OFFICIAL PAPER Cochise County.

A Republican victory in Cochise county is now an assured fact. The present national administration is such, that the people fear a local or territorial administration under Democrats.

Sheriff Gabriel of Pinal county, who has just returned from a visit to El Paso, states that the people of El Paso do not seem very much troubled over the fate of "scab" Cutting who is confined in a Mexican dungeon.

THE Epitaph's reliable special telegrams announce that Gen. Logan spoke in Salt Lake City, August 2d, when as a matter of fact the General arrived in San Francisco on Sunday, August 1st.

Cleveland may be able to paralyze our mining interests for awhile by his action on the silver question, but he can't hurt our cattle interests, as he has no chance to veto the rain which visits us every day in refreshing quantities.

WE have received a copy of the Pacific States newspaper directly for 1886 and 1887. published by Palmer & Rey of San Francisco. It is a neatly bound book and contains the name of circulation and age of every paper on the Pacific Coast and is a valuable adjunct to any newspaper office. It is a model of typographical neatness.

John O. Dunbar rushes madly into print this morning abusing A. T. Jones for stating that the Epitaph and Democrat were going to consolidate. We do not know what Dunbar has got against Mr. Jones, but he certainly did a very unmanly act in thus attacking him this morning. Mr. Dunbar came to the editor of this paper last evening and asked him whether he had stated that the Democrat and Epitaph were going to be consolidated. He was answered in the affirmative. Dunbar then asked whether Al. Jones had given us the authority, and we stated no, that he had not, that we had our authority from another source but was not at liberty to divulge that source. We simply reply to the attack on Mr. Jones and make the above explanation as a matter of justice.

WITH this issue THE DAILY TOMBSTONE enters upon its fourth volume. When it was started it had many troubles to contend with, but it downed them all, and almost immediately became the paper of the people, for whose interests it has always look out. When it has found any wrong perpetrated upon the people of Cochise county it has never been backward to show them up. It is owned by no clique or set, and is free to attack any party or clan. It is a staunch Republican paper and will strive to elect only the best men of that party to office. Thanks to an appreciative public it is now on a sound financial basis, and in entering upon a new volume, it can promise the citizens of this county an improvement on the past, both in appearance and in matter. The first improvement is a fine new heading in this issue.

AYER'S Hair Vigor cures baldness. Hair Vigor restores youthful freshness and color to faded and gray hair. It attains these results by the stimulation of the hair roots and color glands. It rejuvenates the **HAIR** and cleanses it. It restores to the **HAIR** that, either by reason of age or diseases of the scalp, has become dry, harsh and brittle, a pliancy and glossy silken softness of extreme beauty. There is no dye in Ayer's Hair and the good it does is by the **VIGOR** it imparts to the follicles, and the cleanliness and healthfulness of the condition in which it maintains the scalp.

AYER'S Hair Vigor renews the hair. Hair Vigor is the best cure known for Brashy Hair, Scald Head, Itching Humors, Tetter Sores, Torpid Follicles, and all other diseases of the scalp that cause the falling of the **HAIR** and its fading. Nothing cleanses **HAIR** of the nuisance of dandruff so perfectly, and so effectually prevents its return, as AYER'S HAIR VIGOR. In addition to the curative and restorative virtues peculiar to Ayer's Hair it is a toilet luxury. The Hair **VIGOR** is by far the cleanliest hair-dressing made. It causes the hair to grow thick and long, and keeps it always soft and glossy.

Ayer's Hair Vigor

Contains no deleterious ingredients. Its use prevents all scalp disease, secures against the hair growing thin or gray, and surely cures all baldness that is not organic.

MILWAUKEE LAGER BEER.

MILWAUKEE, Wis., March 24.—The disciples of the school of total abstinence may perhaps take some comfort by perusing the following table of statistics, from which it appears that the aggregate amount of beer sold by the Milwaukee brewers during the year 1885 shows a considerable falling off as compared with the sales of the next preceding year.

It will be noticed, however, that the old renowned Phillip Best Brewing Company has to record a gain, and is still maintaining its proud prestige of being at the head of the column, while the sales of its principal competitor show a marked decrease.

The figures are vouched for as correct in every respect:
