Several of the rabid free silver  
papers in Arizona have commented  
upon a sample McKinley & Hobart  
shirt bosom sent them, and have as-  
serted that no one in town would

has many voters who will wear Mc-  
Kinley shirt bosoms, and who will vote  
for McKinley. Wednesday THE OASIS  
received one. Mr. J. T. Brickwood  
donned it, and in a little while he was  
overrun with inquiries from staunch  
free silver republicans who believe in  
bi-metalism and know the republican  
party only can secure it, who wanted  
a shirt bosom just like it. All in-

he immediately weakened. He was  
brought into town and Commissioner  
Taylor held him to appear before the  
U. S. grand jury.

Tuesday afternoon, when the arroyo  
was running with water from the  
heavy storm, a drunken man jumped  
in at a point near Colonel Fenocho's,  
on the Sonora side and was carried by  
the swift flow to the bridge on Inter-  
national street, where he was lassoed  
and pulled out, nearly drowned.

Roadmaster George Montague of  
the Sonora and N. M. & A. railways,  
has his hands full now-a-days, with  
the many washouts. He keeps on the  
road with tireless energy, both night  
and day, and is at the scene of any  
trouble in short order.
