Passed Cattle Over

(From Monday's Daily Examiner)
United States Veterinary Surgeon
H. M. Hart, with headquarters in
Douglas; J. S. Line Rider M. O.
Archibald, Felix Mayhew, Joe Balsz
and John Donovan, all made the trip
down to the line yesterday morning to
pass about 60 head of beef cattle over
the line for Mr. Balsz.

The cattle were found to be in fine
condition and were promptly passed.
Mr. Balsz will put them on pasturage
for Yuma consumption.

Big Republican Rally In Northern End

The current issue of the Parker
Post says:

A party of nine candidates on the
Republican county ticket arrived in
Parker Wednesday night, and held a
big rally at Detrick's hall the following
night: In the party were O. F. Town-
send, J. E. Ludy, U. G. Wilder, T.
D. Molloy, C. V. Meeden, W. A.
Moser, Cash M. Smith, H. H. Donk-
ersley and J. H. Godfrey.

At the meeting held Thanksgiving
night a large crowd turned out to hear
the speakers, and after they had ad-
dressed the audience the floor was
cleared and one of the most enjoy-
able dances of the year resulted.

Several of the candidates made
brief addresses, but Thos. D. Molloy,
made the principal address of the eve-
ning. He was well received by the
audience and his earnestness in dis-
cussing the issues of the campaign in-
dicated his full belief in their truth
and merit. He paid a high tribute to
each of the Republican candidates on
the county ticket, but dwelt particu-
larly on the present financial condi-
tion of the county, and its condition
under Republican rule previous to the
Democratic administration.

He stated that in 1905 the Republi-
cans assumed control of the county
with an indebtedness of about \$18,000
and at the close of 1909 they turned
over to the Democrats about \$26,000
in cash, with practically all bills paid
up to December 30. During this time
the tax rate was reduced from \$4.41
in 1905 to \$3.40 in 1909.

Mr. Molloy said that the present ad-
ministration would have a deficit at
the close of the present year of about
\$50,000, and asked that his party be
given an opportunity to again manage
the affairs of the county on an econom-
ical basis.

Sloan Champions the Homesteader's Cause

Chicago, Dec. 3—Governor Richard
E. Sloan of Arizona, speaking before
the National Water Users' Association
here Saturday, declared for an exten-
sion of time to homesteaders paying
back to the government the money
loaned them for irrigation work.
Governor Sloan stated that the time
should be extended to at least twenty
years.

Siphon Work

(From Monday's Examiner)

The upper half of the siphon tunnel
is now under the river 280 feet from
the shaft on this side and the lower
half, or the completed work is only a
short distance behind.

The Yuma Ice Company's soda wa-
ter is the best. Only pure distilled wa-
ter is used in its manufacture, there-
fore it is also the most healthful.
Bring no other.

Most Popular Girl

Miss Ruby Livingston, Yuma's most
popular young lady, and the daughter
of Sheriff Gus Livingston, won first

Miss Ruby Livingston

prize in the Yuma News company's
contest just closed.

Her pleasing manner and hustling
ability won her the prize.

The other prize winners and the
contest story will appear in to-mor-
row's issue of the Examiner.

Another Mile Post In Yuma Newspapers

(From Monday's Examiner)

Another mile post was passed to-
day in the history of Yuma newspa-
pers when C. G. Lindner, representing
the Mergenthaler Linotype company,
came in this morning and took out the
Junior Linotype which formerly be-
longed to the Enterprise Printing Co.,
C. A. Seay, Prop.

This machine is the baby brother to
the standard machine now in use in
the Examiner office, and was taken
back by the company because of the
non-payment of the regular monthly
notes, the machine being sold on that
plan and belonging to the company
until paid for.

This machine was put into the En-
terprise office just before the Daily
Enterprise was launched some months
ago. The newspaper field was over-
crowded, and the result was that the
Examiner and the Sun survived the
newspaper war which followed, and
the Enterprise first ceased the publi-
cation of the daily, and later suspended
publication as a weekly.

The fins of the plant was written to-
day when Mr. Lindner shipped the
machine back to the factory.

Three years ago this month Mr.
Lindner sold the Examiner its stand-
ard No. 5 model linotype in use in
this office to-day.

Since that time the Examiner has
moved steadily forward, and now we
have a new cylinder press on the road
which we hope to have installed on
the first of the year, and which will
place the Examiner equipment on a
par with any other office in the new
state of Arizona.

To the friends and well wishers who
have accorded this paper their hearty
support and co-operation in the past,
we wish to extend our thanks and as-
sure them of a bigger, better paper in
every way for the coming year.

Republican Rally Saturday Night

(From Yuma Examiner)

WESTERN UNION TELEGRAM
Phoenix, Dec. 4th.

Chairman H. Vance Clymer, Yuma.
Candidates Wells, Cleveland, Chris-
ty, Sturges, Fisk, Poole and Doan will
arrive in Yuma, December 9th, on the
Golden State Limited, and will speak
in Yuma that evening, leaving at
night.

