CITY AND COUNTY OPPICIAL PAPEL

The president has pardoned a ho thiel. But for treasury clerks who supported Bryan there is no forgive nose.-Now York Journal.

An eastern unchange, in making some figures on the result of the late lection, says a change of only 25,000 votes distributed through California Oregon, the Dakotes, Kentucky, Pudlans and West Virginia would have given Bryan a majority in the elector

Mark Smith is the latest select by Governor Franklin as a delegate of large to the irrigation songress, saya the Gasette, making the appoin partly as a compliment to the county of Cophies, but more particularly because of his posuliar Stness for the work and the propriety of baving our delegate in congress, through which only can favorable legislation be secured in the way of appropriations for reclamation of desert lands.

Should Dr. Stephen E. Emme perfect his process for turning allow into gold, the bimetalists will be people without creed or selling, and the discovery, the National Recorder says: "When everthing that has been published on the subject is boiled down it appears that the discovery slaimed is ethod of disassociating the melecular constitution of silver solely by physical power; then it to received division, and finally by the same force and without the nee of chemical agents the autotonee thus obtained is readsombled into a motal that answers all tests of gold. In this present about one-quarter of the silver is lost, but in spite of this loss Dr. Emmons estimates his profit as \$3 on every ou of silver converted into gold.

Last August while working in the bar-vest field I became overheated, was sud-deally attacked with cramps and was mearly dead. Mr. Cummings, the drug-gist, gave me a dose of Chamberlais's Colic, Cholera and Diarrhoes Remedy which completely relieved me. I am keep a bottle of the remedy handy. A M. Burnsett, Centerville, Wash. Fo
