BEATRICE
Cream Separator

Efficiency

Efficiency in a Cream Separator is measured by the amount of work the machine will do and the way it does it. With the BEATRICE you can skim more milk, in the same time, and skim cleaner, than with any other Separator.

Economy

The BEATRICE is the Separator for real economy, because, capacity considered, the price is lowest; because it gets more cream out of the milk, and because it saves time and labor.

Durability

The construction of the BEATRICE aims at strength and durability. All materials used are the best. It is the strongest, best looking and simplest in construction. Trouble in operation is almost done away with and cost of repairs is very low.

Price

In the BEATRICE you get more than twice the skimming capacity for the same money--and we absolutely save you \$25 to \$40. Prices: \$50 to \$60 lbs. capacity, \$25; 75 to 100 lbs., \$35; 100 to 150 lbs., \$45. Free with each Separator--BEATRICE Centrifugal Disc Washing Device and 1-1/2" Steel Pail.

Come in and see the BEATRICE Cream Separator for yourself.

PROSPECT HILL.

J. S. Baber and Chas. Parker were looking over our stock on Monday and bought a few to keep business going.

L. W. Wells and Chas. Thero were before breakfast callers at Prospect Hill on Monday--Breakfast bacon, was Mr. Thero's object and we sold him some.

A change of name is not necessarily a change of nature. Cheyenne Record is shorter, and "Brevity is the soul of wit" we conclude that the change is wise and let it go at that.

The new tariff bill just passed the Senate and House reduces the scheduled twenty-eight per cent., which is not to be ignored on the general expense account of Uncle Sams subjects.

Tuesday mornings rain was an ideal one. For those who sow wheat the ground will be in prime condition. No lightning--no wind--just a straight down rain. The dust is settled and also peoples complaints generally.

Were you up in time Monday morning to see the moons total eclipse? The writer saw it just before that luminary became entirely obscured in apex of the earth's shadow. To see heavens wonders we must needs look up and sometimes rise early.

Mrs. C. A. Lucas, of Chicago, favors this office with a very readable pamphlet sermon entitled "Alfalfa to Replenish the Earth." It was delivered by Rev. John L. Watson, a highly educated Missourian, and sent out by the International Harvester Co., of New Jersey.

Mrs. Geo. Mayfield did not arrive in Clark county, Mo., in time for the funeral of her daughter, Mrs. Worthy Wollingford, who died near Farmington, Ia., last week. Mr. and Mrs. Mayfield's many friends here sympathize deeply with them in their bereavement.

Frank Marmion, of Farmington, Ia., was our guest over night Saturday and Sunday. He dropped in on us unaware, and we were glad to have him. Frank and the writer have been staunch friends for forty years. We joined farms in Clark county, Mo., and only needed to look over the fence to see what the other was doing. Our paths have diverged in life since then, but the cross roads have kept us in each others view occasionally. Our testimony is that Frank is alright. He has looked at Uncle Sam's domain from many view points and is now nicely fixed in a home and what was once the Gen. Tuttle farm, in a half mile of Farmington, Iowa. He left Monday to visit his son, Robt. Marmion, near the Johnstone north sheep ranch. Denver, Colorado Springs and other notable western points will be visited before his return. Mr. Marmion was through this country when the Union Pacific was building in the seventies.

FIRST VIEW NEWS.

Rev. DeMunbrun preached here last Sunday.

Mass will be held in the school house Sunday 21st.

We had quite a rain Monday night and Tuesday morning.

Mrs. Thos. Mansfield returned from Melette, S. Dak., last week.

The Ladies Altar Society will meet with Anna Gerke Saturday Sept. 20.

Edward Gregory went to Manhattan Kansas, Tuesday to take up his college work.

Mrs. Moler and daughter, Dolly, spent a few days last week with Mrs. G. C. Calvert.

Friends of Mrs. Lute Johnson will be pleased to hear that her condition is much improved.

Quite a number of our items were crowded out last week, we hope to have better luck this time.

Ora Palmer returned from Cripple Creek Sunday and will spend the winter with Mrs. D. H. Zuck.

Miss Cecil Grooms returned from Denver Sunday and is visiting at the home of her aunt, Mrs. Geo. Fredricks.

There are forty scholars enrolled in the First View school. These are divided into two rooms with W. S. Hill and Jas. Curtis as teachers.

A dance was given Sept. 12 at Liberty Ridge school house for Miss Nadine Virgin, who went to Greeley the 13th to take up her school work.
