Introduces Each Player Each player as he was introduced got a wild demonstration.

When the last speech had been made the crowd refused to leave. Instead it rushed through the ropes and hundreds climbed on the stage to shake hands with the athletes.

Squads of police ranged through the mass of people trying to get it to break up, but without avail. Finally the ball players slipped out the back of the stage, the lights were turned out and lusty lunged men with megaphones begged everyone to go home.

Given Full Shares The Cleveland players today voted to give Walter Mills and Joe Sewell recruits who joined the club late in the season, full shares in the split of the world series receipts.

STUDENTS OF UNIVERSITY OF CALIFORNIA BUSILY PREPARE FOR 1920 FOOTBALL SEASON

(Special to The Review) SAN FRANCISCO, Oct. 13.—Despite the pessimistic denials of Coach Gloomy Gus Henderson, who never smiles except when he reads the death notices, the University of Southern California will probably be represented by the strongest football team this year that has ever worn the Cardinal and Gold in the history of the institution.

To achieve that distinction the 1920 Trojan varsity must surpass the wonderful record of its 1919 predecessor, a team which ascended the ladder of success so fast that when the Tournament of Roses Association was considering the best team on the Pacific Coast as a rival for Harvard last New Year's, U. S. C. was one of the three teams which were seriously considered.

That U. S. C. failed to draw the assignment was no disgrace. Its record of games won and lost was as good as that of Oregon. The thing that militated against the selection of the southern university eleven was its lack of capable substitutes.

Things are different at U. S. C. this year. In place of a single varsity squad and a smattering of substitutes the Trojan coach has over three full elevens and not a green man in the bunch.

There is a suspicion among the students that Coach Henderson must have gone to a Grave Diggers School where he studied a dictionary which contained no such word as hope, cheer or optimism.

Only four men were lost by graduation or failure to return from last year's varsity. Ex-Capt. Fox, guard; Eddie Simpson, center; Orrie Hester, guard; and Walter McMillan, quarterback, are the missing players.

Of the quartette Simpson will no doubt be the most sadly missed. He was ranked as one of the best pivotal men on the coast. Coach Andy Smith of the University of California said he had no peer.

Calland, a 200-pounder who played on the freshman team last year, is being worked at center.

Baltimore Defeats The Title Winners of American Ass'n.

(Associated Press Leases Wire) ST. PAUL, Minn., Oct. 13.—Baltimore's International League champions today downed St. Paul, title winners in the American Association, 6 to 5, in their minor league championship series, demonstrations by fans in protest against decisions marking the contest.

With the three victories registered by Baltimore on their home field against one win by the Saints, the Orioles now need only one more victory to give them the minor league title. The next contest will be played here Friday.

Batteries: Bentley and Egan; Hall, Williams, Griner, Foster and Hargrave.

Lucas, a lumpy individual from Des Moines, is holding down the job left vacant by Fox. He is heavy and a rare fighter. He weighs 201 pounds.

The only lineman from last year's freshman team that seems to have a chance of cinching a job is Johnny Boyle, the discus thrower. He is trying for a tackle berth. Egan may make a substitute end, but has three doughy rivals to crowd off for a regular berth.

Eddie Leahy, the speed merchant of the 1919 yearling eleven, seems destined to land a place in the backfield. "Hocho" Kincaid, a newcomer from the law department, looks like another Charley Dean.

Paul Greene, freshman end last fall, is being worked at quarterback. Odell, former Occidental man, but now in the U. S. C. law school, is trying for a backfield job.

Bonnie Dell Wins Ashland Stake on Lexington Track

LEXINGTON, Ky., Oct. 13.—The Ashland stake for 2:11-trotters, feature of today's Grand Circuit program, was won by Bonnie Dell, driven by his amateur owner, Thomas G. Hinds, after four stiff heats in which three different trotters had made records of 2:05 or better. The first heat went to Bonnie Dell in 2:04 1/4, the second went to Tootsie Tide in 2:04 1/2 and Arlon McKinney beat Kinw Watts in a tight finish in 2:05.

The 2:13 pace was hardly more than a procession with Crystal Knight easily best. Best time 2:07 1/4.

The 2:09 pace was a better race. Jay Brook took the opening heat in 2:03 1/4 from Captain Mack but the former California pacer was best in the next two.

In place of the two year old trot which had but two to go, a 2:07 trot was given with four starters. The race went to Harvest Tide, but not until after three heats, Udan Brooke winning the second heat. Best time 2:07 1/2.

Camel CIGARETTES Greetings, Pete! Here I am tonight in Winston-Salem where more tobacco is manufactured than in any other place on the face of the earth! And, W-S is some speed city, as well as the largest in North Carolina! They're rushing up a million dollar hotel, got a corking league ball team, regular skyscraper buildings and as much action as you look for in New York! When I knocked off for the day, I buzzed around like a hungry bee in a buckwheat field—up and down long streets of R.J. Reynolds Tobacco Co. factories! As the Reynolds enterprise proved out more and more gigantic and I talked with more men about it, I got the real and true answer as to why Camels are so good and so entirely different from any other cigarette! I'll spin it for you, old top—listen: Every man I talked with made the one big point that the officials and the more than 350 Reynolds foremen have an inborn knowledge of the tobacco business; that (putting it into a North Carolina expression) they were virtually "born and raised in a tobacco patch"; that they know tobacco; how to grade it; blend it and how to manufacture and sell it! And, what's most important of all, Pete, these Reynolds folks sure give men what they want—the best that can be produced! Why, Peter, it took months to perfect Camels Turkish and Domestic blends—and that refreshing flavor—and wonderful mild, mellow body—before a single Camel Cigarette was sold! Guess that will repay your interest, old liberty bond! Tomorrow, I'm going to meet some of the Reynolds folks. Got to see inside of those factories! And, you know me!! Shorty.
