## BISBEE NEWS

Daily Happenings at the  
Great Copper Camp.

Budget of Interesting Items  
from our Regular Cor-  
respondent.

BISBEE, Dec. 10, 1896.  
COFFEEINER.

Messrs. Campbell, Wallace and  
Waters and also Mr. and Mrs. Martin  
O'Hare returned from Tombstone this  
evening.

Mr. Whitney, the president of the  
Erie Cattle company, was in town  
several days this week looking after  
his cattle interests. He returned to  
the ranch yesterday.

Mrs. Sneed and Mrs. Green and family  
left this morning for their homes  
down the river. By the large num-  
ber of bundles they took with them we  
judge they were starting to lay in  
their store of holiday goods.

Mr. H. G. Howe came in on the  
train yesterday evening on another  
short trip connected with the Bisbee  
Townsite. He has been so busy of  
late that he has not been able to get  
over here before as he would like to  
have done.

Horace C. Stillman, a well known  
resident of both Bisbee and Tomb-  
stone, who has been engaged in min-  
ing operations in Sonora for some  
time past, came in this evening on a  
short visit to his family, he will only  
remain a few days, however, as his  
services are necessary at present in the  
land of manyans.

The usual bevy of payday drum-  
mers and peddlers came in on yester-  
day's train and immediately made  
arrangements to rake in their portion  
of the shekles. We may be laying  
ourselves liable to the epithet of  
"crank" but we can't for the life  
of us see how our people can contin-  
ually encourage and purchase from  
this class of people. They have no  
interest whatever in our town, and in  
no case do they give any better values  
for our money than we can obtain  
right in our own home stores. In re-  
gard to the tribe of peddlers we can  
only say that three-quarters of their  
wares are shoddy and unworthy of  
house room, and yet they seem to  
flourish and grow fat on every one of  
their periodic faking trips. In the  
name of common sense, good people,  
get onto yourselves and give our home  
dealers the trade and support which  
of right should be their due.

In making your selection of Christ-  
mas and holiday presents there is  
nothing more appropriate than a well  
selected piece of jewelry. Our local  
jeweler, Mr. Schmieding, has lately laid  
in quite an assortment of articles in  
this line, all of the latest and most ap-  
proved patterns. His stock of gold-  
quartz jewelry is especially attractive,  
and a call on him may save you much  
trouble and care in your Christmas  
selections. His present assortment of  
watches and diamonds can't be beat.

## SUNSET LIMITED.

The Sunset Limited train which pas-  
ses Benson twice a week going east or  
west is by far the finest and most mag-  
nificent transcontinental passenger  
train in existence. It is incomparable  
unexcelled and unequalled. No ex-  
pense has been spared to make it per-  
fect in every respect, and all that  
human skill or science could invent  
and apply to make it absolutely fault-  
less has been applied. Luxury and  
beauty have been combined with  
strength and safety, and, moreover,  
it spans the continent, annihilating  
time and space in its marvelous flight.  
All who have had the pleasure of a  
trip on this train unhesitatingly pro-  
nounce it the very finest in the land.  
A ticket on this costs no more than  
on the regular train.
