That Corn Is a Sure "Goner," Now

"GETS-IT," the New-Plan Corn Cure, Gets Any Corn Sure, Quickly. You'll say "It does beat all how quick 'GETS-IT' got rid of that corn. It's almost magic." "GETS-IT" gets every corn, every corn, as sure as the sun rises. It takes about 2 seconds to apply it. Corn pains stop, you forget the corn, the corn shrivels up, and it's gone! Ever try anything like that? You never did. There's no more fussing with plasters that press on the corn, no more salvers that take off the surrounding flesh, no more bandages. No more knives, files or razors that make corns grow, and cause danger of blood poison. "GETS-IT" is equally harmless to healthy or irritated flesh. It "cures" every corn, wart, callous and bunions, "goes" you!

"Never Could Do This Before. 'GETS-IT' Made Every Corn Vanish Like Magic."
