### Additional Locals

Little Catherine Elchoff is very ill with diphtheria.

Charlie Wood, the new proprietor took charge of the drug store on Monday.

Truman Burkhardt returned Sunday from Longmont where he has been for some time.

Mr. and Mrs. Pottenger have rented their place to the boys and are going to Arvada to live.

Mr. and Mrs. R. A. Brazelton were Denver visitors this month.

Mrs. Wheelon who lately bought the C. E. Brown place about 3 miles west of town has sold out to Mr. and Mrs. Hollis.

Dr. Denny made a trip to Denver this week.

Mrs. Joe Smith has sold her ranch south of Elizabeth.

A number of Elbert people attended the Bentley sale Monday.

Mr. and Mrs. Pottenger autoed to Denver on business Sunday and returned Tuesday.

John Helgoth went to Denver Sunday to see his sister Anna at St. Anthony's. She is getting along well.

Chas. Litherland received word Sunday night that his mother passed away at Mt. Carmel, Illinois.

The surprise party given on Miss Clugy Saturday night was greatly enjoyed by all present. The evening was spent in playing games etc. "Tuesday" proved herself capable of entertaining the whole crowd.

The young people of this vicinity seem to be trying to economize on gasoline as several were seen horseback riding Sunday afternoon and evening.

Visitors at the Pottenger home Sunday were: Misses Beatrice Brace, Mildred Clow, Stella Stringham, and Messrs. Tolof and Theo. Peterson.

Cyrus and Will Cole drove a bunch of cattle thru Elbert Tuesday which they had purchased at the Bentley sale.

Will Kent is hauling his spuds which he intends to ship to Kansas. Tolof Peterson is working for Joseph Oaks.

### YOUR OWN and ST. VALENTINE'S Birthday Party.

Now this is to invite you And you must come and bring In a little sack, a penny A penny for each spring That you have seen the flowers bloom And heard the blue birds sing.

To be given under the auspices Of the young people of the Elbert Christian Church At the home of Mr. and Mrs. J. O. McClure Everybody Welcome. Bring Valentines and skates. Evening of February 15, 1918.

LOST—A round fur muff. Please notify Mae Squires.

For Sale—Purebred Buff Orpingtons. Phone Olive 73. Mrs. A. Richardson.

### RED CROSS NOTES.

The Bandage Work Committee of the Red Cross has been very busy since last Friday morning under the direction of the very pleasant and able instructor, Miss Rathvon from Denver.

The Bandage Work Committee is greatly favored by having a most

beautiful room and large closet, all heated, given to them free for their use by Mrs. Narron, in her lovely home. The chairman of this committee is supported by a very able committee composed of Mesdames Denny, Cornforth, Neuman, Putnam, and Miss Neuman.

Next week we hope to be able to announce the day when the bandage work room will be open for other workers.

The bandage and gauze work is the most difficult work that is asked of us and the most needed. It is not very fascinating and interesting. No work in this line may be taken out and no one is allowed to enter the room unless wearing the regulation white apron and white cap. Any one wishing to take up this work will see Mrs. Joseph.

Miss Rathvon also met with the sewing committee Tuesday and Wednesday and Thursday afternoons, giving instructions in that department and inspected and passed on a box of knitted articles that were sent to Elizabeth Wednesday.

The Red Cross members are very grateful for a nice donation of \$25 last week from Miss Sue Brewer, it being part of the proceeds of a box social she gave at her school.

The mothers of the club of Good Cheer girls were in Tuesday and at the request of the club, purchased a bolt of material to be made into baby clothes to be sent to France. Some people talk but this little bunch says little and saws wood.

Preparations for the dance supper are moving smoothly along. The request for contributions to the supper was splendidly responded to—great relief—for the soliciting work is the hardest work we have and anyone thinking differently, please apply at the next opportunity. O. Yes! there will be more times for our boys are just beginning to go over, to get hurt or worse, and it is our pleasure to do this work for them since they are doing their all for us and it will probably fall to our lot to give and give and do and do.

