DOINGS OF THE DUFFS

HIGH SCHOOL NOTES
Individual pictures of the football team were taken yesterday afternoon. After the pictures were taken Coach Robinson called a meeting of the team and the question of whether the team would play a post-season game with El Paso was discussed. It was decided that if a game could be scheduled, they would play it. An election was then held to elect a captain for next year's squad. Charles Wartman was elected. Short talks were made by Capt. Gillingham and Captain-elect Wartman. Basketball season has opened at last. Suits were given out Friday afternoon and practice will start immediately. The junior play, "A Rose O' Plymouth Town," is advancing to perfection and everything will be in readiness when the curtain rises on the evening of Dec. 17th. Everyone should hold that date open and attend the play. The regular meeting of the Coyote forum will be held this afternoon in Mr. Ayer's room.

Pendergast News
A young gentleman has recently taken up his abode with Mr. and Mrs. Arch Ruth. Both mother and baby are well.
The Pendergast P. T. A. rendered a most excellent program last Thursday afternoon, at which time more than 40 members were present to listen to a most interesting talk by Mrs. M. E. Phelps, who is president of the local council of Phoenix and vice president of the National Congress of Mothers and Parent-Teacher associations. According to Mrs. Phelps, the Pendergast school is placed well at the head of the list of the schools of the county which are doing things. During the program Miss MacVean gave a reading and Miss Turner rendered a piano selection. Light refreshments were served by Mrs. Armstrong and Mrs. Ammon.
The West End ranchers have recently organized a baseball team and expect to "wipe up" on the surrounding teams in the near future. The home diamond is located on the Meyers Farmer-Groom ranch.
M. V. Roberts, husband of Mrs. Neva Sue Roberts, one of the teachers in the Pendergast school, arrived in Phoenix Saturday from Monticello, Mo. Mr. Roberts is an invalid and expects to find better health in Arizona than in Missouri.
The literary societies gave a Thanksgiving program Wednesday afternoon. The glow club sang selections, after which the play, "The Courtship of Miles Standish," was rendered to a large and appreciative audience.
The many friends of the Rev. and Mrs. S. F. Hawkins called upon the minister Thursday evening "all unbeknownst" to Mr. and Mrs. Hawkins and brought with them a Thanksgiving cheer in the form of a pound party. Visitors both invited and uninvited always find a hearty welcome at the parsonage.

MILLIONS BURIED IN VIGO BAY
The largest amount of sunken treasure there is any record of lies at the bottom of Vigo bay on the coast of Spain. Here a Spanish fleet of 17 great galleons and their escort of 23 warships were sunk 300 years ago by a combined fleet of English and Dutch war vessels.
There is no guesswork about the amount of treasure on board the galleons. It is a matter of official record and is placed in the neighborhood of \$140,000,000, which, at the time when they were captured, was the richest in the world, had a purchasing power ten times greater than now.
Of this immense sum a little was landed, taken inland and saved. A few millions fell as spoils to the victors and the balance has served as a bait to draw adventurers from everywhere to Vigo bay. A heavily financed company even now, under a concession from the king of Spain, is trying to salvage the sunken galleons and their cargoes.
All in all, not more than \$20,000,000 has been saved from the sea, including that which was captured and that reclaimed by the various firms to whom concessions have been granted during the last 200 years; so it is safe to say that at least \$120,000,000 yet remains resting on the bottom of the bay, in shiploads of gold, silver and precious stones.—Los Angeles Times.
