On June 6, the Springerville-Eagar Branch of the Winslow, Arizona, Chapter, Red Cross, gave a very successful dance at Eagar. The spacious dance hall at Eagar was donated for the occasion by Messrs Lesueur and Royal, and to this generous action much of the credit is due, as well as to Miss Gamble and Messrs. The dance was a success in every way and was generously attended by the people of Springerville, Eagar and adjoining towns. The St. Johns Stake has been in existence for 30 years and in all of that time there has never been a stake celebration. We want to have one now, and we want it to be a good one. During all of these 30 years with its trials and troubles we have had but one president—a wonderful thing for a frontier stake and for pioneer times. We want to show him and the other three officers who have served the 30 years and all of the original stake officers that we appreciate them. Many of those who once were our neighbors have moved away now, and we have invited them to come back and celebrate with us. We want the people of Apache county to come. St. Johns is making ready to entertain its friends wherever they come from—but come and see us. Come and let us honor the event together.
