WILL A. NASH, EDITOR.

OFFICIAL PAPER Cochise County.

Jas. Gordon Bennett got muled in the sum of \$25,000 for libeling Cyrus W. Field. Served him right.

Frank Prescott and family may not improbably leave for California before many weeks.—Epitaph: Will some one be kind enough to interpret the above for us, as we can't?

Under Sheriff—It takes a man of ability to fill that position, and no man of common sense would ever accuse Dunbar of being able to fill it.

THE TOMBSTONE which is always alive to the public's interest was the only paper in the county that had energy enough to telegraph for an account of the Phenix fire.

THE Epitaph was the first and only paper in this county to announce G. W. Pridham as a candidate for the office of County Treasurer and now it comes to the front and tries to knock him down.

Pursuant to call a meeting of those citizens "overjoyed" at the confirmation of W. Kidder Meade as U. S. Marshal, was held at the office of the Epitaph last evening. There were present John O. Dunbar, John Dunbar, J. O. Dunbar, Dunbar, and the proprietor of the Epitaph. The gathering was entirely harmonious.

Mr. C. S. Abbot deals a pretty hard blow at John Dunbar in his card which appears in another column. He says that in the event of his election as Sheriff he would not appoint Dunbar under-sheriff and that he would only appoint men who had the respect and confidence of the entire community. This is kind of rough on the editor of the Epitaph.

AND now comes a Washington paper with the information that Cutting is in league with Mexican officials to get the State of Chihuahua annexed to the United States. We believe the story as Cutting and Medina, his Mexican accuser, are both capable of doing anything mean and underhanded, in fact that kind of business is their profession.

THE unfortunate insane Mexican who has been confined in the jail at Clifton and this place for many months still languishes in "durance vile" like a condemned felon denied medical aid "to a mind diseased" awaiting the opening of the Territorial Insane Asylum for the Insane. As a matter of economy it may be wise to delay his removal for death will soon relieve him of his sufferings and the county of further expense but in a humanitarian point of view such treatment is damnable.—Clifton Clarion.

It is only another sin for Nocasari Zulick to burden his soul with.

Dennis McCarty seems to have a great deal of business to transact in this end of town of late, but we are on to him all the same.

There will be no services in the different churches, save the Catholic, tomorrow, owing to the absence of the pastor. There will be Sunday school at the regular hour however.

It would be a good idea for the citizens of Tombstone to organize and capture all the habitual croakers in town and give them about two hours to leave. They fairly make one sick with their talk and you can't escape them.

If Tombstone was subject to earthquakes there would surely have been one this afternoon as it was so sultry one could hardly breathe.

Bob Darrah reports the cause of the non arrival of mail last night as caused by the ditching of the east bound train near Yuma. The engineer and fireman were slightly injured.

M. W. Steward is making arrangements to place large reservoirs of oil in Wilcox and then run pipes from the same through town and supply the people of that town with oil for illuminating purposes and also for fuel.

A rumor gained currency in town to-day that a large number of Chiricahua Indians had left the reservation and taken to the war path. A telegram was at once sent from THE TOMBSTONE office to ascertain the truthfulness of the report but up to the present writing no answer has been received.

Joe Pascholly is extremely fortunate on his selection of employes and can always leave town with the knowledge that no matter how long he remains away his business will be conducted as well as though he was at home and in this connection it affords us great pleasure to testify as to the efficiency of the polite and obliging night clerk Johnny Dean who seems to have a natural penchant for the hotel business being obliging and polite, besides having a thorough knowledge of the business.

FOR SALE. At a great bargain in a very desirable locality an elegant residence five rooms, closet and bath, with carpets, kitchen and dining room furniture. For further particulars inquire at this office.

AYER'S Hair Vigor cures baldness. Hair Vigor restores youthful freshness and color to faded and gray hair. It attains these results by the stimulation of the hair roots and color glands. It rejuvenates the HAIR that, either by reason of age or diseases of the scalp, has become dry, harsh and brittle, a pliancy and glossy silken softness of extreme beauty. There is no dye in Ayer's Hair Vigor and the good it does is by the VIGOR it imparts to the follicles, and the cleanliness and healthfulness of the condition in which it maintains the scalp.

AYER'S Hair Vigor repairs the hair. Hair Vigor is the best cure known for Brachy Hair, Scald Head, Itching Humors, Tetter Sores, Tropic Pimples, and all other diseases of the scalp that cause the falling of the HAIR and its fading. Nothing cleanses the scalp so perfectly, and so effectually prevents its return, as AYER'S HAIR VIGOR. In addition to the curative and restorative virtues peculiar to Ayer's Hair Vigor it is a toilet luxury. The Hair is by far the cleanest hair-dressing made. It causes the hair to grow thick and long, and keeps it always soft and glossy.

Ayer's Hair Vigor Contains no deleterious ingredients. Its use prevents all scalp disease, secures against the hair growing thin or gray, and surely cures all baldness that is not organic. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
