Modish Pattern Hats
Handsome Tailored Modes

STYLES for the Auto, Street, Afternoon and Evening wear. Whatever portrays the authentic, correct and artistic in new Autumn Millinery is shown in beautiful profusion. An exhibit of shapes, materials, colorings and fashions that surpass in scope and variety all former Millinery displays.

From Paris, from London, some came

HATS that sing the praises of their designers—Hats "just a little different" from the ordinary. And this magnificent display of imported Millinery will be augmented by many elaborate creations from our own workrooms—a noteworthy gathering in itself.

AT THE same time we shall make a grand showing of Women's Suits, Dresses, Coats, Waists and Costumes for the new season to which we invite attention.

BON TON CORSETS

After all it is just as easy for the woman of full figure to attain the smooth, graceful contour "lines" as for those of average or even slender build. The proper corset will eliminate all corset troubles, and our corsets are competent and willing to assist you in selecting the right model. The newest BON TON models are marvels of design and workmanship. Cleverly cut and gored to reduce and control all superfluous flesh, subtle prominent curves and mould the form until it appears almost slip-like. Ask to see them.

New Dress Accessories

The various dress accessories that Fashion this year demands in greater profusion than ever before for midday's gown are now most attractively displayed in our Trimming section.

SO HERE ARE THE FRINGES AND THE BANDS, THE TASSELS, THE BRAIDS, THE BUTTONS AND THE GIRDLES—and the place of honor seems to belong to the Fringes, which remind one, in their prevalence, of the fashions of the '90s. You'll find them of Chenille and silk in black, white and colors, and various widths. The Silk Girdle is another favored creation of the season. Comes in black and every wanted shade. Then those Bands and Braids, worked in silk, tinsel and net. Truly a marvelous showing.

DISPLAY AND SALE NEW TAILORED SUITS

Since the time when this store first sold garments for women, we specialized in Tailored Suits—upon Tailored Suits we concentrated all the energy and resources of this establishment. So it is THIS Fall. A greater selection was never shown. Finer styles were never seen. Real Man-Tailored Suits, made of Scotch Tweeds, Boucle Cloth, Wools, Diagonals, Fancy Nub Satings, Zibedins, Serges, etc., showing all the new style features and colorings which have developed, 27-inch coats, with wide revers and long lapels of velvet or cloth are important features. Skirts are close-fitting models, with high waists. Some of the Suits are plain tailored, some trimmed in military silk braid; on others silk fringe is tastefully used. Grand values at \$15 to \$50.

As an Extra Special for Today we are offering a splendid array of Tailored Suits, that were made to sell up to \$21.50, at \$15.90. Newest Fall models in every wanted fabric and desirable color. Materials, Tailoring, Lining, Trimmings and Workmanship all express the Korrick standard of perfection. A masterful bargain presentation for

GORGEOUS COSTUMES

For evening wear Dame Fashion's decrees is "everything soft and clinging"—satin charmeuse, velvet, broche chiffon, spangled net, marquisette, crepe net and crepe de chine being the fabrics par excellence. Many of the gowns show the new draped shoulder or Bertha, sometimes of fine mullin, guipure or marine lace, though often of soft material edged with silk or fine fringe in the same shade. Skirts are a little wider. The spiral draped effect edged with fringe and the petal or fish tail train are the newest conceptions, while a few of the gowns show a slashed tunic originated by Callot. The colors are all quite pronounced and touches of coronation purple are very frequently seen. An extensive selection. Prices: \$35 TO \$125
