IRON AND LEAD SETTLE IT

None Left to Tell How it Happened—All Likely To Die

WATERS STILL RAGING.

ATLANTA.—A special to the Journal from Ga. says: At McLeod's, five miles below here, on the Stillmore road, last evening, Felix Rountree and John and Lawson Sutton, had some words about a settlement at Sutton's gin. John Sutton knocked Rountree down with a piece of iron Rountree rose and fired ten shots mortally wounding both the Sutton brothers. As he walked off someone unknown shot him in the back, mortally wounding him. All parties are highly connected.

SEATTLE.—The Canadian Pacific road is the only one moving thus far but it is claimed the Great Northern will push its coast line train out tomorrow morning. The rivers are still very much swollen.

LUCKY SAN FRANCISCO

SAN FRANCISCO.—Thomas M. Quackenbush who some time ago brought suit against Mrs. Nancy Abbott to compel her to produce any marriage contract she claimed to have with him that he might prove it bogus, is in failing health and has not long to live. He has transferred to his daughter property valued at more than \$500,000, and is determined that whatever happens Mrs. Abbott shall have none of his money.

Bryan Will Take the Lecture Platform—Storm Swept Oregon.

DAMAGE FROM FLOODS

LINCOLN, Neb.—It has been definitely arranged that William J. Bryan is to take the lecture platform and his first address will be delivered at Atlanta Ga., early in December.

SALT LAKE, Utah.—County Attorney O. O. Whitmore, yesterday afternoon handed down the opinion on the legal status of the recent election. It declares that the ballot was not a secret one as defined by the provisions of the constitution which are mandatory and prohibitory; therefore the election itself is absolutely invalid and is in fact no election.

PORTLAND.—The storm which prevailed over the north-west for three days past, has abated, and tonight the weather is clear. It is impossible to estimate the damage by floods to the railroads, lumbering interests and farming lands which resulted from Southern Oregon to British Columbia but it will undoubtedly be many thousands of dollars.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any uterine disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs is the highest and is most largely used and gives most general satisfaction.

The World's Fair Tests showed no baking powder so pure or so great in leavening power as the Royal.