Anyone having small pieces of goods, new or old, that may be made into baby clothes or hospital supplies will be helping by sending them to Miss Joseph to be used in her Junior work that she hopes to get started at once.

We have added several new members to our list this week. Among them are missed Sue Brewer and Miss Elsie Anderson. If you are not a member, see the membership chairman, Mrs. Neuman, and become one at once. Nobody wants to be a slacker, in other words a non Red Crosser.

Dr. Henderson, Dentist, 206 Central Savings Bank, Denver Will be in Elbert, Friday, Feb. 15 At The Bulah Hotel.

"We have reached the time in our national life when no loyal citizen in the country can afford to spend a dollar for wasteful luxuries. Such an expenditure resolves itself into a disloyal act."—Cardinal Gibbons.

### OUR WAR AIMS.

"What we demanded in this war, therefore, is nothing peculiar to ourselves. It is that the world be made fit and safe to live in; and particularly that it be made safe for every peace-loving nation which, like our own, wishes to live its own life, determine its own institutions, be assured of justice and fair dealing by the other peoples of the world as against force and self aggression. All the peoples of the world are in effect partners in this interest, and for our own part we see very clearly that unless justice be done to others it will not be done to us. The program of the world's peace, therefore, is our program."—President Wilson's Message of January 8.

### WORLD'S SUPPLY OF SHIPS NOW ABOUT 20 PER CENT SHORT OF NORMAL.

The Food Administration estimates the total number of ocean-going vessels now afloat at 30,000, having a gross tonnage of 45,000,000 tons. Losses of shipping during the war have totaled about 8,783,080 tons, and the supply of ships is about 20 per cent short of normal. Shipbuilding in France has been at a standstill since the beginning of the war; England's output is less than normal; Japan is hampered by the lack of material; the American ship supply is only beginning.

### INEDIBLE FATS MAY BE MADE INTO SOAPS.

### Process of Making Soap in Home Is Simple—No Fats Fit for Food Should Be Used.

In these days it is decidedly unpatriotic as well as extravagant to waste one bit of fat. All housekeepers know that the price of soap is advancing rapidly and steadily. It is a very simple thing, indeed, to make your kitchen soap, yourself. But, do not use fat that might be needed for cooking purposes. Mutton tallow or fats that have been seafished and are of no further use for cooking may be made into soap in the following way. For each pound of fat, use one-seventh pound of caustic potash (lye), dissolved in 1 3/4 cups cold water. Heat the fat to the melting point, then add the lye and water mixture; beat with an egg beater until an emulsion is formed. Or, if you have a large quantity, turn in an ice cream freezer. Unless you mix it thoroughly it will separate in layers. Pour into a pan and mark in squares.

If the fat is very dark or has a strong odor, it will be improved if it is clarified. To do this, heat the fat with water, stirring constantly. Allow to boil one half hour, then put aside to cool. Remove the hardened, cold fat from the water and scrape any waste matter from the bottom. —Magdalene Hahn, Colorado Agricultural College, Fort Collins, Colorado.

### PUBLIC SALE.

I will offer at Public Auction at my ranch 2 miles north of town on February 23, 1918, The following described property, to-wit:

# MAXWELL

\$1195

F. O. B. DETROIT

The apple always falls to the ground. It cannot FALL UP.

The price of the Maxwell closed cars—\$1195—was fixed in accordance with another inexorable law.

For less than \$1195 it would be impossible to give you closed cars combining—as they are combined in the Maxwell—beauty, grace, comfort, efficiency, durability, economy and standard equipment.

For more than that, on the other hand, you could only get larger size or fancier furnishings.

Five-Passenger Sedan, \$1195; Six-Passenger Town Car, \$1195; Touring Car with All-Weather Top, \$355; Touring Car, \$745; Roadster, \$745. All Prices F.O.B. Detroit
