

Basilio Bulnes Named Nogales Vice Consul
 (Republican A. P. Leased Wire)
 NOGALES, Ariz., Dec. 1.—Basilio Bulnes arrived here from Mexico City yesterday to assume duties as vice consul in the office of Joaquin Terrazas, Mexican consul here.

Prior to his appointment to the post here, S. Bulnes was a professor in the Mexican military aviation school in Mexico City. This is the sixth time he has been located in the United States, having lived in New York City and other places, including New Orleans, where he was engaged in newspaper work.

LOUIS V. EYTINGE NOW A PLAYWRIGHT

Los Angeles papers of last week announced at considerable detail, that the Universal film corporation has purchased an original drama written by Louis Victor Eyttinge, serving a life sentence at Florence from Maricopa county.

Eyttinge's career as a prisoner has often been told in the magazines and newspapers and now, after rising to unique heights in the field of advertising, he has successfully attempted a new venture. Lucien Hubbard, who is chief of Universal's scenario staff, is quoted in the Los Angeles papers as saying that Eyttinge's first photodrama was so clever, appealing, so full of penetrating realism, that the company has decided to make the story into a super-feature, starring Herbert Rawlinson in the title role. It will go into production during the winter and may be brought to Phoenix in the spring.

The scenario is of the "crook-drama" variety and is called "Peterman," this last word being the slang term in crookdom for a safe-blower. The drama is based upon Eyttinge's short story, "Jack Gilbert, Peterman," printed in the Arizona Republic in 1916, but it has been elaborated to show how the "peterman" comes back through arduous labors in his own community and earns his standing by public service to his citizens. At the same time, while weaving a strong romance in his story, Eyttinge deals telling blows at the

blue-sky swindling promoters and his drama is an expose of their operations. Critical commentators believe that Eyttinge's handling of this exposure will be of much value to the country in protecting unwary investors.

PLAN XMAS GIFTS TO PAPAGO KIDDIES

Planning a happy holiday for the boys and girls of the Papago reservation, the white brothers and sisters of the Indians who belong to the Presbyterian church will meet at 2:30 o'clock tomorrow afternoon in the church parlors. They will attend the meeting loaded with gifts of toys and with candles which will be their Christmas offerings.

Miss Elizabeth Wolfe, missionary to the Papagos, will prepare the cases for shipment. Last season three big packing cases held the gifts of the Presbyterian Children's societies and it is believed an even larger collection will find way to the border reservation this year.

This is the third season that the young folks have remembered the Indians at Christmas time.

WINNING JUMP—Miss Lary Hatt won the high jump at the foot ball meet for girls at Pershing Stadium, Paris. Her points helped swell England's total to 45. The French scored 23 points.

NOTES FROM CLASS AND CAMPUS OF PHOENIX UNION HIGH SCHOOL

The football team left for Bisbee yesterday morning to play Bisbee High school on Saturday for the undisputed championship of Arizona. The team is in the best of condition and is going there with the idea of giving Bisbee all the football it wants. The local team has everything to lose and nothing to gain by playing Bisbee. Reports of the game will be in the Sunday morning's paper. The team will arrive in Phoenix Sunday morning at 9 o'clock.

Coach Robinson announced yesterday that basketball practice will start officially Monday evening. There are plenty of suits left and they may be obtained Monday after the eighth period.

If you are a movie fan you will enjoy the movie party to be given by the girls of the Blue Triangle at 7:30 o'clock this evening at the Y. M. C. A. Enter through west door on Second

avenue. Come dressed as some movie star.

P. U. H. S. will soon have a teachers' volley ball team second to none in this state. Practice has started already and indications are that the team will be a strong one. Among the teachers who were out for the last practice are Miss Armstrong, Miss Brown, Miss Campbell, Miss Contris, Miss Edwards, Miss Eddy, Miss Frank, Miss Leahy, Miss Terrill and Miss Williams.

The Juniors came out on the large end of the score of two games played Wednesday afternoon. This places the Juniors first in the series. The score of the two games was: Juniors, 15; freshmen, 2; Juniors, 15; freshmen, 11.

Final sets in the tennis tournament will be played this afternoon at 3 o'clock between Eleanor Alexander and Josephine Grosso. The winner will play

Hazel Crouse, the Junior champion for the championship of the upper classmen.

The girls' physical education classes have been having volley ball tests all week. The test was based on the rules of volley ball and a practical test was given on the actual playing of the game. From those who passed the test a first team will be picked to represent Phoenix high in several contests. Results of the tests will be announced Tuesday.

Thursday afternoon Mrs. Shirley gave the freshmen girls a demonstration of hairdressing. The girls learned how to care for the hair and how to dress it becomingly.

Tuesday evening, Dec. 6, from 5:30 to 6 o'clock, the Blue Triangle will hold its regular club supper at the Baptist church. This will be a joy-up affair in honor of the advisors.

Owing to the great need of economy, King George of England announces that he cannot afford to fit out the royal yacht Britannia for the yacht race next year.

Dental Service For All
