DENVER, COLORADO, FRIDAY, JULY 20, 1906.

NO. 49

## COLORADO'S GREATEST RACE PAPER

### News from all parts of the West.

#### LARAMIE, WYOMING.

##### Chas. F. Albert, Agent.

Mr. John Crundy was in visiting his family from Soda Springs.

Mr. and Mrs. Wesley Garey returned from Boulder and Denver, Colorado, where they visited relatives.

Mrs. Thomas Price is expecting to leave for Omaha, Nebraska.

Castle hall, K. of P., was the place of much enjoyment Tuesday evening, it being installation of officers and a social dance. Refreshments were served. C. F. Albert installed the following officers: L. L. Lewis, C. C.; Smith Bonnor, V. C.; M. M. Madison, prelate; William Byrd, M. of Ex.; W. H. Page, K. of R. and S.; Thomas Price, master at arms; James Gordon, I. G.; Robert Mundy, O. G. By acclamation the lodge elected C. F. Albert master of finance.

John Byrd of Kansas City, Missouri, stopped at Argo, en route to Los Angeles, California.

Mr. Richard Henderson is the porter for Homer Cowden's barber shop.

L. L. Lewis gave a spread at his home Monday evening and invited a good number of Laramie's elite to feast. He had everything of the season, and those fortunate to be present are loud in praises.

C. F. Albert is kept very busy at the Depot hotel, travel being quite heavy.

Several strangers are in our city. Room for more; you are welcome.

All subscribers to The Statesman see the agent and pay up for the next quarter. Do this at once.

In coming to Laramie, remember the Argo. Clean rooms, best of service.

W. H. Page and Henry Lucas are anglers to-day on Big Laramie river.

#### MANITOU ITEMS.

Miss Juanita Lloyd left Saturday morning for Nevada, Missouri, to visit her aunt, Mrs. Henry Johnson.

Mr. and Mrs. Harvey Groves will spend the summer in Manitou. They are occupying the cottage of Mrs. Bunker in South Manitou.

Mr. R. Maple of Wichita, Kansas, is a recent arrival in Manitou seeking health.

Rev. Franklin Bray and brother of Pueblo visited their father Sunday at the residence of Mrs. Hubbard. Rev. Bray, Sr., has been quite ill and expects to return to Pueblo Monday.

Mrs. Maxcy of Oklahoma was the guest of Mrs. Hubbard Tuesday. She is an old friend and neighbor when Mr. Hubbard lived in Fort Scott, Kansas.

The latest arrivals are Mr. Jno. Prothro of San Jose, California; Mesdames M. Mitchel and F. E. Cross of Oklahoma City.

Mrs. Lewis McKenzie, after some months spent in Manitou, returned to her home, Kansas City, last Sunday.

#### CEDAR HILL, COLORADO.

We were visited last Saturday by a heavy rainfall and cloudburst at 4:35 p. m., but no lives were lost.

Mr. and Mrs. J. C. Fredrick lost their entire household goods. The water broke out in Stock canyon, where they live.

Mr. George Graves, formerly of Pueblo, lost his entire baching outfit, consisting of a gold watch and lodge pins. No chance for recovery.

Mrs. E. C. Tall and her eleven-day-old baby and Ira Washington had a narrow escape, as the water was taking away everything that came along, but they made it to safety. Both mother and baby are doing nicely.

Mrs. William Williams and Mrs. May Thomas were in our burg from Delagua doing some shopping.

Mr. and Mrs. R. W. Davis of Hastings were also in our burg Sunday. They were the guests of Mr. and Mrs. J. Cober.

#### CRIPPLE CREEK

Mrs. George Cotwell and Jerry Robinson were among the many people that left to spend the week in Denver.

Mrs. Buckner of Colorado Springs is visiting her daughter, Mrs. Bueford, this week.

The Rev. Mr. Turner has returned to the city, after spending his vacation in lower parts.

A. H. Waddy spent last Sunday with his sister in Manitou.

Mrs. Ed Briggs left for her home in Atchison, Kansas, after spending a few months with her husband.

Those that are among the sick are: Ed Owens, Riah Traylor and Harry Hudson.

#### African Salt Marshes.

Along the central part of the Kongo river there are a number of salt marshes. The Africans dig shallow holes in these, whence issue streams of hot water which, on being evaporated, leaves a residue of salt.

#### Must Report First Robin.

From each weather bureau station the appearance of the first robin in spring must be reported by telegraph to the Washington office. The movements of no other bird or animal are noticed.
