HAVE WATER ON YOUR CROP JUST AT EXACTLY THE RIGHT TIME AND IN THE RIGHT QUANTITY

Own your own pumping plant. You can do this and you will only be out the expense of pumping water when you want it.

You do not have to take it when it is "served out to you" or run the risk of losing it altogether. And you do not have to pay for it whether or not you get it.

Pumping plants and pumping machinery is one of our biggest lines and we are in a position to install you a plant suited to your requirements.
