BISBEE NEWS.
Daily Happenings at the Great Copper Camp.
Budget of Interesting Items from our Regular Correspondent.

Bisbee, September 4, 1896.
COPPERING.
Mrs. J. H. Jones was noticed among the outgoing passengers this morning. Mrs. J. H. Williams and son took a trip to Benson today to meet some friends. They returned on the train this evening.
Capt. Dan McCuningham left this morning after a visit of several days on business. We see Mr. McCuningham quite often of late.
Mrs. John Taylor returned from quite an extended trip this evening. She is looking well, and is probably feeling much better than when she went away.

Mrs. M. J. Brown returned from Tombstone this evening. We were sorry to hear that Mr. Brown was again feeling rather ill and trust he may soon recover.
Mrs. Wm. Harris left this morning for Silver City, New Mexico. She goes there to visit friends and also for the benefit of her health, and is undecided as to how long she will remain away.

P. J. Murphy returned yesterday from his trip to the Huachuca after an absence of a little over a week. He says he enjoyed himself very well, and, judging from the beautiful strawberry complexion he has acquired, we think that that is hardly sufficient to express it.
Miss Minnie Davis who has been stopping here for some time past as guest of Mrs. John A. Campbell and of Mrs. Clawson left this morning for the Huachuca. She enjoyed her visit here very much, and is now going to wind up her vacation with an outing in the mountains. We wish her a very pleasant trip.

One of the boys lost a cuff button a few days since, which was found taken to the Ork office and advertised. On calling for it he ran up against a tax of fifty cents for the add. He excused himself however and has given us a partnership in the other button. If the Ork will call around they can have the second button for the cost of this article, together with a bill of sale covering both buttons. We don't want much—fifty cents completes the set. Don't overlook the opportunity.

Bisbee rejoiced last night in the possession of two rather new departments in this part of the country. The first a real old rough and ready merry go-round is not altogether a new feature but it is so long since one has visited town that it is quite a novelty. The second a genuine hot coffee and pie wagon, however, is something new to the streets of Bisbee and has already attracted quite a little attention. The owner of the rig thinks he has struck just the proper spot for his enterprise and judging from his varied bill of fare he ought to take in quite a little money from parties trying his various dishes out of simple curiosity. He proposes in time to handle all the usual run of lunch counter delicacies together with a long list of his own manufacture; Those desiring hot pies, meat pies, hot tomatoes, wieners, hamburger sandwiches, hot cake, roasted oars, hokey pokey, fried Chilli or anything else within the bounds of reason can have it a moments notice. These articles are fully guaranteed to be free from all bad effects in the way of nightmares, indigestion, etc.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Bricefield, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Druggists.
