DOWNTOWN TO OBTAIN  
PETITION SIGNATURES**

Initiative petition booths for the state highway commission bill will be placed in the business district of Phoenix Monday, "State Good Roads Day." by the Merchant and Manufacturers' association. It was announced yesterday by County Chairman J. C. Dobbins of the Arizona Good Roads association. Five organizations will work that day in competition for a loving cup to be given the organization getting the largest percentage of names based on the vote for mayor cast in the four old wards of the city. These wards are the Adams hotel ward, the chamber of commerce ward, the court house ward and the city hall ward. The Rotary club will have charge in the Adams hotel ward, the Kiwanis club in the chamber of commerce ward, the Automotive Dealers' association in the court house ward and the realty board in the city hall ward. "State Good Roads Day" falls on the longest day in the year. This is considered good luck by Mr. Dobbins. "It will be the longest day of sunshine in the history of Arizona," he said. **METHODISTS AGAIN  
DEFEAT CHRISTIANS**

The leading Central Christian church baseball team suffered its second defeat of the league schedule at the hands of the South Methodist squad at Eastlake park yesterday afternoon by a score of 8 to 7. The South Methodists are the only players who have defeated the leaders. Both teams played fast, snappy ball, a large crowd being in attendance. The Christian team got away to a good start with four runs in the first inning and increased its lead to six with a couple more in the fourth. The Methodists went scoreless in the first four frames and then broke into the run column with a vengeance, putting six men across the rubber before the side was retired. They went into the lead with another run in the sixth and the Christians knotted the score at seven all in their half. The Methodists scored the winning run in the seventh.
