Following their conference, the Albuquerque and Tucson managers, who finished their agenda here today, arrived at the following statement: It is the fact that Douglas was unable to finance its team, and that team has withdrawn from the league.

New League Meeting

Manager Hester will be here tomorrow, en route to Phoenix, and this all club owners in the association will be gathered here for a formal rearrangement of the Rio Grande Association's affairs.

In a statement made to the newspapers, President Brown of the Tucson club, said tonight: "I believe the league will prosper better with four well backed teams than with two weak ones that have to be carried."

News Not a Surprise

It has been known here for several days that the Douglas club was on the verge of quitting, owing to financial difficulties.

SOLONS AND FARMERS DIVIDE SENSATIONAL DOUBLE BILL AT E. P.

Toner Lets Las Cruces Down with Eight Hits in First Contest, While Errors Help Leaders to Pile Up the Score.

HESTER GOES IN FOR HALL IN SECOND

Phoenix Manager Puts Over Underhand Ball That's Puzzle, But Senators Lose Second Contest by Score of 6 to 5.

(Special to The Republican)

EL PASO, May 23.—Phoenix and Las Cruces adhered to the time-honored theory of dividing doubleheaders at Rio Grande Park this afternoon, the Westerners taking the initial contest by the score of eight to two, while the second affair went to the valley club in seven innings of clearest fast baseball.

The victory of the farmer boys in the second contest broke the sensational winning streak of the Senators who, during the past week, compiled a total of five successive victories, which were responsible for the position of the Capital City club at the head of the association percentage column.

Red Toner, the former Coast Leaguer, made his second appearance on the local diamond in the initial affair, letting the Las Cruces boys down with eight hits, while Black the doughty twirling acquisition of the Hurley tribe, was nicked for fifteen safeties, all of which were prominent in the run making.

Following a four-run uprising in the first inning, the second game was a hummer, a batting rally in the sixth winning out for the New Mexicans, Pfeiffer, left fielder of the Cruces club, being the principal conspirator with one single and two two-baggers.

After 3 hits had been made off Hall in the sixth he was removed and Manager Herb Hester himself went to the mound and forced the two remaining batters to fly out to left and right fields.

In the following session Herb also did excellent work as a twirler, using a peculiar underhand delivery which the players were unable to solve.

The Senators left for home tonight, which so much has been heard. Agent Lane will unpack the machine today, and let the avid curiosity of the Phoenix motorcycle colony have a little satisfaction.

No word was received of Wolters' coming. The machine just showed up for the state, not a single big league entry of any other machine has been made for the Moose motorcycle marathon at the fair grounds a week from today.

The word gloom is used advisedly, for the state, not a single big league entry of any other machine has been made for the Moose motorcycle marathon at the fair grounds a week from today.

Now that Bolds is definitely seated on a red looking machine, it is pretty nearly sure that Harry Crandall will mount Dr. Bolds' new Harley about which so much has been heard. Agent Lane will unpack the machine today, and let the avid curiosity of the Phoenix motorcycle colony have a little satisfaction.

(Special to The Republican) DOUGLAS, May 23.—The Spoilers evened the series with El Paso today by winning 8 to 4, in a game that more nearly approached league ball than has been seen here since the season opened.

McConnell let the Mackmen down with four scattered hits. A pretty batting rally was stopped in the last of the ninth, when the Douglas twirler caused two visitors to pop up with two on.
