

HOLIDAY TO HONOR PILGRIM LANDING

Phoenix will observe the tercentenary of the landing of the Pilgrims at Plymouth Rock, Mass., December 21, as a holiday as a result of a proclamation by Mayor Willis H. Plunkett yesterday. The mayor's proclamation follows:

Be It Remembered: That three hundred years ago the 21st day of this present month three landed on the shores of Massachusetts, midst the snow of a northern winter, a little

band of Englishmen whose sturdy independence and love of liberty caused them to choose a home in a wilderness rather than to enjoy the comforts of civilization at the price of freedom of conscience.

These men and women, Pilgrims, who sought a place in the wilderness in order to worship God according to the dictates of their several consciences, moulded the future of a great nation and by their sacrifices in the cause of Principle and uncompromising adherence to Truth set such an example and so impressed their ideals upon their posterity that the Nation to whose foundation they contributed so greatly, near three hundred years later, went to war for an ideal and threw its all

into the balance on the side of right. Now, therefore, I, Willis H. Plunkett, Mayor of the City of Phoenix, by virtue of my office do recommend that Tuesday, the 21st day of December, 1920, the tercentenary of the landing of the Pilgrims, be generally observed in the City of Phoenix as a holiday in commemoration of the coming to these shores of the principles of freedom and democracy.

Witness my hand this 8th day of December, 1920.

WILLIS H. PLUNKETT, Mayor.

A special Japanese military mission recently completed a study of the German war office, and the details of the one-time powerful war machine.

FRANK LUKE POST TO MEET WEDNESDAY

The next semi-monthly meeting of Frank Luke, Jr., Post No. 1 of the American Legion will be held Wednesday, Dec. 15, at which time final arrangements for the Christmas program will be discussed. The meeting will be given a little color by a ritual ceremony at the opening and closing of all meetings.

All committees on various assignments are expected to make a report of what has been accomplished to date, and arrangements made to give the legion members suitable meeting rooms, by remodeling the building, until such time as a new home can be constructed. Social rooms, including smoking, billiard and reading rooms, are under consideration. The jazz committee reports that it has been able to secure a real treat in the way of entertainment. There will be plenty of music, smokes and a good time to all who come.

The annual dues for membership are now payable and members who fail to pay them will be dropped from the rolls of the legion Jan. 1, 1921.

Miss Hazel Miller will have charge of the cooked foods, and the candy sale will be managed by Mrs. W. A. Nickerson.

WILL HELP BUILD HOSPITAL ADDITION

In compliance with the telegraphed request of Governor Thomas E. Campbell to get behind and expedite the construction of the addition to the Tuberculosis hospital at Tucson, the highway department is landing every possible aid.

Construction Foreman Webb, who has been connected with the department for the past nine months, has been sent to Tucson to take charge of the work and before his departure for Washington yesterday Thomas Maddock, state engineer, directed one of his engineers, Ralph Hoffman, to report there at once to assist the plans. E. C. Dietrich, division engineer, is at present in the south, having been sent immediately upon receipt of the governor's wire to secure equipment in and around Tucson to rush the construction work.
