

DEMURE FROCK CHOICE FOR THANKSGIVING DAY

BY CORA MOORE, New York's Fashion Authority. NEW YORK—This charming taffeta frock, so demure of demure Parisian maidens, is an appropriate choice for the Thanksgiving Day dinner.

skirts are going at present, and from waist to hem composed of shirred bands, each six inches wide. The corsage is just a bandeau on a bandeau-brassiere foundation, till a soft, creamy, lace edged batiste fichu is added. It and the hat of the same brown velvet, with a lace bow stretched across the front "make" the costume.

must be expended in extensions and improvements to the sanitary sewer system of the city. One hundred and fifty thousand dollars is asked by the city to extend its park and playground system. An additional \$45,000 is needed to carry on paving around property owned by the city, while \$150,000 is asked for improvements and additions to the city hall. Sixty-five thousand dollars is sought to provide a fourth fire station in the city and for additional equipment. The remaining \$40,000 is asked to build a state armory in Phoenix, he declared. Assessed valuation of city property is now \$2,840,531. Mayor Plunkett pointed out, while the indebtedness of the city is only \$2,553,000. Total indebtedness of the city, with the proposed \$1,040,000, would only be \$3,593,000, he said. With such an indebtedness, the annual interest would amount to less than \$200,000—\$190,550, to be exact—he said.

SAYS HUSBAND LEFT HER SICK ON DESERT

After leaving her sick and destitute in a "shack" on the desert, ten miles northeast of Phoenix, Elizabeth A. Potts declares, in a suit brought against John Potts for a decree of divorce, he went back east to New Jersey and has since failed to provide for her. She charges him with desertion also and says they were married at Asbury Park, N. J., in August, 1905. They came to Maricopa county in August, 1914, she alleges, and her husband left her in September, 1916. She asks for the restoration of her maiden name, Elizabeth A. Rogers, and for a court order decreeing some property in New Jersey as her own personal property.

Knock Barnore yesterday brought suit for a decree of divorce from Claudine Barnore, charging desertion. Frank Woodbridge Chambers also filed suit asking for a decree from Nettie Chambers on the grounds of desertion. He says they were married in August, 1913, at Dawson, Yukon territory, and declares his wife left him at Dawson in June, 1914.

COMPLETES PLANS FOR REMOVING TO CALIFORNIA CITY

Completing his arrangements to leave the state by the first of the year for Los Angeles, where he will practice his profession, George J. Stoneman is making final plans for his departure for the coast. Some months ago Mr. Stoneman disposed of his property interests here, announcing that he would form a law partnership with C. O. Whittemore, one of the leading corporation lawyers in California. The death of Mr. Whittemore resulted in a change of plans and a continued residence in Arizona which will be terminated shortly. Mr. Stoneman stated yesterday that after a few weeks here and in Graham county he would leave for Los Angeles, where he had already secured offices in the Hellman building. Associated with him will be Alfred H. McAdoo, who has won fame as a member of the California bar. Mr. Stoneman, who is president and counsel for the Stargo mine, will leave shortly to look over the property in Graham county. Immediately on his return he will ship his law library to California, where his family is already located. With Mrs. Stoneman are the children, Miss Virginia Stoneman, who is registered at the Ollis art school; Miss Mary Stoneman, who is in the graded schools, and George J. Stoneman, Jr., who is a pupil at the Harvard school. Mr. Stoneman has lived in Arizona for more than a quarter of a century, practicing law in Navajo, Gila and Maricopa counties. In the territorial days he was a member of the Arizona railway commission and has served on the board of law examiners and as chairman of the Democratic state central committee.

MUNICIPAL OFFICERS END BUSINESS TRIP

City Manager V. A. Thompson and Luke Henderson, a member of the city commission, returned yesterday from a two weeks' business trip to Cincinnati and Indianapolis, where they attended meetings of city managers and the municipal league. At Indianapolis they heard an important address by Charles Evans Hughes, former associate justice of the United States supreme court and Republican candidate for president in 1916, on the present primary law. Hughes urged a continuance of present methods rather than a return to the old party caucus methods.
