Pentateuch can tell a darkened world how the original nomad came into existence. He wasn't there any more than Moses, but he knows more about it, because check is better than inspiration.

A FRIEND OF RELIGION. Spanish Guitars. The country which of all others has associated the guitar with its national expression in music is Spain, on whose romantic soil it was introduced at the time of the Moorish invasion.

Mark Twain's Very Last. At a dinner given recently to Mark Twain, by the Study Club of Paris, at which were present a great many distinguished people, that "Innocent Abroad" being of course called on for a speech, made one, in which he related the following story with his accustomed drawl and seriousness of manner.
