NOTICE

ANNUAL TOWN MEETING. Warning, hereby given to the electors of the City of Bridgeport, that the annual Town Meeting, of said Town will be held upon Tuesday, Nov. 4th, 1913, for the choice of all town officers required by law to be voted for at said meeting, namely: A town clerk; five selectmen. Voting machines will be open from 6 o'clock a. m. to 5 o'clock p. m. for the registration of the votes of electors of said town, entitled to vote at said meeting at the following places, to wit: FIRST DISTRICT 29 Court street. SECOND DISTRICT 16 Railroad avenue. THIRD DISTRICT Auburn street and Fairfield avenue. FOURTH DISTRICT 1251 State street. FIFTH DISTRICT 682 Norman street. SIXTH DISTRICT Catherine street and North avenue. SEVENTH DISTRICT 1889 Main street. EIGHTH DISTRICT 2044 Main street. NINTH DISTRICT 1208 East Main street. TENTH DISTRICT 42 Beach street. ELEVENTH DISTRICT 416 East Main street. TWELFTH DISTRICT 1532 Seaview avenue, (first precinct). Lincoln school, Stratford avenue, (second precinct). Given under my hand this 27th day of October, A. PARCEL POST INSURANCE. Method That Has Evolved by an Insurance Company. While the need for insurance of parcels sent through the mails under the new parcel post law cannot be described as a long felt want, it is keenly felt and the business community has been greatly assisted by the perfection of a plan to insure such shipments in a simple and effective way absolutely devoid of red tape. One of the large insurance companies in this city, the Home Insurance Company, has solved the problem to its own satisfaction by issuing books of coupons. All that the consignor is required to do is to enter on the stub the address of the consignee and the value of the parcel and paste on it a sticker coupon costing 2 1-2 cents for the first \$10, two coupons for \$25 and four for \$50, which is the limit of insurance on a parcel not registered or insured by the government. On parcels valued at \$50 or more and insured by the government, the charge will be 2 1-2 cents for the first \$50, five cents for \$100 and 10 cents for \$150, using the same certificates in both cases. All that the shipper has to do is to paste four certificates on the \$150 parcel that is sent by registered mail or insured by the government and sent by parcel post. The great trouble in all insurance is the settling of claims, and it is obvious that no proper inspection or investigation of a loss can be made for 16 cents let alone for 2 1-2 cents. The insurance company has therefore adopted the very ingenious plan of making the government, or rather the postal authorities and the secret service department, do the investigating in all doubtful cases, because the government is not likely to pay any claims for loss of registered mail or insured parcels post packages without an inquiry more thorough than any insurance company would think of.
