shucks, ends of cobs, spoons, and in fact absolutely cleans the grain before grinding. Hands don't touch the meal that comes from this mill as we have sacking elevator. You will have to see this mill to appreciate it.

We have a shuck-sheller. This machine shucks and shells corn off the cob and at the same time absolutely cleans the grain. You can bring your corn to us in the shucks and we will shuck and shell it free of charge if you have it ground into meal. There will be no need of shucking and shelling your corn at home—just load it into your wagon and bring your sack and we'll do the rest.

We have a mill that grinds corn on the cob and all small grain.

We have a feed cutter to cut up all kinds of green or dry feed.

We will have installed soon, a feed mill that will grind corn on the cob and in the shuck.

Come see this machinery in operation. It is now open for business and will be run six days in the week. We will run it for your convenience. Have your

chicken feed, hog feed, etc., made here.

We can grind your wheat. Feed and meal for sale. We will buy your corn and hay.

Come now and look through this plant.

Satisfaction guaranteed.

MR. AND MRS. B. F. HONEA TELLS ABOUT WINTER CABBAGE

Please allow us space in your columns for a few words to the prospective gardener.

Last spring we purchased a 5 cent package of late Drumhead cabbage. After setting our patch we had plants left which we placed on the sides of our late pea rows. On the 3rd of July we pulled up the vines and plowed the cabbage, adding a light fertilizer, and in September we gave another light plowing. By then they were heading nicely. We still have nice heads in the open garden. On Christmas day we cut one that weighed 5 pounds. We had four rows of bunch lima beans which received the same cultivation, and they were loaded with green fruit when the first freeze came. They were full from June, and we put up 16 pounds of shelled beans for winter use. We have young tomato plants in our flower pit. Will write later if they prove a success.

MEMBERSHIP IN THE RED CROSS IS TRUE PATRIOTISM

REAL SERVICE TO NATION AND HER FIGHTERS AWAITS ALL LOYAL CITIZENS.

SACRIFICES BEFORE VICTORY

Cheer and Comfort for Boys "Over There" and Succor for Families Here is Organization's Aim.

Americanism, 100 per cent true, means membership in the American Red Cross.

This great organization, which stands for humanity the world over and succor to all races and creeds, now is face to face with its greatest task—backing up the army and navy of these United States in a titanic struggle to make the universe safe for democracy.

In its Christmas membership drive for 2,000,000 new members in the Southwest division, comprising the states of Missouri, Texas, Kansas, Oklahoma and Arkansas, the American Red Cross appeals not for charity, but for patriotism of an undivided people.

Aid for America's Sons.

Up to the present time the Red Cross has gone to the front for all peoples combating a ruthless autocracy unprecedented in the annals of mankind. Today it is engaged in recruiting its wonderful resources to aid the millions of men America is assembling for the decisive battle in the trenches, in the air and on the seas.

"Charity begins at home" is a time-worn, trite axiom. But, brought up to date, it finds a real meaning in the support for this country's fighters and those they leave behind.

The millions who find protection under the Stars and Stripes are now offered an opportunity to do real service to the nation and the boys who will fight for them against the evil which menaces the very foundation of this free government.

Service is Awaiting All.

The War Council of the American Red Cross has decided that a great national purpose will be served by having membership in the Red Cross almost as universal as citizenship.

Although pledged as a nation to the national purpose during this crisis, it will not be granted to a large percentage of American men, women and children to play a part in the fighting branch of our country's service. All however, can be identified, through membership in the Red Cross, which in this case, when entire nations are organized for warfare, is big enough and strong enough to carry some of the burden for our soldiers, for our sailors and our allies.

America's struggle is one of Men, Money, Material and Mercy. Men supply the military force. Money represents the means by which the army and navy are supplied. Material consists of guns, ammunition, uniforms and supplies. Mercy—the Red Cross

Morale Vital Factor.

Comfort kits, sweaters, wristlets and bandages go far in promoting the welfare of Uncle Sam's fighters, but the greatest stimulant to the army's morale is concrete evidence of American citizenship's unity by an addition of 2,000,000 members to the American Red Cross in the Southwest by Christmas Eve.

No sacrifice an American can make here at home can compensate the father, son or brother menaced by all the perils of warfare in the trenches abroad.

Lack of proper morale has, without doubt, been largely responsible for the collapse of Russia and the crumbling of Italy's forces. No man can throw himself wholeheartedly into the business of war when devoured by the most acute anxiety as to the welfare of his loved ones at home.

More than 5,000,000 men and women already have enlisted in the ranks of the American Red Cross to minister relief to the maimed and suffering and to carry cheer and comfort to America's army and navy. In camp and cantonment, amid the roar of battle, the standard of the Red Cross challenges all forces of destruction.

Patriotism is calling to Americans to range themselves with their dollars, service and encouragement behind the men in khaki who are going forth to die, if need be, in their defense.

[MRS. JOHN M. PITTMAN.]

The memorial service for Mrs. Ellsworth Thursday December 20, at the home of Mrs. John M. Pittman, was one of special sacredness in that Mrs. Ellsworth had been such a faithful member for thirteen years—ever since her coming to Prescott—and an efficient officer many times.

Among the many loving tributes paid the deceased, was one by Mrs. George Cress who has been very intimately associated with her for many years, and which is given below:

"Good friends are among our dearest earthly treasures. Sometimes in the hurry and rush of life we fail to express the feeling of fellowship that we really possess. It should not be so, for each of us is, more or less, dependent upon the other. To be associated with a friend with a soul sincere is one of God's greatest blessings, and draws us nearer to him. Mrs. Ellsworth was a friend to every cause of right; in every avenue of life where it was possible for her to minister to the sick, to the needy—to comfort the sorrowing and to uplift the weak and faltering, she was always found there ready to bear the full share of her duty.

As a personal friend, perhaps none could appreciate her more than I. For over eighteen years our families have shared each others joys and sorrows. She was always interested in the things that were for my welfare, and a truer friend than she, will never be found.

Our hearts are saddened yet we must not lose sight of the truth that our brief stay in this world is but a preparation for that better life beyond.

To each of us will come, some day the summons to enter into that broader, higher field of life. As our friends pass on before us it makes heaven seem just a little nearer, and each of us a little dearer to the other."

Longfellow's beautiful poem—"God's Acre," was read by Mrs. Sam Logan, and Tennyson's beautiful lines, "Crossing the Bar," was sung by Mrs. Dan Pittman.

A memorial membership certificate was presented by the Union to the family, as a slight token of the affection in which Mrs. Ellsworth was held by the Union.

A further expression of this high esteem in which she was held, was the adoption of a French orphan by the Union in her memory.

The following resolutions were read by Mrs. C. L. Green:

Since Death has claimed Mrs. Mary C. Ellsworth, one of our most faithful members, and an efficient officer of the Woman's Christian Temperance Union,

Resolved, That we deplore, deeply deplore her going away and feel that her place can not be filled;

That the sudden removal of such a life, leaves a vacancy and a sorrow that will be deeply realized by each member of this Union, and will prove a serious loss to the temperance work, to the community and to the public;

That we tender to the bereaved family our tenderest sympathy and pledge our prayers for them in their hour of grief;

That a copy of these resolutions be written in the minutes, and a copy be sent to the family.

Surgeons agree that in cases of Cuts, Burns, Bruises, and Wounds, the first treatment is most important. When an efficient antiseptic is applied promptly, there is no danger of infection and the wound begins to heal at once. For use on man or beast, Borozone is the ideal Antiseptic and Healing Agent.
