**BOSTON MAYOR'S PLAN FOR LOWER COST OF LIVING**

Boston, Sept. 12.—Mayor Fitzgerald, who sang his way into the mayoralty of Boston, and who wants to go to the United States Senate on a "lower cost of living" issue, has another plan for reducing living costs. First, he stopped eating meat and advised all Boston to simulate his renunciation of carnivorous eating. Then he kept a coop of chickens without a license and excused himself on the grounds that he had to do something desperate to make his \$10,000 salary stretch far enough. He has since had countless other plans, included among which was advocacy of eating Boston beans three times daily. Now he has found out that the lowly spud can be fixed in so many different ways it would replace meats and numerous other table staples.

**MADAM! IF YOU DON'T FEEL RIGHT TAKE DELICIOUS "SYRUP OF FIGS"**

**Waste-clogged Bowels, Torpid Liver and Decaying Food in Stomach Cause the Sick Headache, Gas, Backache, Sallowness, Biliousness and Indigestion**

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. Those are nature's way of keeping the liver and thirty feet of bowels active; but very few women employ them. The best way is delightful, fruity Syrup of Figs. Nearly all ills of women can be overcome with Syrup of Figs alone. There is no need to have sick headache, backache, dizziness, stomach and full of gas, bilious spells, nervousness, coated tongue, bad breath, bad complexion, nervousness and depression. The surest and safest remedy is one or two teaspoonfuls of delicious Syrup of Figs. Try this tonight—you'll feel splendid in the morning when the sour bile, clogged

up waste and poisonous matter have been gently but thoroughly moved on and out of your system without nausea, griping or weakness. Your head will be clear, complexion rosy, breath sweet, stomach regulated; no more constipation, gas, pains and aches.

It is simply a matter of keeping your stomach, liver and bowels clean and regular. Then you will always be well—always look and feel your best.

Get the genuine—the old reliable. Ask your druggist for "Syrup of Figs and Elixir of Senna." Refuse, with contempt, the so-called Fig Syrups sometimes substituted to fool you. The true, genuine, bears the name California Fig Syrup Company; look for this on the label.

Charleston, W. Va., Sept. 12.—The barns of the Ohio Coal Company, in the Cabin Creek district, were burned to the ground early today. Eleven mules and four horses were destroyed. It was charged by the military authorities that the fire was of incendiary origin.

Governor Glasscock sent out letters today to operators and miners asking them to meet him for a peace conference tomorrow. Notices were found posted today on the doors of the company offices at the mining village of Mucklow, and the military authorities would be destroyed with dynamite if strikeworkers were employed.

**SOCIALIST CONVENTION RATIFIES CANDIDATES**

John Toohill was named as a candidate for justice of the peace instead of Edward Garavanta, and James O'Connor was placed on the ticket as candidate for Alderman from the Fifth district instead of Albert Albertson.

The platform committee reported, and the platform recommended by this committee was unanimously adopted. The committee on resolutions also submitted a resolution which challenges the Bull Moose party to joint debate on the subject, "Socialism vs. the Progressive Policy," the Socialist party to pay all expenses of the debate.