P. H. HAYES,
Secretary Republican Ter. Com.

The above telegram was received
by Dr. Clymer this morning, and ar-
rangements were immediately set on
foot for another big Republican rally
next Saturday night that will rival the
generous ovation given Cameron, Hov-
al Smith, Jack Williams and the crowd
two weeks ago.

One week from to-morrow is elec-
tion day and the Saturday night rally
will be the last rally of the campaign
so far as the state candidates are con-
cerned, although the county Republi-
can candidates will probably hold a
big rally the night before the elec-
tion, (Monday night).

At the Saturday night rally Chair-
man Clymer states that every effort
will be made to make it one of the
most enthusiastic rallies ever held in
Yuma.

As stated above, the speakers will
include:

ED. W. WELLS, Republican candi-
date for Governor of Arizona.

HON. FLETCHER M. DOAN, candi-
date for justice of the supreme court
J. F. CLEVELAND, candidate for
senator of state.

W. D. FISK, candidate for state
treasurer.

W. S. STURGIS and F. M. POOL,
candidates for corporation commis-
sioners.

GEO. W. CHRISTY, Candidate for
attorney general.

Everybody should make it a point
to attend and hear these speakers on
the issues of the campaign.

Women Desire a Splendid Law

Boston, Mass., Dec. 3—Several
thousand women in this state are be-
hind a movement for the passage of a
law whereby widowed mothers will re-
ceive a pension for the support of
themselves and children without hav-
ing to call upon charitable institu-
tions. The movement was started by
the Massachusetts Congress of Mothers.

Clothing Thief

(From Monday's Daily Examiner)

Saturday evening a Mexican pur-
chased a pair of socks in the store of
Mrs. Ferguson on Main street. While
the purchase was being wrapped up
he was unable to distinguish the dif-
ference between other people's prop-
erty and his own, and hid a pair of
pants under his overcoat. A custom-
er saw the act and Sheriff Livingston
was notified and started in pursuit.
The man was rounded up and placed
in jail.

From Los Angeles

(Tuesday's Daily Examiner)

C. D. Hamilton, C. F. Hawkins and
C. W. Braden, all registering from
Los Angeles, drove into Yuma this
morning in a diminutive Ford car, that
looked like it would do well if it ran
on paved streets. However, the car
looked to be in good shape and must
have come over the desert trip in fine
shape, although actually, the car looks
to be so small that it would hardly be
started on a desert grind if it was not
made of the right stuff.

These gentlemen are here looking
over the route of the all-American
road from Yuma to Los Angeles, and
Mr. Hamilton is quite a noted engi-
neer.

Notice Mailed to Mr. Mike Ghiotto

(From Monday's Daily Examiner)

The following notice was recently
received by Mr. Mike Ghiotto and pos-
sibly by others:
Yuma, Ariz., Oct. 30.

Mr. Mike Ghiotto, Yuma, Arizona.
It becomes my duty to inform you
that the Yuma Local at the regular
meeting held October 29, 1911, passed
the following resolution:

"Resolved, That any member of this
local holding a position of special po-
lice officer or watchman for the S. P.
Co., be notified that unless the com-
rade quit the employment of the S. P.
company immediately, his name will
be stricken from the membership of
the Socialist party."

Comrade, the Socialist party is a
working class party and when you
think the matter over, I believe you
will see the matter as all Socialists do
and stop helping the capitalists fight
the working class, for by so doing you
are directly hurting yourself as well
as all men who work for a living.

We do not think that you took the
work intentionally to injure anyone,
but you could not have taken a step
that would reduce the wages of your
fellow workers more than to act as a
"scab herder."

Every working man is your brother
and every corporation is working to
reduce your's and every other man's
wages.

We hope you will at once stop your
relations with the S. P. company, and
come to our meeting next Sunday an
honored comrade. We meet at 3:00 p.
m.

Fraternally,
ROT. L. MORTON,
Secretary of Local, Yuma.

200 Mules Sick

(From Monday's Examiner)

Across the river in California along
the line of the nine miles of canal now
being built by contract for the U. S.
R. S., the contractors are having
troubles of their own.

All told about 200 mules are sick
and no one seems to be able to ascer-
tain just exactly what is the matter
with them, although the illness does
not appear to be serious as only about
four or five of the animals are re-
ported dead so far as known.

Veterinary Surgeon V. E. Cram, of
El Centro, arrived in Yuma this morn-
ing, and has gone across the river
this afternoon to make an investiga-
tion.

The \$25,000 alleged to have been
paid the Hearst papers for their in-
fluence in Arizona by the Democrats,
would have put the Democratic news-
papers of Arizona on their feet and in
a position to be a continuous power
for good in the state, but it would be
contrary to well defined Democratic
policy to build up a home industry.

Dry Ginger Ale is on sale wherever
