

LET THE WIND PUMP YOUR WATER FOR NOTHING

Get a SAMSON Windmill and have pure, fresh water for your stock all the time. Run pipes to the house and have fresh running water in the house for the bath, toilet and kitchen.

There are many other reasons why the Samson is best but which can't be even briefly mentioned here. Come in and see the machine, examine it, then compare with other mills on the market.

WE DO NOT CLOSE ON THURSDAYS
