Do you know

what tea tastes like?
Most Americans don't. They drink what the Japanese leave for us Americans—tough leaves, weighted, painted, and roasted, by "enterprising," "wide-awake," "smart" American tea-shippers—not in Japan for their health.
That isn't tea—that's tough leaves and gypsum and Prussian Blue (poison).
Tea is the first pick from the finest plants, roasted in San Francisco, fresh—Schilling's Best.
You can spoil even Schilling's Best by poor making; so we give simple directions in every package.
Quick grocers sell it.
Also pure and money-backed: Schilling's Best coffee, baking-powder, soda, spices, and flavoring extracts.

Two Lives Saved.
Mrs. Phoebe Thomas of Junction City Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of the medicine in coughs and colds. Free trial bottles at Tombstone and Bisbee drugstores. Regular size 50c. and \$1.00.

Piano for sale. A seven octave square piano, rosewood case, sweet toned and in good repair. Price \$100; including stool. Inquire at this office.

Gladness Comes
With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a complicated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

KNOWLESVILLE, N. Y.—After a trolly trip from Buffalo to Niagara where Mr. and Mrs. Bryan made a enjoyable stop, the party made a journey to this place. Several stops were made at small stations between Niagara and Knowlesville but the candidate made no speeches. His voice was getting unmanageable.
"My head is willing but my throat is weak," he explained to the people of Lockport, who had chartered a band and burned gun powder to greet him. They persisted in calls so he said a few words. The same scene was repeated at Medina, where the farmer seemed to compose a majority of the concourse.
SAN FRANCISCO.—Joe Chojinski knocked out Joe McAniffe in the fourth round Saturday.
SAN FRANCISCO.—Charles Becker and James Oregon, who swindled the Nevada Bank of over \$20,000, were each sentenced to life imprisonment Saturday afternoon.
CHICAGO.—Secretary Bentley of the democratic state committee says that Bryan will make at least nine speeches in Illinois during the campaign.
ATLANTA, Ga.—A big Spiritualistic camp meeting is open here today. Soerates, George Washington, Hiawatha and others have signified their intention of being present. The managers announce that.

SPRINGFIELD, Mass.—The Springfield Brewing company organized under the laws of New Jersey, with a capital of \$300,000, has been petitioned into the hands of a receiver.

NEW YORK.—Hardly had Li Hung Chang who arrived Saturday been settled in his spacious quarters at the Waldorf when an attaché of the Russian legation called to arrange a conference between the viceroy and the Russian minister. The conference will be held tomorrow.

MILWAUKEE.—A Special to "Wisconsin" from Ontonagon, Mich., says: A fierce wind has sprung up and the country surrounding here is again in flames. Over 300 men have been sent to fight the fire and save the remaining houses of the village.

LANCASTER, Neb.—Ardent McKinley men of Lancaster are preparing arrangements for an excursion to Canton, O., for the purpose of visiting the republican candidate. It is proposed to have a train of ten Pullman sleepers carrying about 250 excursionists.

EL PASO.—Gen. Hernandez and 300 soldiers arrived today from Chihuahua enroute to Ojinija, opposite Marfa to suppress insurrectionists.

Free Pills.
Send your address to H. E. Buckler & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of constipation and sick headache. For malaria and liver troubles, they have been proved invaluable. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable. They do not weaken by their action, but by giving tone to the stomach and bowels greatly invigorate the system. Regular size 25c. per box. Sold by Tombstone and Bisbee druggists.

The second payment on the Tucker mine, located about one and one-half miles northwest of Congress, has been made. Judge Barnes, of Tucson is handling this ground and the price agreed upon for it is \$30,000. Surface indications are excellent on this property while some development work justifies the thorough working of it and the payment of more money.—Journal Miner.
