BISBEE NEWS

Daily Happenings at the Great Copper Camp.

Budget of Interesting Items from our Regular Correspondent.

BISBEE, NOV. 16, 1896.
COPPERINGS.
Mrs. Joha Unbeha returned this evening from New Mexico where she has been visiting her people for several months past. She had a pleasant time on her visit but is glad to be in Bisbee once again for all that.

Sol Levi, the Phenix clothes drummer, left this morning after a somewhat shorter stay than usual. He did some little business while here but not near his usual amount, owing to the appreciation our people have for good work as turned out by Warburton, our local tailor.

Bisbee is liable to have some sanitary improvements in the natural course of events, if everything goes well, and they certainly will not be amiss. A sanitary engineer from New York is now in town looking the situation over for the purpose of making plans and estimates for the Copper Queen company, who will probably take hold of the matter if any such arrangements be brought about by a reasonable expenditure.

Our good people who have been detained in Tombstone on court business for a number of days past are beginning to return home as fast as executed from their various duties. Those who were fortunate enough to get off in time to return today were Dayton Graham and Pat Harrington. We noticed however that Sheriff Fly came in on the same train with them and suppose that he will catch a few more luckless mortals to keep him company on his return and to fill up the throng in Tombstone.

Several hunting parties were out in different directions yesterday but all came back with the same disappointing tale of "no game." The ducks seem to have left the country entirely as several parties too: in different parts of the valley yesterday without seeing a duck, and we ourselves can vouch for the fact that there are no ducks down the river as we were sacker enough to tramp about ten miles in search of enough feathers to save ourselves from a horse laugh. We are not kicking much though, for we took one good food for three days and eat it in one and consequently consider ourselves two days ahead of the game.

Last August while working in the harvest field I became overworked, was suddenly attacked with cramps and was nearly dead. Mr. Cummings, the druggist, gave me a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy which completely relieved me. I now keep a bottle of the remedy handy. A. M. BUNNELL, Centerville, Wash. For sale by Druggists.

Two Lives Saved.
Mrs. Phoebe Thomas of Junction City Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery cured her, and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which there are samples that prove the wonderful efficacy of the medicine in coughs and colds. Free trial bottles at Tombstone and Bisbee drug stores. Regular size 50c and \$1.00.

CATARRH
LOCAL DISEASE and is the result of colds and sudden climatic changes. It can be cured by a pleasant remedy which is applied directly into the nostrils. Beware of cheaply advertised imitations.
Ely's Cream Balm
Is acknowledged to be the most thorough cure for Nasal Catarrh, Cold in Head and Hay Fever of all remedies. It opens and cleanses the nasal passages, always painlessly, relieves the congestion, restores the membrane from colds, restores the sense of taste and smell. Price 50c. at Druggists or by mail. ELY'S CREAM BALM, 24 Warren Street, New York.
