### It takes

a great deal of public sen-  
timent to stop an evil. We  
are too "busy."

Once upon a time there  
were no sewers to carry away  
foul and stagnant water; there  
was no Board of Health to  
check disease by vaccination,  
etc. etc.; and disease ran  
wild. Then people made up  
their minds to choke off these  
diseases, and they built sewers  
and hospitals and elected a  
Board of Health and milk  
inspectors.

Will the people choke off  
colored tea, or don't they know  
how harmful this colored tea  
is that pours into our country  
from Japan?

But there is an easy way  
out of it—Schilling's Best,  
money-back tea, at your  
grocer's.

Other members of the money-back  
family: Schilling's Best coffee, baking  
powder, soda, spices, seasoning, flavor-  
ing extracts.

A Schilling & Company San Francisco

### Ten cents

more a package for tea—  
Schilling's Best—than for tea  
and poison and gypsum (costs  
2 cents a pound).

Can you afford not to pay  
it? Can you afford to drink  
poison—no matter how much  
or how little—at any price?

There is poison in most  
Japan tea—used to color it  
with.

There is no poison in  
Schilling's Best, nothing but  
tea, pure tea, money-back tea.  
At your grocer's.

Also pure and money-backed: Schil-  
ling's Best coffee, baking-powder, soda,  
spices, and flavoring extracts.

### Two Lives Saved

Mrs. Phoebe Thomas of Junction City  
Ill., was told by her doctors she had con-  
sumption and that there was no hope for  
her, but two bottles of Dr. King's New  
Discovery cured her and she says it  
saved her life. Mr. Thos. Eggers, 139  
Florida St. San Francisco, suffered from  
a dreadful cold, approaching consump-  
tion, tried without result everything else  
then bought one bottle of Dr. King's  
New Discovery and in two weeks was  
cured. He is naturally thankful. It is  
such results, of which these are samples,  
that prove the wonderful efficacy of the  
medicine in coughs and colds. Free  
trial bottles at Tombstone and Bisbee  
druggists. Regular size 50c. and \$1.00

Piano for sale. A seven  
octave square piano, rosewood  
case, sweet toned and in good

ing stool. Inquire at this  
office.

### Gladness Comes

With a better understanding of the  
transient nature of the many phys-  
ical ills, which vanish before proper ef-  
forts—gentle efforts—pleasant efforts—  
rightly directed. There is comfort in  
the knowledge, that so many forms of  
sickness are not due to any actual dis-  
ease, but simply to a constipated con-  
dition of the system, which the pleasant  
family laxative, Syrup of Figs, promp-  
tly removes. That is why it is the only  
remedy with millions of families, and is  
everywhere esteemed so highly by all  
who value good health. Its beneficial  
effects are due to the fact, that it is the  
one remedy which promotes internal  
cleanness without debilitating the  
organs on which it acts. It is therefore  
of paramount importance, in order to get its ben-  
eficial effects, to note when you pur-  
chase, that you have the genuine arti-  
cle, which is manufactured by the Cal-  
ifornia Fig Syrup Co. only and sold by  
all reputable druggists.

If in the enjoyment of good health,  
and the system is regular, laxatives or  
other remedies are then not needed. If  
afflicted with any actual disease, one  
may be commended to the most skillful  
physicians, but if in need of a laxative,  
one should have the best, and with the  
well-informed everywhere, Syrup of  
Figs stands highest and is most largely  
used and gives most general satisfaction.

#### INDIANAPOLIS, Ind.—More interest attaches to Mr. Cleveland's position perhaps than to any other feature of the National Democratic party convention. By many it is accepted as a fact that the president is insympathetic with the convention and there is a decided feeling that but one thing stands in the way of offering the nomination to the president.

#### It is recognized that in case this action was taken that there would be a clamor against a third term which might be turned to account by silver men and prevent some voting.

#### FOR OVER FIFTY YEARS.

An old, well-tried remedy. Mr Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. It is pleasant to the taste. Sold by druggist in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

### The Difference

between fresh-roasted tea and stale-roasted tea is not tremendous. It is a matter of taste, and it affects health only as far as taste affects health.

But colored tea is health-stealing.

Schilling's Best is the only uncolored Japan tea, that we know of, in the United States. It is the only tea roasted in the United States.

It is the only money-back tea we ever heard of.

Also pure and money-backed: Schilling's Best coffee, baking-powder, soda, spices, and flavoring extracts.
