For Delegate to Congress

PHOENIX, ARIZONA, SEPT. 19, 1908.

**NO TIME FOR ETHICS.**

Some of the democratic newspapers  
of Arizona and the friends of Hon.  
Marcus A. Smith persist in viewing  
the present statehood situation from  
a purely moral and ethical stand-  
point. They dwell upon the circum-  
stances that Mr. Smith and the dem-  
ocrats in congress have always been  
for statehood and claim that com-  
mon gratitude to both, dictates the  
return of Mr. Smith. They pretend  
to assume that the republicans in  
congress are bound by the statehood  
plank of the national platform to  
grant us immediate statehood any-  
how; that it would be immoral not  
to do so.

As to Mr. Smith's attitude on state-  
hood there is no dispute. Neither  
does any one deny that the dem-  
ocrats in congress have always, since  
the Cleveland administration, been in  
favor of the admission of Arizona.  
But since Cleveland's time there have  
never been enough of them to do us  
any good. There are not enough of  
them now and there cannot be  
enough in the next session of con-  
gress.

As to the assumption that the re-  
publicans in congress, especially the  
present congress, are bound by the  
statehood or any other plank of the  
national platform, that is illogical  
and false. We are free to confess  
that the mere insertion of that plank  
in the platform brought us no elation  
or made statehood seem any  
nearer. But we hailed the adoption  
of it as a good sign of a changing  
sentiment in men who had hitherto  
been sternly against admission. It  
was that, rather than the words of  
the plank that gave us hope of early  
statehood.

We believe we will get it and we  
believe that if Arizona elects Ralph  
Cameron delegate to congress this  
fall, showing that Arizona has at  
least a fighting chance of becoming  
a republican state, we will get it at  
the rapidly approaching short session.  
We believe that if Mr. Smith is re-  
elected, that the subject will natu-  
rally go over, at least to the next  
congress and we feel certain that if  
New Mexico should go democratic, as  
seems probable, the whole statehood  
question will be set aside for an in-  
definite period.

Even if we might agree with our  
democratic friends as to the moral  
duty of the republican congress we  
would still be unable to see how we  
could be benefited by shutting our  
eyes to the possibility or probability  
of an immoral act. We want state-  
hood and it is our part to make it  
easier for congress to redeem what  
Mr. Smith's friends persist in regard-  
ing as a pledge. We would be fool-  
ish to tempt congress to violate it.

Whatever may be the duty of con-  
gress, our duty is plain.

The end of the registration season  
is not far off. This observation is  
made to the end that those who  
think they are full fledged American  
citizens may not find on election day  
that their rights and privileges have  
been abridged.

Notwithstanding the feverish build-  
ing of residences which has been go-  
ing on since the beginning of the  
year, houses in Phoenix are harder  
to find than ever before.

We are now entering upon that  
eight months' period which gives  
Phoenix the reputation of having the  
finest climate on earth.

It seems that William H. Hearst is  
unable to distinguish between an at-  
torney's fee and a bribe.

**RATES EFFECTIVE FOR  
TERRITORIAL FAIR**

As Announced by Santa Fe Tariff  
Issued September 10th.

Local passenger tariff No. 65 which  
was issued by the Santa Fe, Prescott  
& Phoenix September 10, announced  
the excursion rates from all points  
on the S. F. P. & P. and leased lines  
to Phoenix and return, on account  
of the Fourth Territorial Fair. These  
rates are to be effective November  
6 to 14.

The rate from Prescott is \$4 for the  
round trip, or 11 cents less than  
1 1/2 cents per mile. Rates from other  
points which may be of interest are  
as follows: Ashfork, \$3.85; Bouse,  
\$4.20; Crown King, \$3.85; Cedar  
Glade, \$5.29; Cherry Creek, \$4.75;  
Congress Junction, \$3.00; Glendale,  
50c; Hillside, \$3.20; Hot Springs  
Junction, \$2.20; Humboldt, \$4.80;  
Kirkland, \$2.20; Mayer, \$5.10; Parker,  
\$4.95; Poland, \$5.15; Pooda, 75c; Sa-  
lome, \$3.39; Wickenburg, \$2.75; Wen-  
den, \$3.10.

The final limit will be November  
15, except that tickets sold at Pol-  
land will provide for a final limit of  
November 17.

**THE NEED OF GINGER**

Felt in the Republican Campaign in  
the East.

New York, Sept. 18.—All the mem-  
bers of the executive and advisory  
committees of the republican national  
committee met with Chairman Hitch-  
cock today and gave attention to some  
means of arousing greater enthusiasm  
in the campaign in the east.

The impression that the battleground  
is entirely in the western states is de-  
plored by the managers of the eastern  
campaign.

**Beware of Ointments for Ca-  
tarrh that Contain Mercury**

as mercury will surely destroy the sense  
of smell and completely derange the  
whole system when entering it through  
the mucous surfaces. Such articles  
should never be used except on prescrip-  
tions from reputable physicians as the  
damage they will do is ten fold to the  
good you can possibly derive from  
them. Hall's Catarrh Cure, manufac-  
tured by F. J. Cheney & Co., Toledo, O.,  
contains no mercury and is taken inter-  
nally, acting directly upon the blood and  
mucous surfaces of the system. In buy-  
ing Hall's Catarrh Cure be sure you get  
the genuine. It is taken internally and  
made in Toledo, Ohio, by F. J. Cheney  
& Co. Testimonials free.  
Sold by druggists. Price 75c per bottle.  
Take Hall's Family Pills for constipa-  
tion.

**GREAT COMPANY OF CLOWNS.**

Barnum and Bailey Circus Rich in  
Comedy Features.

There is a great band of comedians  
with the Barnum and Bailey Greatest  
Show on Earth this season. Aside from  
those famous in America, there are a  
score or more from European arenas,  
and from start to finish the great per-  
formance is tempered with delightful  
comedy.

One of the things that has made the  
Barnum and Bailey circus famous for  
fifty-four years has been its clowns.  
Never have they resorted to three-worn  
devices to earn a laugh. They are this  
season, as they always have been, the  
originators of their profession. The  
audience is kept in constant good hu-  
mor, the children are delighted and  
their elders relish the three hours of  
clever nonsense.

During the several weeks' engage-  
ment at the beginning of this season to  
the Madison Square Garden, all New  
York had a laughing spell brought on  
by the droll antics of these excellent  
clowns. Many new comedians, ca-  
stles and grotesque stunts have been  
introduced into the performance and  
every one who visits the great arena  
leaves on better terms with himself  
and the world for having laughed till  
his sides pained him.
