## JUBILEE AUGUST FURNITURE SALE OPENS EARLY

Tomorrow,  
Saturday, July 19th  
Is The Day

**T**O THOSE who know us and our kind of a Furniture Sale, the bare announcement is sufficient. To those who do not, our best reference is to those who do.

Although there is a little hesitancy in buying in some quarters, that very hesitancy has made it possible for us to secure lower prices from our manu-

facturers. Consequently, our sales from the first of the year until now are ahead of any corresponding period of any year since we began business half a century ago. Some of the best values we have saved up for the August Sale. Most of them are strictly limited in quantity so it is a good idea to make your selections as early as you can.
