Cash Down Or No Sale.

WE WILL HAVE THE PAY OR KEEP OUR GOODS!

We hereby notify our friends and the public generally that from this time forth we will cease to sell for credit on any terms whatever. We are aware that in order to do this we will have to sell cheaper than our neighbors, and we are prepared to do so. As we are building up we are very much pressed for cash, and therefore it will be better for us to sell for cash than to sell on credit. The facts in the case are just these: it is a necessity with us to have our goods or to have the wherewith to buy more. Of course we do not expect to do so much business, but we are determined to do what we can.

Our Lumber Yard is now full and nearly complete.
